Description:

The Fiscal Year (FY) 2023 Tribal Homeland Security Grant Program (THSGP) is one of three grant programs that support DHS/FEMA's focus on enhancing the ability of state, local, tribal, and territorial governments, as well as nonprofit organizations, to prevent, prepare for, protect against, respond to, and recover from terrorist attacks. These grant programs are part of a comprehensive set of measures authorized by Congress and implemented by DHS to help strengthen the nation's communities against potential terrorist attacks. Among the five basic homeland security missions noted in the DHS Strategic Plan, the THSGP supports the goal to Strengthen National Preparedness and Resilience. The 2022-2026 FEMA Strategic Plan outlines three bold, ambitious goals in order to position FEMA to address the increasing range and complexity of disasters, support the diversity of communities we serve, and complement the nation's growing expectations of the emergency management community. The THSGP supports FEMA's efforts to achieve equitable outcomes for those we serve (Goal 1.3), as well as to promote and sustain a ready FEMA and prepared nation (Goal 3). We invite our stakeholders and partners to also adopt these priorities and join us in building a more prepared and resilient nation.
