Description: This forecasted funding opportunity will be the second in an anticipated series of Forest Landowner Support programming. Forest Landowner Support programs are funded by Inflation Reduction Act (IRA) provisions (Public Law No: 117-169. Subtitle D, Sec. 23002(a), Competitive Grants for Non-Federal Forest Landowners). These programs fall under the authorities of the USDA Forest Service's existing Landscape Scale Restoration Program, as authorized under Section 13A of the Cooperative Forestry Assistance Act of 1978 (16 U.S.C. 2109a). This forecasted funding opportunity will solicit proposals for IRA provision Subtitle D, Sec. 23002 (a)(2) and (a)(3) which provide the USDA Forest Service with funding to support the participation of underserved and small-acreage forest landowners in emerging private markets for climate mitigation or forest resilience.
