ADDITIONAL INFORMATION

Agency Name: Employment and Training Administration

Description:

The purpose of this program is to provide education and training services that improve the employment outcomes of young adults who are involved in the criminal justice system and/or who left high school prior to graduation and to develop the capacity of community colleges to meet the needs of young adults with justice system involvement. Young adults served under this grant program are between the ages of 18 and 24 and currently or previously have been involved in the juvenile or adult criminal justice system and/or who left high school prior to graduation.

Funded projects aim to ensure that young adults transitioning from the criminal justice system are prepared to meet the needs of their local labor markets with the skills required by employers. Applicants must demonstrate that their sub-grantees and community college partner(s) will implement capacity-building in community colleges to support innovative models for accelerated learning for the target population of this FOA.
