ADDITIONAL INFORMATION

Agency Name: Administration for Children and Families-IOAS-OTIP

Description: MODIFICATION: This forecast has been updated to reflect a revised fiscal year and project period. This NOFO will be funded using FY 24 funds, with a 10/01/2023-09/30/2028 project period. These are the only changes to this forecast. The Office on Trafficking in Persons (OTIP) within the Administration for Children and Families (ACF) is announcing funding for the Domestic Victims of Human Trafficking Services and Outreach (DVHT- SO) Program. The goal of the DVHT-SO Program is to fund organizations that will build, expand, and sustain organizational and local capacity to deliver services to domestic victims of severe forms of human trafficking as defined by the Trafficking Victims Protection Act (TVPA) of 2000, as amended through victim outreach, identification, case management, direct services, assistance, and referrals. Under the DVHT-SO Program, the following activities are required: 1) comprehensive case management and services to adults and children who have experienced human trafficking; and 2) outreach to increase identification of adults and children who have experienced sex and labor trafficking. The DVHT-SO Program is informed by a whole-family approach that focuses equally and intentionally on services and opportunities for individuals who have experienced human trafficking and their immediate family members living within their households. OTIP encourages community partnerships, meaningful engagement of individuals who have experienced human trafficking, and hiring qualified professionals from the communities being served under the DVHT-SO Program. Recipients will undergo a 12-month project implementation period to establish partnerships, on-board new staff, and develop a victim service protocol and a sustainability plan. Clients must receive direct services and assistance through the DVHT-SO Program during the 12-month project implementation period. In addition, there is a statutorily mandated 25 percent match (cash or in-kind) requirement for each budget period.
