Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority

34 U.S.C. 20121

About this OVW program

This program is authorized by 34 U.S.C. § 20121. The Legal Assistance for Victims (LAV) Grant Program (CFDA 16.524) is intended to increase the availability of civil and criminal legal assistance needed to effectively aid adult and youth (ages 11 to 24) victims of domestic violence, dating violence, stalking, or sexual assault by providing funds for comprehensive direct legal services to victims in legal matters relating to or arising out of that abuse or violence. "Legal assistance" is assistance in: a) divorce, parental rights, child support, Tribal, territorial, immigration, employment, administrative agency, housing, campus, education, healthcare, privacy, contract, consumer, civil rights, protection or other injunctive proceedings, related enforcement proceedings, and other similar matters; b) criminal justice investigations, prosecutions, and post-conviction matters (including sentencing, parole, and probation) that impact the victim's safety, privacy, or other interests as a victim; c) alternative dispute resolution, restorative practices, or other processes intended to promote victim safety, privacy, and autonomy, and offender accountability, regardless of court involvement; or d) post-conviction relief proceedings in state, local, Tribal, or territorial court with respect to a conviction of a victim relating to or arising from domestic violence, dating violence, sexual assault, stalking, or sex trafficking victimization of the victim. Intake or referral, by itself, does not constitute legal assistance. 34 U.S.C. § 12291(a)(24)(C) and (D). For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

What's New About this OVW Program

The Violence Against Women Act Reauthorization Act of 2022 revised statutory provisions addressing the LAV Grant Program.

- Legal assistance may be provided to victims in post-conviction relief proceedings in State, local, Tribal or territorial court with respect to a conviction of a victim relating to or arising from domestic violence, dating violence, sexual assault, stalking, or sex trafficking victimization of the victim.
- Legal assistance may be provided in alternative dispute resolution, restorative practices, or other processes intended to promote victim safety, privacy, and autonomy, and offender accountability, regardless of court involvement.
- Legal assistance may be provided by Board of Immigration Appeals (BIA) accredited representatives in immigration proceedings, in Department of Veteran's Affairs (VA) claims by VA authorized representatives, or anyone who functions as an attorney or lay advocate in tribal court, in addition by licensed attorneys.
- The Delivery of Legal Assistance certification requirements have been revised.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Pursuant to 34 U.S.C. §20121(c), funds under this program must be used for one or more of the following purposes:

1. To implement, expand, and establish cooperative efforts and projects between domestic violence, dating violence, and sexual assault victim service providers and legal assistance providers to provide legal assistance for victims of domestic violence, dating violence, stalking, and sexual assault.
2. To implement, expand, and establish efforts and projects to provide legal assistance for victims of domestic violence, dating violence, stalking, and sexual assault by organizations with a demonstrated history of providing direct legal or advocacy services on behalf of these victims.
3. To implement, expand, and establish efforts and projects to provide competent, supervised pro bono legal assistance for victims of domestic violence, dating violence, sexual assault, or stalking, except not more than 10 percent of grant funds may be used for this purpose. (The 10 percent limit is on the funds awarded under the LAV Grant Program overall and is not specific to an individual project.)

OVW Priority Areas

In FY 2023, OVW has five programmatic priorities, of which the priority area(s) identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address one or more areas. Applications proposing activities in the following areas will be given special consideration.

1. Advance racial equity as an essential component of ending sexual assault,

domestic violence, dating violence, and stalking. *To receive priority consideration, the lead applicant must be a culturally specific organization.*

2. Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.

3. Improve outreach, services, civil and criminal justice responses, prevention, and support for survivors of sexual assault, domestic violence, dating violence, and stalking from underserved communities, particularly LGBTQ and immigrant communities. *To receive priority consideration, the lead applicant must be a population specific organization.*

“Culturally specific” means primarily directed toward racial and ethnic minority groups (defined in section 1707(g) of the Public Health Services Act (42 U.S.C. § 300u-6(g)) as American Indian (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians and other Pacific Islanders, Blacks, and Hispanics). 34 U.S.C. § 12291(a)(8).

“Population specific organization” means a nonprofit, nongovernmental organization that primarily serves members of a specific underserved population and has demonstrated experience and expertise providing targeted services to members of that specific underserved population. 34 U.S.C. § 12291(a)(26).

LAV Grant Program Statutory Priorities

Improve the Availability of Legal Services for Sexual Assault Survivors

Pursuant to 34 U.S.C. § 20121(f)(2)(C), not less than 25 percent of funds made available for the LAV Grant Program must be used to support projects focused solely or primarily on providing legal assistance to victims of sexual assault. OVW recognizes the need to place increased focus on sexual assault to address the lack of available direct legal services for survivors of sexual assault and the unique aspects of sexual assault trauma from which survivors must heal.

- Applicants proposing to focus 50 percent or more of their grant-funded activities on intimate and non-intimate partner sexual assault legal services will be given special consideration.
- Applications that are submitted by sexual assault coalitions or by nonprofit, nongovernmental or tribal organizations with the mission or purpose to serve victims of non-intimate partner sexual assault and that propose to focus 80 percent or more of their grant-funded activities on non-intimate partner sexual assault legal services may be prioritized over applications proposing to focus less than 80 percent of grant-funded activities on non-intimate partner sexual assault. In addition, these applicants may apply for larger awards and may be eligible for an additional 24 months of non-competitive funding (see "Award Period and Amounts" for more information).
- Continuation applicants that received 36 months of funding in FY 2020 and continuation applicants that received 24 months of funding in FY 2021 where 80 percent or more of grant funded activities were to support legal services for victims of

non-intimate partner sexual assault may be eligible for non-competitive funding. Applicants eligible for non-competitive funding will be contacted by OVW. Organizations that are not contacted by OVW must submit competitive applications.

Tribal Programs

Pursuant to 34 U.S.C. § 20121(f)(2)(A), not less than three percent of funds made available for the LAV Grant Program must be used for projects that assist adult and youth victims of domestic violence, dating violence, stalking, and sexual assault on lands within the jurisdiction of an Indian tribe. To receive special consideration under this statutory priority, an application must include the percentage of proposed activities that will support services to victims on tribal lands.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Please note that OVW will support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be supported by this program's funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the Solicitation Companion Guide.
2. Representation in tort cases.
3. Child sexual abuse cases (i.e., involving victims under the age of 11).
4. Cases involving the child protection system, unless the child dependency hearing involves allegations relating to or arising out of abuse of the client (rather than abuse of the children).
5. Criminal representation of victims charged with crimes, except for representation in post-conviction relief proceedings with respect to the conviction of a victim relating to or arising from domestic violence, dating violence, sexual assault, or stalking of the

victim.

6. Support of law reform initiatives, including but not limited to litigation.
7. Funds for victim assistance/support unrelated to the provision of legal assistance or legal advocacy (such as transitional housing assistance, therapeutic counseling, hotlines, and rental assistance).
8. The development and/or provision of state or community-wide training. Limited training that directly supports the legal services provided by the project may be provided to grantee staff, project partners, and pro bono attorneys providing representation as part of the grant funded project; however, any training activities will require prior approval from OVW.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to one percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the [Solicitation Companion Guide](#) to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

Awards will be made as grants.

Award Period(s) and Amount(s)

The award period is 36 months for competitive applications, and 24 months for non-competitive applications. Budgets must reflect 36 or 24 months of project activity, and the total "estimated funding" on the SF-424 must reflect 36 or 24 months. OVW anticipates that the award period will start on October 1, 2023.

This program will make awards in the range of \$400,000.00 - \$900,000.00. OVW estimates that it will make up to 45 awards for an estimated \$31,800,000.00.

Funding levels under this program for FY 2023 are:

Note: if funded, at the end of the 36-month award period, these grantees may be eligible to receive 24 months of additional non- competitive funding to continue their projects, provided OVW has sufficient appropriated funds, and the grantee has complied with the fiscal and programmatic requirements of the award.
3. Grantees who have been contacted and told they are eligible for non-competitive funding to continue projects focusing 80 percent or more of their project activities on legal assistance for victims of non-intimate partner sexual assault may request up to \$600,000 for the entire 24-month award period.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Types of Applications

In FY 2023, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under this program or whose previous funding under this program expired on or before February 23, 2022.

Continuation: Applicants that have an existing or recently closed (after February 23, 2022) award under this program. Continuation funding is not guaranteed.

Non-competitive: Applicants with current projects where 80 percent or more of grant funded activities support legal services to victims of non-intimate partner sexual assault (awarded for 36 months in FY 2020 or for 24 months in FY 2021) with a project period end date of September 30, 2023. **Applicants eligible for non-competitive funding will be contacted by OVW.** Organizations that are not contacted by OVW must submit competitive applications.

Recipients of an FY 2022 award, or an FY 2021 award that was for 36 months, are generally NOT eligible to apply as the lead applicant on an FY 2023 LAV Grant Program proposal. Recipients of an FY 2021 or FY 2022 LAV award may apply as the lead applicant if the FY 2023 LAV Grant Program application is for a distinct office that does not serve the same geographic service area as the office that received funding in FY 2021 or FY 2022.

Note: Current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2023, without adequate justification, may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2023.

Mandatory Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored training and technical assistance (TTA).
2. Collection and reporting of performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative](#) webpage.
3. OVW may conduct a program assessment or evaluation necessitating grantee involvement. Therefore, recipients may be expected to dedicate some OVW-funded time and resources to participating in an assessment or evaluation.
4. A new grantee orientation, unless exempted by OVW.

Eligibility Information

Eligible Applicants

Pursuant to 34 U.S.C. § 20121(c), the following entities are eligible to apply for this program:

1. Private nonprofit entities.
2. Indian tribal governments, including tribal consortia. A “tribal government” is the governing body of an Indian tribe or a tribe, band, pueblo, nation, or other organized group or community of Indians, including any Alaska Native village or regional or village corporation (as defined in, or established pursuant to, the Alaska Native Claims Settlement Act (43 U.S.C. §§ 1601 et seq.)), that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. 34 U.S.C. § 12291(a)(43).
3. Tribal organizations. A “tribal organization” is the governing body of any Indian tribe; any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body of a tribe or tribes to be served, or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of Indians in all phases of its activities; or any tribal nonprofit organization. 34 U.S.C. § 12291(a)(45). A “tribal nonprofit organization” is a victim services provider that has as its primary purpose to assist Native victims of domestic violence, dating violence, sexual assault, or stalking; and that has staff and leadership with a demonstrated history of assisting American Indian or Alaska Native victims of domestic violence, dating violence, sexual assault, or stalking. 34 U.S.C. § 12291(a)(44).

5. Publicly funded organizations, not acting in a governmental capacity, such as law schools.

Faith-Based and Community Organizations

Faith Based and community organizations, including culturally specific organizations, tribal organizations, and population specific organizations, that meet the eligibility requirements are eligible to receive awards under this solicitation (see “Faith-Based Organizations” on the [OVW website](#) for more information).

Ineligible Entities and Disqualifying Factors

Applications submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding. In addition, an application deemed deficient in one or more of the following categories may not be considered for funding: 1. activities that compromise victim safety, 2. out-of-scope activities, 3. unallowable costs, 4. pre-award risk assessment, 5. completeness of application contents, and 6. timeliness. Failure to comply fully with all applicable unique entity identifier and SAM requirements (see Application and Submission section for more information on these requirements) will result in removal from consideration. An applicant with past performance issues, long-standing open audits, or an open criminal investigation also may not be considered for funding.

Note: Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from this program. See 34 U.S.C. § 12291(b)(15)(B)(ii).

Cost Sharing or Matching

This program has no matching or cost-sharing requirement.

Other Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applicants for this program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2023 solicitation.

Certifications must take the form of a letter, on letterhead, signed, and dated by the authorized representative. Failure to provide required certifications may disqualify an application from further consideration. At a minimum, an application missing the required certification letter will be required to submit a certification letter prior to receiving an award. The signed certification letter must be uploaded as a separate attachment in JustGrants. Sample certification letters can be found on the [OVW website](#).

Delivery of Legal Assistance Certification

Pursuant to 34 U.S.C. § 20121(d), to be eligible for an award, any recipient or subrecipient providing legal assistance with funds awarded under this program must certify in writing that:

1. any person providing legal assistance with funds through this program – (A)(i) is a licensed attorney or is working under the direct supervision of a licensed attorney; (ii) in immigration proceedings, is a Board of Immigration Appeals accredited representative; (iii) in Veterans' Administration claims, is an accredited representative; or (iv) is any person who functions as an attorney or lay advocate in Tribal court; and (B)(i) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or (ii) (I) is partnered with an entity or person that has demonstrated expertise described in clause (i); and (II) has completed, or will complete, training in connection with domestic violence, dating violence, stalking, or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide;
2. any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a tribal, state, territorial, local, or culturally specific domestic violence, dating violence, sexual assault or stalking victim service provider or coalition, as well as appropriate tribal, state, territorial, and local law enforcement officials;
3. any person or organization providing legal assistance with funds through this program has informed and will continue to inform state, local, or tribal domestic violence, dating violence, or sexual assault programs and coalitions, as well as appropriate state and

- local law enforcement officials of their work; and
4. the grantee's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, domestic violence, dating violence, stalking, or child sexual abuse is an issue.

Required Partnerships

An application must include a nonprofit, nongovernmental, or tribal organization with the mission or purpose of providing services to victims of domestic violence, dating violence, sexual assault, or stalking. Nonprofit organizations include culturally specific and population specific organizations serving underserved communities. The organization serving as the required partner may be a larger multi-service organization that does not solely address domestic violence, dating violence, sexual assault, or stalking but which has a distinct division or program that has the mission or purpose of serving victims of these crimes. Additional documentation of the required expertise must be provided through either a Memorandum of Understanding (MOU) or a Memorandum of Exemption (MOE) (see MOU/MOE requirements section).

Tribal Consortia

If the applicant is a tribal consortium, the applicant must submit documentation of authority to apply in the form of a resolution or legal equivalent from each tribal consortia member, unless existing consortia bylaws or other tribal governance documents allow action without explicit authorization from the member tribes in the consortium. In that case, the tribal consortium must submit a resolution, letter, affidavit, or other documentation, as appropriate, that certifies that the tribal consortium has the legal authority to apply for grants under this solicitation on behalf of the consortium. This documentation must be current, be sufficient to demonstrate authority for the application, contain applicable authorizing signature(s), and be submitted by the application's due date. If applicable, a copy of the bylaws or other governance documents that allow the tribal consortium's action without explicit authorization from all consortium members must be included with this documentation.

Limit on Number of Applications

OVW will consider only one application per organization for the same service area. In addition, if an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 in Grants.gov. The SF-424 is generated when the applicant begins the submission process in Grants.gov. For Type of Applicant (box 9), do not select "Other". The amount of federal funding requested in the "Estimated Funding" section of this form (box 18a) must match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as "**Authorized Representative**" (box 21) must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of state [Single Points of Contact](#) (SPOC) under Intergovernmental Review. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state's process under E.O. 12372. In completing the SF-424, such an applicant is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: "Program is subject to E.O. 12372 but has not been selected by the state for review."

Disclosure of Lobbying Activities (SF-LLL)

All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov before beginning the application process in JustGrants. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL.

Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

Standard Applicant Information (JustGrants 424 and General Agency Information)

This section in the JustGrants application is pre-populated with the SF-424 data submitted

in Grants.gov. Applicants are required to review the Standard Applicant Information and make edits as needed, confirm the Authorized Representative, verify the legal name and address, and enter the ZIP code(s) for the areas affected by the project.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Applicants must not summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

Applicants are strongly encouraged, but not required, to use the following template for the abstract:

Through this [Choose one: new or continuation] Legal Assistance for Victims project, [Applicant Legal Name], [if applicable] in partnership with [list MOU Partners], will provide [list legal services to be provided] to [identify geographic service area and/or target population]. [If applicable] The project will address the following priority area(s) [Priority Area 1: Advancing Racial Equity; Priority area 2: Increasing legal services to victims of sexual assault; Priority Area 3: Underserved Communities]. [If applicable] The following products will be developed during the project period: [list products that are anticipated].

Data Requested with Application

All applicants must complete and submit, as an attachment, the Pre-Award Risk Assessment and the Summary Data Sheet in JustGrants. These documents are not scored.

Pre-Award Risk Assessment

Each applicant must respond to each question. Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed in the questionnaire. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the

- applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
 4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
 5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
 6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
 7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
 8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
 9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
 10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
 11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the name(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk

designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Summary Data Sheet

The Summary Data Sheet must be uploaded as an attachment in JustGrants and should be one to four pages in length (single or double spaced). The Summary Data Sheet does not count toward the 20-page limit for the Proposal Narrative. Several of the items below are required for every applicant for OVW funding and therefore may not be obviously relevant or specifically drafted for this program. - 2) Statement as to whether the applicant (the organization whose unique entity identifier/ DUNS number is being used for the application) will serve as a fiscal agent. A fiscal agent is an entity that does not participate in implementation of the project and passes all funds through to subrecipients, conducting only administrative activities. If this is the case, the applicant must include a statement acknowledging that, should an award be made, the applicant will be responsible for all applicable statutory, fiscal, and programmatic requirements, including those of 2 CFR Part 200, as well as all project deliverables. - 6) Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. For additional information about the safe-harbor procedure, see Disclosure of Process Related to Executive Compensation in the Budget and Associated Documentation section of this solicitation.

Note: Applicants that use the safe-harbor procedure must upload the required Disclosure of Process Related to Executive Compensation in the Budget/

Financial Attachments section of JustGrants.

- 14) Statement as to whether any proposed project partner(s)/subrecipient(s) on this application is also a recipient, or partner/subrecipient, on a current grant or another pending application for this grant program. If so, the applicant is required to provide the following information on the relevant project partner(s)/subrecipient(s):
 - o Partner/subrecipient name

- 15) Statement as to whether the application proposes to address the following OVW Priority Area: Advance racial equity as an essential component of ending sexual assault, domestic violence, dating violence, and stalking.
 - Provide the mission statement of the lead applicant for the purpose of demonstrating that the lead applicant is a culturally specific organization.
- 16) Statement as to whether the application proposes to address the following OVW Priority Area: Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.

- Stalking

Proposal Narrative

The Proposal Narrative may not exceed 20 pages (15 pages for non-competitive applications), double-spaced, and reviewers will not read beyond this page limit. The Proposal Narrative must include the three sections below. The total point value for the proposal narrative section is **(60 points)**. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Purpose of the Proposal (10 points)

Note: Non-competitive applications are only required to address the first item of this section.

This section must:

1. Describe the communities in the service area, including, but not limited to, traditionally underserved populations, such as communities of color, individuals with disabilities, individuals who are Deaf or hard of hearing, persons with limited English proficiency, older adults, and LGBTQ+ communities. (This question must be answered by all applicants.)
2. Describe the geographic location of the service area.
3. If the applicant is proposing to provide legal services exclusively in Indian Tribal courts and does not plan to include a licensed attorney on the project, describe the representation services lay advocates are authorized to provide in the court where services will be provided.
4. Describe the challenge or need faced by the community.
5. Describe the current legal services available to victims of domestic violence, dating

violence, sexual assault, or stalking in the jurisdiction, and the gaps in those services in the proposed service area.

Competitive applicants proposing to address the LAV Grant Program sexual assault priority (inclusive of projects addressing 50 percent or more sexual assault and 80 percent or more non-intimate partner sexual assault) must also:

1. Describe the problem of sexual assault (both intimate and non-intimate partner) in the proposed service area (include local statistics/data, whenever possible).
2. Describe the available legal services for victims of sexual assault in the proposed service area, and the gaps in those services.
3. Describe the barriers victims of sexual assault experience when attempting to access support and legal services in the proposed service area.

What Will Be Done (30 points)

Note: **Non-competitive applications** must address **all** criteria included in this section.

The application must provide a clear link between the proposed activities and the need identified in the "Purpose of the Proposal" section above. The application must not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. Describe how proposed activities would address the need identified in the Purpose of the Proposal section above.
2. Identify measurable goals and objectives for the proposed project.
3. Describe the specific tasks and activities necessary for accomplishing all stated goals and objectives.
4. Describe how the proposed activities will protect victim confidentiality.
5. Include a timeline for the proposed project that identifies when the tasks and activities will be accomplished within the 36-month grant period.
6. Include a supervision and mentoring plan for grant-funded attorneys (attorneys with less than five years of experience must be supervised by an attorney).
7. For projects that will include legal services provided by BIA accredited representatives, VA authorized representatives, or people who function as attorneys or lay advocates in Tribal court, include a supervision and mentoring plan for those representatives/advocates.
8. If applicable, describe any products that will be generated using grant funds and how these products will be used to address the legal needs of victims of domestic violence, dating violence, sexual assault, or stalking. Product development is not required as some communities would not benefit from the development of new products.
9. Explain how the project will address any victim safety concerns that may arise from the use of technology, such as confidentiality, safety planning, and informed consent.
10. For projects that will include BIA accredited or VA authorized representatives, describe how the representatives will coordinate with the required attorney to ensure comprehensive services are available to victims served by the project.

11. Describe how the proposed project will address the unique needs of the traditionally underserved populations identified in the Purpose of the Proposal section above.
12. Describe how the proposed project will be fully accessible to individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency.
13. Describe how survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) have been consulted to inform or otherwise contributed to the development of the proposed project and/or will be consulted as the project is implemented.

Applicants proposing to address the LAV Grant Program sexual assault priority (inclusive of projects addressing 50 percent or more sexual assault and 80 percent or more non-intimate partner sexual assault) must also:

1. Describe the legal services that will be provided to victims of sexual assault with LAV Grant Program funding.
2. Describe any proposed outreach efforts to victims of sexual assault regarding the comprehensive legal sexual assault services that will be provided by the proposed project.
3. Provide, for the lead applicant and project partner(s), (1) the number of victims of intimate partner sexual assault served in the past 12 months, (2) the number of victims of non-intimate partner sexual assault served in the past 12 months, and (3) information on the types of legal support provided to survivors of intimate and non-intimate partner sexual assault.

Who Will Implement the Proposal (20 points)

Note: Non-competitive applications must address **all** criteria in this section.

This section must:

1. Identify the key individuals and organizations, including project partners, involved in the proposed project.
2. Demonstrate that the individuals and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities; attach job descriptions of all key personnel.
3. Identify the required nonprofit, nongovernmental or tribal organization with the mission or purpose to serve victims of domestic violence, dating violence, sexual assault, or stalking. This can be either the lead applicant or a project partner.
4. If the required organization (either the applicant or partner) with the mission or purpose to serve victims of domestic violence, dating violence, sexual assault, or stalking is a larger, multi-service organization that does not solely address one or more of these crimes, describe the distinct or designated division or program within the larger organization that focuses on serving victims of these crimes.
5. Identify the attorney(s) who will provide representation on the project, and the number of years of experience each attorney has providing representation to victims of domestic violence, dating violence, sexual assault, or stalking. If the attorney(s) have yet to be identified, include the qualifications that will be required for the position(s).

Identify whether the attorney(s) providing representation will be staff at either the lead applicant or partner organization or will be hired on a contract basis. **All LAV grant-funded projects must include in the budget funding for an attorney to provide representation, except for projects that propose to provide legal services exclusively in Indian Tribal Courts where lay advocates are permitted to provide representation.**

6. For projects that will provide legal services only in Tribal court(s) where lay advocates are permitted to provide representation, identify the advocate(s) who will provide legal services on the project, and the number of years of experience each advocate has providing legal services to victims of domestic violence, dating violence, sexual assault, or stalking. If the advocate(s) have yet to be identified, include the qualifications that will be required for the position(s).
7. For projects that will include BIA or VA representatives, identify the representative(s), and describe the representative(s) experience providing legal services to victims of domestic violence, dating violence, sexual assault, or stalking.

Applicants proposing to address the LAV Grant Program sexual assault priority (inclusive of projects addressing 50 percent or more sexual assault and 80 percent or more non-intimate partner sexual assault) must also:

- Detail the experience and expertise of staff from the lead applicant and/or project partners in providing legal services to victims of non-intimate partner sexual assault.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below under each heading. OVW strongly encourages the use of a spreadsheet (e.g., excel, numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **20** points and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Attach in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the [OVW website](#). Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

Budgets for competitive applications must cover a period of 36 months. Budget requests should not exceed \$750,000 with the exception of applicants proposing to focus 80 percent

or more of grant-funded activities on legal services for victims of non-intimate partner sexual assault, who may request up to \$900,000.

Budgets for noncompetitive applications must cover a period of 24 months. Budget requests should not exceed \$600,000.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the sample Budget Detail Worksheet on the [OVW website](#).
3. Include sufficient funds to fully provide language access or describe other resources available to the applicant to ensure meaningful access for persons who are limited in their English proficiency because of their national origin. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
4. Include sufficient funds to fully provide access for individuals with disabilities or who are Deaf/hard of hearing or describe other resources available to the applicant to ensure meaningful access for such individuals. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
5. Compensate survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) who participate as consultants, in an advisory capacity, in focus groups, or in other work activities.
6. Include funds to attend OVW-sponsored TTA in the amount of **\$12,000 for competitive applicants and \$8,000 for non-competitive applicants** located in the 48 contiguous states and **\$18,000** for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months or 24 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
7. Include funds to pay attorneys providing legal services to victims of domestic violence, dating violence, sexual assault, or stalking as either staff of the lead applicant or project partner, or through a contract to provide legal services to victims served by the project. This requirement does not apply to projects proposing to provide services exclusively in an Indian Tribal Court where lay advocates are permitted to provide representation.
8. Include funds for court/litigation costs for clients who cannot afford to pay those costs (e.g., filing fees, immigration fees, expert witness fees, and other fees associated with the representation).
9. In a separately attached document, provide the standard salary range for staff positions included in the budget for the geographic service area, the expected salary for the positions in the budget, and information on how salaries in the budget were

determined.

10. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the [OVW website](#).

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](#).

Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets.

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the conference.

Recipients must receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Examples of when OVW might grant such approval include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food

- establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
 3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
 4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments that receive more than \$35 million in direct federal funding per year) that do not have a current negotiated (including provisional) rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later

time.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the [OVW website](#).

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines

compensation).

Supporting Documents

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities among two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU is worth a total of **20** points. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample MOU is available on the [OVW website](#).

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship.
2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. Demonstrate how the proposed partnership can address the needs of the traditionally underserved population(s) identified in the Purpose of the Proposal section.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time for federal funding must complete a multi-step registration process. Applicants must register with the systems listed below to successfully submit an application.

1. SAM. Registration with SAM includes receiving a UEI. (**Average registration completion time – 2-3 weeks**)
2. Grants.gov (**Average registration completion time – 1 week**)
3. JustGrants. Registration with SAM and Grants.gov must be completed before an applicant can register with JustGrants. (**Average registration completion time – 3 days**)

Note: registration time frames are estimates. Applicants experiencing registration challenges (including lengthy registration wait times) should refer to the “OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.”

Please see the [Solicitation Companion Guide](#) for additional details regarding SAM, Grants.gov, and JustGrants registration.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the responsibility of the applicant to ensure that they are properly registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by January 31, 2023. Failure to do so may result in the application being removed from consideration for funding.

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

Additionally, applicants experiencing technical difficulties with any of the systems listed above during the registration, account update, or application submission processes should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL)

and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: the Grants.Gov deadline is 2 days before the JustGrants application deadline.** If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the JustGrants application deadline.** Applicants experiencing technical difficulties during the application submission process should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster section of this solicitation.

Submission Information and Other Submission Requirements

Applications will be submitted to OVW in two steps:

Step 1: The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov - <https://www.grants.gov/web/grants/forms/sf-424-family.html>.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at JustGrants.usdoj.gov. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OVW encourages applicants to review the [Solicitation Companion Guide](#) and the JustGrants website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control (e.g., JustGrants login issue, issue with the web-based budget). OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Notify this program, via email at OVW.LAV@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at OVW.LAV@usdoj.gov.

4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify this program via email at OVW.LAV@usdoj.gov before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant must email the complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU/MOE and all documentation supporting the technical difficulty to this program at OVW.LAV@usdoj.gov by **9:00 p.m. E.T. on February 23, 2023.**

Technical difficulties while applying in JustGrants

1. Contact the OVW JustGrants Help Desk at OVW.JustGrantsSupport@usdoj.gov prior to the JustGrants deadline.
2. Maintain documentation of all communication with the OVW JustGrants Help Desk.
3. Actively work with the OVW JustGrants Help Desk to attempt to resolve the technical difficulty.
4. Contact this program, via email at OVW.LAV@usdoj.gov, prior to the JustGrants deadline (**9:00 p.m. E.T. on February 23, 2023**), indicating the applicant is experiencing technical difficulties with JustGrants and would like permission to submit an application via email. The email must include the following:
 - A detailed description of the technical difficulty the applicant is experiencing.
 - The contact information (name, telephone, and email) for the individual making the request.
 - The applicant's UEI number.
 - JustGrants application numbers and User Support tracking numbers.
 - The complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU/MOE).

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

OVW will only accept applications after **9:00 pm ET on February 23, 2023** in cases of severe inclement weather or natural or man-made disaster. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at OVW.LAV@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g.,

without power for “x” days, office closed for “x” days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.

2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the LAV Grant Program, scoring will be as follows:

1. Proposal narrative: (60) points, of which:
 - A. Purpose of the proposal: (10) points.
 - B. What will be done: (30) points.
 - C. Who will implement the proposal: (20) points.
2. Budget worksheet and budget narrative: (20) points.
3. MOU/MOE: (20) points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Competitive applications will be subject to a peer review and a programmatic review. Non-competitive applications will be subject to programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, [external reviewers](#), or a combination of both.

OVW Peer reviewers may include victim advocates, judges, prosecutors, police officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with individuals with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority of peer reviewers are active practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by individuals with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration entirely regardless of the application's peer review score.**

Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.
7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.

9. Timely resolution of issues necessary to close out prior awards.
10. Timely resolution of issues identified during financial monitoring.
11. Timely response to OVW requests.
12. Development of deliverables that support the project goals and objectives and are of acceptable quality.
13. Implementation of the project as designed without unjustified modification.
14. Timely submission of federal financial reports (FFR).
15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM (currently the Federal Award Performance and Integrity Information System or FAPIIS until on or around Dec. 12, 2022). Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2023.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all

sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

Terms and conditions for OVW awards are available on the [OVW website](#). These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency because of their national origin have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to individuals with disabilities, including those with physical or cognitive disabilities, as well as those who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are fully accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Appropriate performance report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in FAPIIS,

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
