Description: The U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), Bureau of Justice Assistance (BJA) seeks applications for funding. OJP is committed to advancing work that promotes civil rights and equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community. With this solicitation, BJA seeks to provide financial and technical assistance to states, state courts, local courts, units of local government, and federally recognized Indian tribal governments to plan, implement, and enhance the operations of adult treatment courts including management and service coordination for treatment court participants, fidelity to the adult treatment court model, and recovery support services. Adult treatment courts effectively integrate evidence-based substance use disorder treatment, mandatory drug testing, incentives and sanctions, and transitional services in judicially supervised criminal court settings that have jurisdiction over persons with substance use disorder treatment needs to reduce recidivism, increase access to treatment and recovery support, and prevent overdose. This program furthers the DOJ's mission to uphold the rule of law, to keep our country safe, and to protect civil rights.
