Additional Information on Eligibility: To be eligible for this funding opportunity an applicant must be one of the following, as defined by 25 U.S.C. 1603: • A federally recognized Indian Tribe as defined by 25 U.S.C. 1603(14). The term "Indian Tribe" means any Indian Tribe, band, nation, or other organized group or community, including any Alaska Native village or group, or regional or village corporation, as defined in or established pursuant to the Alaska Native Claims Settlement Act (85 Stat. 688) [43 U.S.C. 1601 et seq.], which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. • A Tribal organization as defined by 25 U.S.C. 1603(26). The term "Tribal organization" has the meaning given the term in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304(l)): "Tribal organization" means the recognized governing body of any Indian Tribe; any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of Indians in all phases of its activities: provided that, in any case where a contract is let or grant made to an organization to perform services benefiting more than one Indian Tribe, the approval of each such Indian Tribe shall be a prerequisite to the letting or making of such contract or grant. Applicant shall submit letters of support and/or Tribal Resolutions from the Tribes to be served. • An Urban Indian organization, as defined by 25 U.S.C. 1603(29). The term "Urban Indian organization" means a nonprofit corporate body situated in an urban center, governed by an urban Indian controlled board of directors, and providing for the maximum participation of all interested Indian groups and individuals, which body is capable of legally cooperating with other public and private entities for the purpose of performing the activities described in 25 U.S.C. 1653(a). Applicants must provide proof of nonprofit status with the application, e.g., 501(c)(3).

ADDITIONAL INFORMATION

Agency Name: Indian Health Service

Description:

This is only a forecast. The synopsis and application package are not yet posted, and we have not yet finalized the application due date. This opportunity will be updated when it is published in the Federal Register.

The purpose of the Community Overdose Intervention Prevention Program is to provide culturally appropriate prevention, intervention, treatment, and recovery services for American Indian and Alaska Native (AI/AN) communities with opioid use disorder or have a history of overdose. The impact of opioids and overdoses (from opioids and polysubstance use) has been exacerbated by the COVID-19 epidemic and manufacturing of unscheduled substances like xylazine into opioids, methamphetamine, cocaine, marijuana, and more.
