With this solicitation, BJA seeks to provide financial and technical assistance to states, state courts, local courts, units of local government, and federally recognized Indian tribal governments to plan, implement, and enhance the operations of adult treatment courts. Adult treatment courts effectively integrate evidence-based substance use disorder treatment, mandatory drug testing, incentives and sanctions, and transitional services in judicially supervised criminal court settings that have jurisdiction over persons with substance use disorder treatment needs in order to reduce recidivism, increase access to treatment and recovery support, and prevent overdose.
