**Agency Name:** Environmental Protection Agency

---

**Description:**

The Environmental Education Grant Program is seeking applications from eligible applicants to support locally-focused environmental education projects that promote environmental stewardship and help develop knowledgeable and responsible students, teachers, and community members. This grant program provides financial support for projects that design, demonstrate, and/or disseminate environmental education practices, methods, or techniques that increase public awareness and knowledge about local environmental issues and provides participants in its programs the skills necessary to make informed decisions and to take responsible actions toward the environment.
