## Additional Information

**Agency Name:** Centers for Disease Control - NCCDPHP

**Description:** Partner Promotion of Strategies to Advance Oral Health Equity is a three-year competitive announcement that continues the Centers for Disease Control and Prevention's (CDC) investment in supporting oral health programs. This Funding Opportunity Announcement aims to support recipients of CDC-RFA-DP-24-0048 (State Promotion of Strategies to Advance Oral Health Equity) to prevent and control oral diseases and related conditions among priority populations. Applicants may apply for Component 1, Component 2, or Component 3 separately or a combination of two or more. For all Components, the funded recipient(s) will work closely with staff from CDC's Division of Oral Health and all awardees of CDC-RFA-DP-24-0048. Under Component 1, the recipient will provide awardees with community water fluoridation; evidence-based preventive dental services; and oral health equity – technical assistance, training, and subject matter expertise. Under Component 2, the recipient will provide awardees with – technical assistance, training, and subject matter expertise related to oral health Infection Prevention and Control. Under Component 3, the recipient will provide awardees with oral health surveillance and evaluation technical assistance and assess efforts to reach priority populations. The proposed program will follow and build upon the Notice of Funding Opportunity for DP18-1811 [FY2018-FY2023].
