**Agency Name:** Substance Abuse and Mental Health Services Adminis

---

**Description:**

The purpose of this SAMHSA program is to promote the wellness of young children, from birth to 8 years of age, by addressing the social, emotional, cognitive, physical, and behavioral aspects of their development. It is expected that this program will provide local communities or tribes the opportunity to disseminate effective and innovative early childhood mental health practices and services, ultimately leading to better outcomes for young children and their families.
