Additional Information on Eligibility: Tribes or organizations working on behalf of Tribes or Tribal organizations including: academic institutions, non-profit organizations, or individuals.

ADDITIONAL INFORMATION

Agency Name: Animal and Plant Health Inspection Service

Description:

The U.S. Department of Agriculture (USDA), Animal Plant Health Inspection Service (APHIS) is announcing the availability of up to \$5,000,000 in funds provided by the American Rescue Plan to Tribes, Tribal Nations, and organizations working on their behalf to support projects in the priority areas below:

1. **Address gaps in surveillance and investigation activities for SARS-CoV-2 in animals, including farmed animals, captive wildlife, free-ranging wildlife, and companion animals.**
2. **Expand knowledge of species susceptibility to SARS-CoV-2 to improve understanding of potential roles or routes of transmission.**
3. **Develop surveillance tools and strategies for the rapid detection and characterization of new variants of SARS-CoV-2 to support an early warning system to prevent or limit future SARS-CoV-2 outbreaks.**
4. **Identify effective interventions, and other measures to prevent transmission of SARS-CoV-2 at the human-animal interface and/or impacts to the food supply.**
