Description: "POWERING UNELECTRIFIED TRIBAL BUILDING(S) - 2022"
The DOE Office of Indian Energy is soliciting applications from Indian Tribes, which include Alaska Native Regional Corporations and Village Corporations (hereafter referred collectively as "Indian Tribes"), Intertribal Organizations, and Tribal Energy Development Organizations to provide electric power to Tribal Buildings, which otherwise would be unelectrified, by deploying (1) integrated energy system(s) (Topic Area 1) or (2) energy infrastructure (Topic Area 2). For purposes of this Funding Opportunity Announcement (FOA), "unelectrified" means Tribal Buildings that are not connected to (1) the traditional centralized electric power grid, and not connected to (2) an integrated energy system(s) operating independent of the traditional centralized electric power grid.
