ADDITIONAL INFORMATION

Agency Name: Institute of Museum and Library Services

Description: This program is designed to assist Native American tribes in improving core library services for their communities. The goals for the program are to:

- Improve digital services to support needs for education, workforce development, economic and business development, health information, critical thinking skills, and digital literacy skills.
- Improve educational programs related to specific topics and content areas of interest to library patrons and community-based users.
- Enhance the preservation and revitalization of Native American cultures and languages.
