The ACP Outreach Grant Program is one tool among a comprehensive set of measures authorized by the Infrastructure Investment and Jobs Act of 2021 (Infrastructure Act) and implemented by the FCC to help bridge the digital divide. The ACP Outreach Grant Program will help increase awareness of and participation in the ACP among eligible households. The ACP Outreach Grant Program provides new federal funding for the FCC to grant eligible governmental and non-governmental entities with the funding and resources needed to increase awareness of and participation in the ACP among those households most in need of affordable connectivity.
