ADDITIONAL INFORMATION

Agency Name: Administration for Children and Families - ACYF/CB

Description: Title II of the Child Abuse Prevention and Treatment Act authorizes the Secretary to reserve one percent of the amount appropriated for the fiscal year to make allotments to Indian tribes and tribal organizations and migrant programs for community and faith-based child abuse prevention activities. The primary purpose of this funding opportunity announcement (FOA) is to award grants to support community-based efforts in tribal and migrant communities that prevent child maltreatment and to strengthen and support families. Funded projects will develop new or enhance existing initiatives, programs, and activities to reduce the likelihood of child abuse and neglect and to enhance the well-being of migrant and/or Native American children and their families, including those in rural areas. While not an exhaustive list, some examples of programs that may be funded include voluntary home visiting, respite care, parenting education, family resource centers, and finance the start-up, maintenance, expansion, or redesign of mental health services, substance abuse service programs, and other family support services. It is anticipated that three grants will be funded under this announcement. The funding period will be for 5 years.
