Description:

The National Park Service's (NPS) Underrepresented Community Grant Program (URC) is intended to diversify the nominations submitted to the National Register of Historic Places to include communities that are currently underrepresented. URC grants are funded by the Historic Preservation Fund (HPF), and are administered by the NPS. Projects include surveys and inventories of historic properties associated with communities underrepresented in the National Register, as well as the development or amendment of nominations to the National Register.
