Additional Information on Eligibility: For purposes of this solicitation, "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands. To advance Executive Order 13929 Safe Policing for Safe Communities, the Attorney General determined that all state, local, and university or college law enforcement agencies must be certified by an approved independent credentialing body or have started the certification process to be eligible for FY 2022 DOJ discretionary grant funding. To become certified, the law enforcement agency must meet two mandatory conditions: (1) the agency's use-of-force policies adhere to all applicable federal, state, and local laws and (2) the agency's use-of-force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. The certification requirement also applies to law enforcement agencies receiving DOJ discretionary grant funding through a subaward. For detailed information on this certification requirement, please visit <https://cops.usdoj.gov/SafePolicingEO> to access the Standards for Certification on Safe Policing for Safe Communities, the Implementation Fact Sheet, and the List of Designated Independent Credentialing Bodies. ADDITIONAL INFORMATION

Agency Name:

Bureau of Justice Assistance

Description:

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

The Second Chance Act (SCA) of 2007 (Public Law 110-199), reauthorized by the First Step Act of 2018, provides a comprehensive response to assist in the transition individuals make from prison, jail, or juvenile residential facilities to their communities so that the transition is more successful and promotes public safety. The FY 2022 Improving Adult and Juvenile Crisis Stabilization and Community Reentry Grant Program is a new solicitation designed to implement programming and services in response to the Crisis Stabilization and Community Reentry Act of 2020. It includes two categories for funding:

Category 1: Adult and Juvenile Crisis Stabilization and Community Reentry Programs
— State and Local Governments

Category 2: Adult and Juvenile Crisis Stabilization and Community Reentry Programs
— Nonprofit Organizations and Tribal Governments

SCA and reentry-focused grant funding is designed to help communities develop and implement comprehensive and collaborative strategies that address the challenges posed by reentry and recidivism reduction. "Reentry" is not a specific program but rather an ongoing process that starts from the moment an individual is initially incarcerated and continues throughout that individual's transition from incarceration and reintegration into the community.

This solicitation is part of the SCA suite of programs in FY 2022. This year a range of programs for states, units of local government, nonprofit organizations, and tribal governments are being competed, including:

Community-based Reentry Program
Improving Reentry Education and Employment Outcomes Program
Improving Reentry Substance Use Disorder Treatment Outcomes Program
Pay for Success
Swift, Certain, and Fair Supervision and HOPE Institute
Smart Reentry and Smart Supervision with Technical Assistance: New Tools to Facilitate Change

Not all entities are eligible for all programs. Applicants are encouraged to review each solicitation in its entirety to determine their eligibility and the goodness of fit for their proposal. Additional details on funding through BJA and DOJ can be found on the DOJ Grants Program Plan.
