ADDITIONAL INFORMATION

Agency Name: Environmental Protection Agency

Description:

EPA is issuing this solicitation to request applications for projects supporting community-based nonprofit organizations (CBOs) in their efforts to collaborate and partner with other stakeholders (e.g., local businesses and industry, local government, medical service providers, academia, etc.) to develop solutions that will significantly address environmental and/or public health issue(s) in communities disproportionately burdened by environmental harms and risks. These projects will help transform disadvantaged and underserved communities into healthy, thriving communities capable of addressing the environmental and public health challenges they have historically faced, as well as current and future challenges.
