ADDITIONAL INFORMATION

Agency Name: Environmental Protection Agency

Description:

To address hazardous waste management issues, EPA is responsible for implementing the Resource Conservation and Recovery Act (RCRA) Subtitle C program, 42 U.S.C 6901, et seq. The RCRA Subtitle C program is a comprehensive effort to ensure that hazardous waste is managed safely from “cradle to grave” from the moment it is generated; while it is transported, treated, or stored; until it is finally re-used or disposed of in a safe manner. This grant program will support projects designed to develop and implement hazardous waste management programs. These programs must improve the applicant’s ability to properly identify, manage, or dispose of hazardous waste.
