Description:

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

With this solicitation, BJA seeks to provide financial and technical assistance to states, state courts, local courts, units of local government, and federally recognized Indian tribal governments to plan, implement, and enhance the operations of veterans treatment courts (VTCs). Veterans treatment courts effectively integrate evidence-based substance use disorder treatment, mandatory drug testing, incentives and sanctions, and transitional services in judicially supervised criminal court settings that have jurisdiction over veterans with substance use disorder treatment needs in order to reduce recidivism, increase access to treatment and recovery support, and prevent overdoses. Samples of previous, successful applicants can be found at Veterans Treatment Court Grant Program
