City or township governments
State governments
County governments
Native American tribal governments (Federally recognized)

Additional Information on Eligibility: This solicitation has two grant categories. Eligible applicants who propose to provide direct services must not include the provision of services to any person who is older than age 18. Category 1: Juvenile Drug Treatment Court Planning and Implementation. Juvenile Drug Treatment Court Planning and Implementation grants are available to jurisdictions that want to establish a juvenile drug treatment court. These grants are for jurisdictions where no juvenile drug treatment court currently exists or a juvenile drug treatment court has been operational for less than 1 year. Category 2: Juvenile Drug Treatment Court Enhancement. Juvenile Drug Treatment Court Enhancement grants are available to jurisdictions with a fully operational (for at least 1 year) juvenile drug treatment court to enhance the operation of the court. Jurisdictions applying for funding under this category must have courts that have been fully operational for at least 1 year. For purposes of this solicitation, "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands. To advance Executive Order 13929 Safe Policing for Safe Communities, the Attorney General determined that all state, local, and university or college law enforcement agencies must be certified by an approved independent credentialing body or have started the certification process to be eligible for FY 2021 DOJ discretionary grant funding. To become certified, the law enforcement agency must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. The certification requirement also applies to law enforcement agencies receiving DOJ discretionary grant funding through a subaward. For detailed information on this new certification requirement, please visit <https://cops.usdoj.gov/SafePolicingEO> to access the Standards for Certification on Safe Policing for Safe Communities, Implementation Fact Sheet, and List of Designated Independent Credentialing Bodies. All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

ADDITIONAL INFORMATION

Agency Name:

Office of Juvenile Justice Delinquency Prevention

Description:

The Juvenile Drug Treatment Court Program builds the capacity of states, state and local courts, units of local government, and federally recognized tribal governments to implement new juvenile drug treatment courts (JDTCs) and enhance existing JDTCs for individuals with substance abuse problems or co-occurring mental health disorders, including histories of trauma.

When describing substance abuse, the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition, uses the term "substance use disorder" for the clinical and functional assessment of an individual's recurrent use of alcohol and/or drugs that causes significant impairment, such as health problems; disabilities; or failure to meet work, school, or home responsibilities. For more information, see <https://www.samhsa.gov/disorders/substance-use>.
