H8D Purpose

SAFETY

Ensure that health centers are safe for staff and patients

RESPONSE

Detect, prevent, diagnose, and respond to COVID-19

CAPACITY

Maintain and increase capacity to provide comprehensive primary health care

H8C Purpose

PREVENT
Promote individual and community-wide prevention practices and/or administer countermeasures to reduce risk of COVID-19

PREPARE
Enhance readiness and training to respond to COVID-19

RESPOND
Assess, test, diagnose, treat, and limit spread of COVID-19

UPDATE

AS WELL AS MAINTAIN AND INCREASE CAPACITY

HRSA
Health Center Program

Response Reporting Requirements

COVID-19 (H8C)

- Activity Overview
  - ✓ Brief narrative (1-2 pages)
  - ✓ Activities to prevent, prepare for, and respond to COVID-19, as well as maintain capacity
- SF-424A Budget Information Form
- Budget Narrative
- Equipment List (if applicable)
- **Submit via HRSA Electronic Handbooks (EHBs) by 11:59 pm ET April 23**

CARES (H8D)

- Activity Overview
  - ✓ Brief narrative (1-2 pages)
  - ✓ Activities for COVID-19 safety and response, as well as maintaining and increasing capacity
- SF-424A Budget Information Form
- Budget Narrative
- Equipment List (if applicable)
- Minor Alteration and Renovation (A/R) Information (if applicable)
- **Submit via HRSA EHBs by 11:59 pm ET May 8**

HRSA Health Center Program

H8D Minor A/R Information (if applicable)

- Detailed Budget Narrative;

- Environmental Information and Documentation checklist;

- Schematics and/or Floor Plans showing the location and dimensions of the proposed renovation area in the existing building; and

- Other Requirements for Sites Form addressing site control, federal interest, cultural resources, and historic preservation considerations.

Include in HRSA EHBs submission due May 8 by 11:59 pm ET

HRSA
Health Center Program

Ineligible Costs

| EHRs that are not ONC certified | New construction activities, additions, or expansions

Road paving or new parking lots | Installation of permanent modular units or prefab buildings

Major A/R (over $500,000 budget) | Facility or land purchases

Significant site work outside the building | Activities outside of your Health Center Program scope | Activities that do not support funding purpose

Costs reimbursed by other government programs |

HRSA Health Center Program

Rebudgeting

- Activities may evolve to respond to changing community needs
- Rebudgeting H8C and H8D awards is allowable if costs support activities that are:
  - In-scope
  - Responsive to funding purpose
  - Consistent with terms on the notice of award
  - Allowable
- H8C funds: no additional requirements for rebudgeting
- H8D funds: **prior approval** required if:
  - Rebudgeted amount exceeds 25% of award, or
  - Would move funds to a line item not previously included in budget
