ADDITIONAL INFORMATION

Agency Name: Health Resources and Services Administration

Description: This notice announces the opportunity to apply for funding under the Healthy Tomorrows Partnership for Children Program (HTPCP).
The purpose of the program is to support community-based partnerships and collaborations aimed at promoting access to health care for under-resourced and underserved children, youth, and their families nationwide, through the implementation and evaluation of new or enhanced community-based projects and models of care. Recipients will implement community-based projects incorporating evidence-informed or evidence-based strategies or innovations to increase access to health care and preventive health services in rural and other underserved populations. Community-based partnerships and collaborations will support the establishment of these projects and advance innovations.
A successful HTPCP project will accomplish the following objectives during the 5-year period of performance:

- Implement an innovative project to promote preventive child health services with at least one measurable outcome.
- Form new collaborative relationships with at least three community and/or statewide partners.
- Develop a sustainability plan that includes at least three community partnerships and at least one funding strategy.
- If applicable, assess improvement in health promotion and prevention efforts through the use of materials and/or anticipatory guidance from the Bright Futures for Infants, Children and Adolescents initiative.
