Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses that provide services to victims and hold offenders accountable.

About this OVW Program

This program is authorized by annual appropriations acts.

The Children and Youth (CY) Program solicitation is one of two solicitations issued under the Children and Youth and Engaging Men (CYEM) Program (CFDA# 16.888). The other program solicitation is the Grants to Engage Men and Boys as Allies in the Prevention of Violence Against Women and Girls (EM) Program. Applicants interested in developing projects to engage men and boys as allies should submit a proposal under the OVW Fiscal Year (FY) 2024 EM solicitation. Applicants and project partners that apply to both CY and EM grant programs are only eligible to receive one award. The CY Program supports comprehensive, community-based efforts to develop or expand prevention, intervention, treatment, and response strategies to address the needs of children and youth impacted by domestic violence, dating violence, sexual assault, stalking, and sex trafficking.

For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

What's New About this OVW Program

- In FY 2024, pursuant to changes in the reauthorization of VAWA in 2022, funds may be used to “develop, enlarge, or strengthen culturally specific victim services and responses related to, and prevention of, female genital mutilation or cutting” (FGM/C) as part of project activities to address a CY purpose area.
- In FY 2024, legal services are fundable activities.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Funds under this program must be used for one of the following purposes (see the Program Requirements section below for lists of required activities under each purpose area):

1. Providing services and Training to Address Children Exposed to Domestic Violence, Dating Violence, Sexual Assault, Stalking, and Sex Trafficking (within ages 0-10).
2. Creating Safer Communities for Youth: Prevention, Intervention, Treatment, and Response Services for Youth Impacted by Domestic Violence, Dating Violence, Sexual Assault, Stalking, and Sex Trafficking (within ages 11-24).
3. Providing School-Based Services: Prevention, Intervention, and Response to Dating Violence, Sexual Assault, Stalking, and Sex Trafficking (within ages 5-19).

OVW Priority Areas

In FY 2024, OVW has four programmatic priorities. The two OVW programmatic priorities identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address a priority area. Applicants that state that they are addressing a priority area and meet the criteria for that priority area will be given special consideration.

1. Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking by improving outreach, services, civil and criminal justice responses, prevention, and support for survivors disproportionate rates or impacts of violence and multiple barriers to services, justice, and safety.

To receive consideration under this priority, the applicant or its partner must be (1) a tribal government, (2) an organization in the U.S. territories, or (3) an organization that has a demonstrated and distinctive history of using culturally appropriate and linguistically specific strategies to serve communities that have been historically marginalized and face barriers to accessing mainstream systems and service providers. At a minimum, to meet the priority, an applicant in the third category should describe these barriers and how the applicant or partner builds on the unique help-seeking strategies and sources of resilience found in its historically marginalized community. In addition, an applicant may provide data regarding disproportionate rates or impact of violence in its community.

2. Expand economic justice and financial advocacy for survivors of sexual assault, domestic violence, dating violence, and stalking, including as a tool for violence prevention.

To meaningfully address this priority, the applicant must be or partner with a community-based organization that aims to improve the economic and financial status of homeless, runaway, foster care, and emancipated youth victims of domestic violence, dating violence, sexual assault, stalking, and sex trafficking, such as support in accessing education, building academic skills, and completing educational credentials; developing the skills to seek and secure employment; learning to manage a personal or household budget and access adequate housing.

In addition to the OVW programmatic priorities above, the CY Program has the following program-specific priority area:

In response to the widespread and increasing harm posed by the distribution of non-consensual intimate images, deep fakes, online enticement, sextortion, cyberstalking, and other forms of technology-facilitated abuse, the CY Program has identified the prevention of

technology-facilitated abuse as a program-specific priority. Special consideration will be given to applications that meaningfully address this priority.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to avoid responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. OVW may support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program and do not compromise victim safety. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be funded under this program. See also the list of unallowable costs in the [Funding Restrictions](#) section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined by 28 C.F.R. § 46.102(d) as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. However, assessments conducted for internal improvement purposes only (see Limited Use of Funds below) may not be considered “research” as defined above. For information on distinguishing between research and assessments, see the [Solicitation Companion Guide](#).
2. Child Protective Service Investigations: Grant funds may not be used to support child protective service investigations of abuse or neglect.
3. Supervised Visitation or Exchange: Grant funds may not be used to support supervised visitation or exchange services.
4. Perpetrator Services: Grant funds may not be used to provide support services for perpetrators of domestic violence, dating violence, sexual assault, or stalking, such as counseling, batterer intervention, or anger management.
5. Sexual Harassment, Bullying, and Hazing: Grant funds may not be used to develop or provide training, products, or policies that focus on sexual harassment, bullying, or hazing outside the context of grantees’ work to prevent domestic violence, dating violence, sexual assault, stalking, or sex trafficking.
6. Substance Abuse: Grant funds may not be used to implement prevention programs that focus primarily on alcohol and substance abuse outside the context of grantees’ work to prevent domestic violence, dating violence, sexual assault, stalking, or sex trafficking.
7. Ceremonies, Celebrations, and Entertainment: Grant funds may not be used to support award ceremonies, class graduations and other celebratory events, or the purchase of tickets for entertainment activities such as sporting events, movies, concerts, or museums.
8. Athletics: Grant funds may not be used to support an individual’s or group of individuals’ participation on athletic teams or events, including full-time salaries for individuals who serve as coaches or leaders of athletic teams.
9. Technical Assistance (TA): Grant funds may not be used for the provision of TA to other entities.

10. Trademarks: Grant funds may not be used to research, apply for, or register trademarks.
11. Service Area: Grant funds may not be used to conduct or support regional or statewide activities or projects.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to three percent of grant award funds to conduct an assessment for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research. The [Solicitation Companion Guide](#) also provides additional information on federal requirements related to research, assessments, and surveys.

In addition, no more than 10 percent of the grant award may be used for (1) supplemental services, such as childcare, transportation assistance, clothing, or hygiene products, or (2) media purchases (billboards, bus/subway advertisements, and/or radio/TV public service announcements, online media, etc.).

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, regardless of the survey's purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds as well as any modifications or additional requirements imposed by law. There is no guarantee that funds will be available in the future. Depending on availability of funding and an applicant's merit, OVW may elect to make awards for a future fiscal year if an application is not selected under this solicitation.

Type of Award

Awards will be made as grants.

Award Period and Amount

The award period is 36 months. Budgets, including the total "estimated funding" on the SF-424, must reflect 36 months of project activity. OVW anticipates that the award period will start on October 1, 2024.

This program typically makes awards up to \$500,000. OVW estimates that it will make up to 19 awards for an estimated \$9,500,000.

Awards under this program for FY 2024 will be made for up to \$500,000.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants before making an award or after an award is made but prior to access to funds.

Types of Applications

In FY 2024, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under this program or whose previous funding under this program expired on or before March 28, 2023.

Continuation: Applicants that have an existing or recently closed (after March 28, 2023) award under this program. Continuation funding is not guaranteed.

Recipients of an FY 2022 or 2023 CY or EM award are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2024 proposal. Likewise, an organization that is a partner/subrecipient on an FY 2022 or 2023 CY or EM award is not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2024 proposal.

Note: Current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2024, without adequate justification, may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2024.

Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. Participation in OVW-sponsored training and technical assistance (TTA).
2. Collection of and reporting on performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative webpage](#).
3. Participation in an assessment or evaluation, if OVW conducts one that requires grantee involvement.
4. Creating or expanding a coordinated community response (CCR) team to guide project activities. The CCR team must meet regularly to design a project implementation plan, discuss project goals and activities, review successes and challenges, and ensure project activities are coordinated across the community served. The members of the CCR team should be chosen to meet the needs of the community and the project activities.
5. Ensuring the availability of crisis intervention assistance for children, youth, and community members at all educational, outreach, and training events that are not specifically targeted to first responders or allied professionals.
6. Engaging in a planning phase in the first 3-6 months of the grant prior to project implementation. To complete the required planning activities, recipients will have access to \$50,000 of funding. The planning phase activities must include:

New Grantees: During the planning phase, new grantees must:

- Participate in planning meetings facilitated by the OVW grant management specialist and TTA point of contact assigned to the project.
- Develop the project partnerships and CCR, as needed.

2. Budget Detail Worksheet and Narrative
3. Signed Memorandum of Understanding

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 in Grants.gov as part of **Step 1 of the application submission process**. The SF-424 is generated when the applicant begins the submission process in Grants.gov. For Type of Applicant (box 9), do not select "Other". The amount of federal funding requested in the "Estimated Funding" section of this form (box 18a) should match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as "**Authorized Representative**" (box 21) must have the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of state [Single Points of Contact](#) (SPOC) under Intergovernmental Review. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to comply with the state's process under E.O. 12372. In completing the SF-424, the applicant must make the appropriate selection in response to question 19 once it has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: "Program is subject to E.O. 12372 but has not been selected by the state for review."

Disclosure of Lobbying Activities (SF-LLL)

All applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov as part of **Step 1 of the application submission process**. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL.

Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

Standard Applicant Information (JustGrants 424 and General Agency Information)

This section in the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. Applicants begin **Step 2 of the application submission process** by reviewing the Standard Applicant Information in JustGrants, making edits as needed, confirming the Authorized Representative, verifying the legal name and address, and entering the ZIP code(s) for the areas affected by the project.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Do not summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

Data Requested with Application

Applicants must complete three questionnaires in JustGrants: the Pre-Award Risk Assessment, the Applicant Entity Questionnaire, and the Grants to Prevent and Respond to Domestic Violence, Dating Violence, Sexual Assault, Stalking, and Sex Trafficking Against Children and Youth Summary Data Sheet. These questionnaires are not scored. Applicants should click on the questionnaire name in JustGrants to access and complete each questionnaire. Although the questionnaires must be completed in JustGrants, the questions can be viewed in Appendices B, C, and D of this solicitation.

Proposal Narrative

The Proposal Narrative may not exceed 20 pages, double-spaced. Reviewers will not read beyond this page limit. The Proposal Narrative must include the 3 sections below. The total point value for the proposal narrative section is 70. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Purpose of the Proposal 10 points

This section must:

1. Describe the communities in the service area, including but not limited to: traditionally underserved populations, such as communities of color, people with disabilities, people who are Deaf or hard of hearing, persons with limited English proficiency, older adults, and LGBTQ+ communities.
2. Identify the service area and describe the challenge(s) or need(s) faced by the community. Include how this project will meet those needs. Provide any relevant data to support the purpose of the project.
3. Describe the current prevention, intervention, treatment, and response resources, including legal services, for the targeted age group in the community(ies). This section

must identify available services and programs and 2) gaps in and barriers to service provision and programming that address prevention, intervention, treatment, and response.

4. Describe the existing training and/or educational programs provided for those working or engaging with children and youth in the community(ies), such as law enforcement, prosecutors, school resource officers, schools, advocates, health care providers, parents or caregivers, juvenile justice system, foster care, homeless shelters, or youth-serving programs.
5. If the applicant is a current grantee of the CY Program, describe the challenges and successes of the current project and the work that remains.

What Will Be Done 40 points

The application must provide a clear link between the proposed activities and the need identified in the "Purpose of the Proposal" section above. Do not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. Describe the approach to addressing the challenge(s) or need(s) identified in the Purpose of the Proposal.
2. Describe project goals, objectives, and activities, including how the applicant proposes to implement the program requirements for the chosen Purpose Area to be addressed by the project ([see pages 9 to 11](#) for the program requirements for each purpose area), and provide a corresponding 36-month timeline. The 36-month timeline should include three-to-six-months of planning phase activities and submission of the planning phase documents.
Please note: Do not submit additional documents describing proposed project activities and timeline outside of the proposal narrative. Any such additional documents will not be read or scored.
3. Describe how the proposed project will establish or support a multidisciplinary CCR to respond to children and/or youth impacted by domestic violence, dating violence, sexual assault, stalking, and/or sex trafficking. This should include current and prospective members of the CCR, the frequency of the CCR meetings, and the lead organization or program of the CCR. Applicants should describe how they will ensure that the CCR team is broad enough to represent the diversity and experiences of the community and includes the expertise and knowledge needed to meet the goals and objectives of the proposed project.

Note: Continuation applicants must provide details about the CCR created or enhanced through the initial award including:

- Current status of the CCR organized under the initial CY or EM Program award, including whether it still exists, and if not, when it ended and why. If the CCR still meets, how often it meets, and the number of agencies and organizations regularly attending CCR meetings.
- Any activities engaged in by the CCR under the initial CYEM Program award that have been sustained.
- The efforts of the CCR to address children and youth exposed to or impacted by violence.
- Key participants of the CCR.

4. Describe how the project will provide appropriate crisis intervention and referrals for participants who identify themselves as victims during project activities, including prevention education, community awareness events, and other activities that target children and youth, non-offending parents or caregivers, and the general community.
5. Describe whether there are policies in place or that will be developed to address the following: a) confidentiality; b) information sharing; c) parental consent; d) background checks; and e) mandatory reporting, if applicable.
6. Describe the type(s) of direct victim services that will be provided for the targeted age group, and (if applicable) the non-offending parent or caregiver. Examples include crisis counseling, mental health and therapy services, victim advocacy, mentoring, legal services, education and work support, family strengthening services, building social capital, and transportation.
7. Describe how the proposed project focuses on a full spectrum of strategies to address prevention, intervention, treatment, and response for the specific ages of the children and/or youth to be served.
8. Describe all products, if any, to be developed or acquired with grant funds.
9. Describe how the proposed project will address the unique needs of the traditionally underserved populations identified in the Purpose of the Proposal section above.
10. Describe how the proposed project will improve accessibility for people with disabilities and people who are Deaf or hard of hearing.
11. Describe how the proposed project will improve accessibility for people with limited English proficiency.
12. Describe how survivors and other people with relevant lived experiences have helped formulate and/or will be involved in shaping and implementing the project. Involving people with lived experience is a way to ensure that an approach is informed by people who have direct experience with the issues the approach is trying to alleviate. An example of involving people with lived experience is asking survivors who have obtained protection orders to help develop a brochure explaining the steps for requesting a protection order. For more information about engaging people with lived experience, see this brief from the [Department of Health and Human Services](#).
13. For applicants addressing the CY program-specific priority on prevention of technology-facilitated abuse, describe how the project will do so.
14. For applicants addressing the [OVW priority area](#) on advancing equity and tribal sovereignty, explain how the proposed project will address this priority and identify whether the applicant or a partner is (1) a tribal government, (2) an organization in a U.S. territory, or (3) an organization that has a demonstrated and distinctive history of using culturally appropriate and linguistically specific strategies to serve communities that have been historically marginalized and face barriers to accessing mainstream systems and service providers. If the applicant or partner is #3, describe these barriers and how the applicant or partner builds on the unique help-seeking strategies and sources of resilience found in its historically marginalized community. If the applicant is relying on a partner for this priority, describe how it will equitably compensate its partner, actively collaborate with its partner throughout the planning phase and project activities, and support the partner's participation in OVW training and technical assistance opportunities.
15. For applicants addressing the [OVW priority area](#) on expanding economic justice and financial advocacy for survivors, describe how the proposed project will address this priority and identify whether the applicant or a partner is an organization as described in the OVW Priority Areas section of this solicitation. If the applicant is relying on a partner for this priority, describe how it will equitably compensate its qualified partner and meaningfully collaborate with its partner throughout the planning phase, in project

activities, and by funding the partner's participation in OVW training and technical assistance opportunities; and describe how the applicant will engage, train, and equitably reimburse youth who contribute to the implementation of grant activities, when possible.

Who Will Implement the Proposal 20 points

This section must:

1. Identify the key people and organizations, including project partners involved in the proposed project. Please note: do not submit additional documents describing project personnel; any such additional documents will not be read or scored.
2. Demonstrate that the people and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities.
3. Provide detailed information demonstrating that the applicant and its partners are based in the community where the project will be implemented.
4. Describe the roles and responsibilities of the applicant, each partner, and key personnel.
5. Describe the applicant's experience and expertise in the areas of domestic violence, dating violence, sexual assault, stalking, and/or sex trafficking, as applicable, for both the applicant and key personnel who will be directly involved with the proposed project.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below, under each heading. OVW strongly encourages using a spreadsheet (e.g., Excel, Numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **20 points** and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Applicants must upload in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Creating a Budget](#) webinar on the OVW website. Keep in mind that budgetary requirements vary among programs. Budgets should be reasonable and based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amounts

Applicants should carefully consider the resources needed to implement the project and present a realistic budget that accurately reflects the costs involved for a 36-month budget. Proposed budgets should not exceed \$500,000 and should address only one Purpose Area.

The budget must:

1. Present a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.

2. Fairly and reasonably compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the Budget Information and Sample Budget Narrative in [Appendix A](#).
3. Include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
4. Include sufficient funds to provide access for people with disabilities or who are Deaf/hard of hearing, or describe other resources available to the applicant to ensure meaningful access for such people. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
5. Include funds to attend OVW-sponsored TTA in the amount of \$15,000 for applicants located in the 48 contiguous states and \$20,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
6. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner; a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Solicitation Companion Guide](#) on the OVW website.
7. Designate no more than 10 percent of total funding for supplemental services such as childcare, transportation assistance, clothing, or hygiene products, if applicable.
8. Designate no more than 10 percent of total funding for media purchases such as, billboards, bus/subway advertisements, radio/TV public service announcements, and/or online media, if applicable.

Note: Applicants may use funds for food/beverage for youth/child-serving activities; however, grant recipients must receive budget approval before using grant funds for this purpose.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the Budget Information and Sample Budget Narrative in [Appendix A](#).

Funding Restrictions

The following information is provided to help applicants develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the meeting or conference. Examples include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Failure to serve food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative, including relevant details about the applicant's community, such as a rural or remote location. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not

have a current negotiated (including provisional) indirect cost rate, except for those non-federal entities described in [Appendix VII to Part 200 paragraph \(d\)\(1\)\(B\)](#), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC).

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation (if applicable)

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees. If so, the applicant must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample [Disclosure of Process Related to Executive Compensation](#) letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6:

officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., if the recipient changes in the way it determines compensation).

Memorandum of Understanding

Memorandum of Understanding (MOU)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities between two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU is worth a total of **10 points**. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU **must** be a single document and **must** be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or **removal from consideration, particularly if the MOU is missing the signature of a required partner**. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample [MOU](#) is available on the OVW website.

Note: The MOU should include all required partners and any other partnerships necessary to successfully implement project activities or meet any priority the applicant is proposing to address.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship between those partners, including when and under what circumstances the collaborative relationship began and when each partner entered into the relationship.
2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. Demonstrate how the proposed partnership can address the needs of the traditionally underserved population(s) identified in the Purpose of the Proposal section.
4. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being equitably compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
5. Detail the specific activities for the proposed project and identify the individuals from each partner who will be responsible for implementing project activities and describe how they will work with other project staff.

Additional Application Components

The following components will not be scored but must be included with the application. Failure to do so may result in the application being removed from consideration. Some components will

be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letter of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample [Letter of Nonsupplanting](#) is available on the OVW website.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Summary of Other Federal Funding

Applicants must disclose whether they have any of the following: 1) an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 2) a subaward under an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 3) a pending OVW application as either the lead applicant/potential recipient or as a partner/potential subrecipient; 4) a federal award to do the same or similar work; or 5) a pending federal application to do the same or similar work.

Applicants will provide this information by completing the Summary of Other Federal Funding form in the Disclosures and Assurances section of JustGrants during the application submission process.

Disclosures and Assurances

All applicants must review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities

Applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time must register with the following systems:

- SAM.gov: Registration with [SAM.gov](#) includes receiving a UEI and takes an average of **2 to 3 weeks**.
- Grants.gov: Registration with [Grants.gov](#) takes an average of **1 week**.
- JustGrants: Registration with JustGrants needs to be completed **ONLY** after successful submission of Step 1 of the application as described below under [How to Apply](#).

Note: Registration time frames are estimates. Applicants experiencing registration challenges should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* section below for guidance on how to proceed.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the applicant's responsibility to ensure that they are registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by **March 26, 2024**. **Failure to do so may result in missing the application deadline and therefore not being considered for funding.**

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: The Grants.Gov deadline is 11:59 pm ET on April 26, 2024 and the JustGrants application deadline is 8:59 pm ET on April 30, 2024.** Applicants experiencing technical difficulties during the application submission process should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* below for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the application deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the *OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster* below.

Submission Information and Other Submission Requirements

Applications must be submitted to OVW through a two-step process that begins in Grants.gov and is completed in JustGrants:

Step 1: The applicant must submit by the Grants.gov deadline (provided above) the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov. To view the forms prior to completing them in Grants.gov, applicants can go to the Package tab under the funding opportunity that they're applying for and select Preview. The Preview then provides links to the forms.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at <https://justicegrants.usdoj.gov/> by the JustGrants application deadline (provided above). OVW encourages applicants to review the [JustGrants](#) website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control. OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Before the Grants.gov deadline, notify OVW, via email at ovw@consolyouth@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at ovw@consolyouth@usdoj.gov.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify OVW via email at ovw@consolyouth@usdoj.gov before the Grants.gov deadline.

2. Maintain documentation of all communication with OVW JustGrants Support.
3. Actively work with OVW JustGrants Support to resolve the technical difficulty.
4. Contact OVW, via email at ovw@consolyouth@usdoj.gov, prior to the JustGrants deadline (**8:59 p.m. E.T. on April 30, 2024**). If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the deadline**. The email must include the following:
 - A detailed description of the technical difficulty.
 - The contact information (name, telephone, and email) for the person making the request.
 - The applicant's UEI number.

- JustGrants application numbers and User Support tracking numbers.
- The complete application (SF-LLL, SF-424, Proposal Narrative, Budget and Budget Narrative, MOU).

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

Cases of severe inclement weather or natural or man-made disaster are the only circumstances under which OVW may accept applications after **8:59 pm ET on April 30, 2024**. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at ovw@consolyouth@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the CY, scoring will be as follows:

1. Proposal narrative: 70 points, of which:
 - A. Purpose of the proposal: 10 points.
 - B. What will be done: 40 points.

- C. Who will implement the proposal: 20 points.
2. Budget worksheet and budget narrative: 20 points.
3. MOU: 10 points.

OVW may consider how many applicants apply to each purpose area when making funding decisions.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a [peer review process](#) that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

OVW peer reviewers may include victim advocates, judges, prosecutors, law enforcement officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with people with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority are current practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by people with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 50 points).
2. Out-of-scope and unallowable activities (deduct up to 50 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration regardless of the application's peer review score.**

Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards under this program will be reviewed for past performance and risk based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.
7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.
9. Timely resolution of issues necessary to close out prior awards.
10. Timely resolution of issues identified during financial monitoring.
11. Timely response to OVW requests.
12. Development of deliverables that support the project goals and objectives and are of acceptable quality.
13. Implementation of the project as designed without unjustified modification.
14. Timely submission of federal financial reports (FFR).
15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may consider factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled “Post-Award Requirements for All Federal Award Recipients.”

[Terms and conditions](#) for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency have meaningful access to recipients’ programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to people with disabilities, including those with physical or cognitive disabilities, as well as people who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Performance report forms will be provided to all award recipients. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative

proceedings in SAM, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

Other Information

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, easily understood, and not unnecessarily burdensome. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. If an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

APPENDIX A

Budget Information and Sample Budget Narrative

Budget Information and Sample Budget Narrative

Budget Information

Cost information for selected items is provided below to assist applicants in preparing their budgets. Additional information is available in the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant must be reasonable and consistent with that paid for similar services in the marketplace. Applicants must consider the type of services provided and the individual's experience and expertise when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates over \$650 per day. Please note that the rate does not need to be as high as \$650 for all consultants. If a project is selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants must also include all costs associated with consultants or contractors in the "Procurement Contracts" category, including travel-related costs. Applicants should not reflect these costs in the Personnel or Travel categories.

Applicants must follow the same established procurement policies with federal funds as with non-federal funds. All procurement transactions, including the awarding of consultant contracts, must be conducted in a manner that provides maximum open, free, and fair competition, and must follow 2 C.F.R. §§ 200.317-200.327. All sole-source procurements (not awarded competitively) over \$250,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients.

MOU Partner/Subrecipient versus Contractor Determination

Memorandum of Understanding (MOU) project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.331 that support their classification as subrecipients:

- they are using federal funds to carry out a program for a public purpose specified in the authorizing statute;
- they are responsible for adherence to program requirements;
- they are responsible for programmatic decision-making;
- their performance is measured by meeting program objectives; and
- in some cases, they may be responsible for determining who is eligible to receive assistance (services) under the grant award.

In contrast, a contractor:

- provides goods and services within normal business operations;
- provides similar good and services to many different purchasers;
- normally operates in a competitive environment;
- provides goods and services that are ancillary to the operation of the program; and
- provides goods or services to which programmatic requirements generally do not apply.

For additional information on determining subrecipient or contractor designation, please refer to [2 C.F.R. § 200.331](#), as well as the Solicitation Companion Guide, available at <https://www.justice.gov/ovw/resources-applicants>.

Compensation for Partners

In developing budgets, applicants should compensate all project partners for their participation in project-related activities, including but not limited to compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault services programs, and state and tribal domestic violence and/or sexual assault coalitions. Partners are generally considered subrecipients and are reimbursed for their actual costs incurred for the project rather than on a fee for service basis. If a partner is a state or local governmental agency and the partnership duties are performed within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner: a) offers this arrangement; and b) an explanation of this arrangement is included in the application (typically in the MOU).

Training and Technical Assistance/Travel

The program solicitation specifies the amount of grant funds that must be budgeted for training and technical assistance. These funds must **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. These funds are to be used to support travel by all project partners, including nonprofit, nongovernmental service providers, to technical assistance events. This may include travel by individuals whose positions are not grant-funded if their roles and responsibilities are linked to the purpose of the project. If the technical assistance funds will be shared between the applicant and any project partners, the applicant's employees' travel costs must be listed in the "Travel" category in the budget, and partners' travel must be in the "Subawards" category. Label both costs as "OVW Technical Assistance" and ensure they total to the full required amount. Do not include registration fees, as OVW technical assistance is free for grantees.

If applicants are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to attend, they can budget expenses over the required amount.

Rent

Rental costs are generally allowable under OVW programs. Applicants must list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental facility. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case, only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable. The applicant must state in the budget narrative whether they own the space that will be rented. Refer to the following document for more information on how to appropriately allocate and break down the cost of rent in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Audit Costs

Costs for audits not required or performed in accordance with 2 C.F.R. Part 200 Subpart F – Audit Requirements are unallowable. If the applicant agency did not meet the applicable expenditure threshold (see 2 C.F.R. § 200.501) during the organization's fiscal year, they may not charge the cost of any audit performed to the grant.

Indirect Costs

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not

have a current negotiated (including provisional) indirect cost rate, except for those non-Federal entities described in Appendix VII to Part 200 paragraph (d)(1)(B), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information. Applicants may also choose to waive indirect costs.

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs. However, some programs allow for purchasing vehicles on a case-by-case basis. Refer to the program solicitation to determine whether vehicles can be purchased or leased. A lease/purchase analysis must be submitted with the application if requesting a vehicle.

Non-Federal contributions

Any non-federal contributions can be discussed in the Proposal Narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

If the applicant voluntarily decides to provide matching funds through the use of in-kind contributions and includes this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide these mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to OVW to close out the grant award.

Cost Allocations

Costs for shared items, those not used solely for the award, should be equitably distributed to the funding sources that receive a benefit from the items. For example, when budgeting for general office supplies, it is important to note that the full cost cannot be allocated to the project. Instead, an allocation method should be used to share the cost among all staff who use the supplies. Refer to the following document for information on allocating shared costs in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Accessibility

The program solicitation requires that the applicant include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency, including by offering translation and interpretation services, and to provide access for people with disabilities or who are Deaf/hard of hearing.

Determining how much to budget for accessibility requires that recipients analyze the following:

- Available data about the local population to understand the language and accessibility needs in their service area;
- Historical data on screening and serving individuals who are LEP, Deaf or Hard of Hearing, or disabled; and
- Costs or documented estimates of language and other accessibility services and modifications in the service area. For resources and assistance in this process, visit <https://www.justice.gov/atj> and <https://www.lep.gov/>.

Recipients should make every effort to use these funds for their budgeted purpose of providing accessibility, and not reallocate them for other purposes later in the project.

Sample Budget Narrative

Purpose: The Sample Budget Narrative may be used to assist with preparing the budget and narrative. Applicants may use this form or the format of their choice (plain sheets, Excel document, the applicant's own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to the applicant's project may be deleted.

Note: The following budget is an example intended to assist applicants in preparing their budgets. The sample expenses may not fit the purposes or activities of this particular grant program.

A. Personnel – List each position by title and employee name, if available. Show the annual salary rate and the percentage of time devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$65,000 x 50% x 3 years	\$97,500
Bilingual Shelter Manager	\$70,000 x 100% x 3 years	\$210,000
Administrative Assistant	\$45,000 x 10% x 3 years	\$13,500

Sample narrative: The Program Coordinator will dedicate 50% of their time to the project by coordinating and organizing regular council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Bilingual Shelter Manager will dedicate 100% of their time to the project by providing direct client assistance, coordinating services and case management for clients, and managing the temporary shelter activities.

The Administrative Assistant for the project will spend 10% of their time on the project, providing administrative and clerical support for activities directly related to this project.

TOTAL PERSONNEL: \$ 321,000

B. Fringe Benefits – Fringe benefits must be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator		
Employer's FICA	\$97,500 x 7.65%	\$ 7,459
Health Insurance	\$4,800/year x 50% x 3 years	\$ 7,200

Worker's Compensation	\$97,500 x 1.00%	\$ 975
Unemployment Compensation	\$97,500 x 0.50%	\$ 488

Bilingual Shelter Manager

Employer's FICA	\$210,000 x 7.65%	\$16,065
Health Insurance	\$4,800/year x 100% x 3 years	\$14,400
Worker's Compensation	\$210,000 x 1.00%	\$ 2,100
Unemployment Compensation	\$210,000 x 0.50%	\$ 1,050

Administrative Assistant

Employer's FICA	\$ 13,500 x 7.65%	\$ 1,033
Health Insurance	\$4,800/year x 10% x 3 years	\$ 1,440
Worker's Compensation	\$ 13,500 x 1.00%	\$ 135
Unemployment Compensation	\$ 13,500 x 0.50%	\$ 68

Sample Narrative: We request fringe benefits for the Program Coordinator, Bilingual Shelter Manager, and Administrative Assistant. Each employee's share of Health Insurance cost is prorated based on their projected time on the project.

TOTAL FRINGE BENEFITS: \$ 52,413

C. Travel – Project staff travel expenses should be itemized by purpose (e.g., training, field interviews, advisory group meeting, etc.) and include the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). For training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of travel policies applied, either the applicant's policy or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	TBD	TBD	\$12,000
Local Program Mileage	XYZ County		150 miles/month x \$0.655/mile x 36 months	\$ 3,537

Sample narrative: According to the requirements in the solicitation for this program, \$12,000 out of the total \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the travel cost for staff. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The exact locations of the trainings are currently unknown. However, travel estimates have been made using our formal written travel policy.

It is expected that the Program Coordinator will use a privately owned vehicle for local program mileage when traveling between the program shelter, main office, and all partner organizations. The rate for mileage reimbursement is calculated based on the current GSA Mileage

Reimbursement Rate of \$0.655/mile and is estimated to be around 150 miles per month for a period of 36 months.

TOTAL TRAVEL: \$ 15,537

D. Equipment – List tangible personal property with a useful life of more than one year that needs to be purchased to support the project. It is important to follow the applicant's own capitalization policy for equipment classification. For high-cost items and information technology systems, applicants should perform an analysis (and attach it to the application) that compares the cost of purchasing versus leasing equipment items, to determine the most economical approach. Rented or leased equipment items should be listed in the "Procurement Contracts" category. Describe in the narrative how the equipment is necessary for the success of the project.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$1,500/camera x 2 cameras	\$ 3,000

Sample narrative: The portable video cameras and tripod package will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking. Our capitalization threshold is \$1,000, so these items are classified as Equipment.

TOTAL EQUIPMENT: \$ 3,000

E. Supplies – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, thumb drives, and flash drives) and show the basis for computation. Generally, supplies include any expendable or consumable materials that are used during the project period that are not equipment.

<u>Supply Items</u>	<u>Computation</u>	<u>Cost</u>
Office Supplies (paper, printer, toner, pens, etc.)	\$250/month x 53% x 36 months	\$4,770
Postage	\$ 100/month x 53% x 36 months	\$1,908
Program Supplies	\$ 50/month x 36 months	\$1,800
75 Client Assistance Kits	\$ 25/kit x 75 kits	\$1,875

Sample narrative: Office supplies and postage are needed for the general operation of the program and are shared amongst all office staff. The FTE allocation rate for shared costs incurred by all staff in this budget is 53% (based on total FTEs in the office is 3FTEs, and total FTEs in this budget is 1.6FTEs, so $1.6 / 3 = 0.53$, or 53%). Monthly costs for Office Supplies at \$250/month and Postage at \$100/month are estimated based on historical data. Charges to the grant will be based on the actual supplies purchased and actual percentage of staff time worked on the project (not budgeted amounts).

Program Supplies are estimated at a cost of \$50/month, based on historical data. The program supplies will be used for direct program activities such as art supplies and educational handouts/brochures for healing circles and group meetings for survivors.

The Client Assistance Kits will be provided to clients who receive services for domestic violence, dating violence, sexual assault, and stalking. These kits will contain toiletries and other personal hygiene products. We estimate the need for 75 kits, and the cost is based on similar kits provided by other programs.

TOTAL SUPPLIES: \$10,353

F. Construction – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with OVW before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
TOTAL CONSTRUCTION:		<u>\$ 0</u>

G. Subawards (subgrants): Describe project activities for which subrecipients/MOU partners will receive compensation under the award, including services for clients. Include any compensation for partner/subrecipient travel in this section as well.

<u>Subrecipient Name</u>	<u>Computation</u>	<u>Cost</u>
XYZ Survivor Services Organization		
Advocate	\$40,000 per year x .25 FTE x 3 years	\$30,000
Advocate	Benefits x 28% of FTE salary	\$ 8,400
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000
Subtotal XYZ Survivor Services Organization Subaward		\$42,400

Sample narrative: The MOU partner XYZ Survivor Services Organization will offer advocacy services, such as safety planning and court accompaniment services. To cover the cost of travel for their staff, \$4,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated, in line with the budget requirements set forth in the solicitation. However, the training session locations are currently unknown. Travel estimates are based on the subrecipient's formal written travel policy.

123 Housing Provider		
Permanent housing advocate	\$40,000 per year x .10 FTE x 3 years	\$12,000
Permanent housing advocate	Benefits x 28% of FTE salary	\$ 3,360
Rent subsidies	\$150/month x 36 months x 15 clients/families	\$81,000
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000
Subtotal 123 Housing Provider Subaward		\$100,360

Sample narrative: The MOU partner, 123 Housing Provider, will provide rent subsidies for clients and their dependents, permanent housing placement services, and advocacy. The rent subsidy rates are based on our experience with available community housing. Out of the required \$20,000 for OVW mandated technical assistance and training funds, \$4,000 has been allocated to cover the cost of travel for partner staff. Travel estimates are based on the subrecipient's formal written travel policy and training locations are currently unknown.

TOTAL SUBAWARDS: \$142,760

H: Procurement Contracts – Applicants should follow their documented procurement procedures that comply with the procurement standards in the Uniform Guidance at 2 C.F.R. §§ 200.317-200.327 or the Federal Acquisition Regulation.

Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. The actual rate for each consultant should be evaluated on a case-by-case basis, consistent with fair market value, and equal to the individual's experience, education, and compensation they receive for providing similar services in the marketplace. Consultant fees over \$650 per day (for an 8-hour day) or \$81.25 per hour require additional justification and prior approval from OVW.

<u>Name of Consultant</u>	<u>Service Provided</u>	<u>Computation</u>	<u>Cost</u>
Consultant/Trainer	Sexual Assault Training	\$575/day x 3 days	\$ 1,725

Sample narrative: A Consultant/Trainer will provide a three-day on-site training (at 8 hours per day) on sexual assault and related issues to law enforcement, prosecution, court personnel, and medical and social services personnel. The training will focus on addressing cultural needs of clients who experience sexual assault, domestic violence, dating violence, and stalking.

Subtotal Consultant Fees: \$ 1,725

Consultant Travel: List all expenses to be paid from the grant to the individual consultant in addition to their fees (i.e., travel, meals, lodging etc.).

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
Delivery of Sexual Assault Training	Town of XYZ	Airfare	\$500 (avg.) x 1 person x 1 trip	\$ 500

		Per diem	\$ 45 (avg.)/day x 3 days	\$ 135

Subtotal Consultant Travel: \$ 785

Sample narrative: Funds are allocated to pay for the Consultant/Trainer to travel to provide sexual assault training.

Subtotal Consultants: \$ 2,510

Contracts: Provide a clear description of the product or services that will be acquired through the contract, along with an estimated cost. All procurement transactions must be conducted in a

manner that ensures full and open competition and adheres to the standards in 2 C.F.R. §§ 200.317-200.327. A separate justification must be provided for sole source (non-competitive) contracts in excess of \$250,000.

Sign Language Interpretation	\$95/hour x 20 hours x 3 years	\$5,700
CART Services	\$65/hour x 8 hours x 3 years	\$1,560
Subtotal Contracts:		<u>\$ 61,415</u>

Sample narrative: The Therapist will be compensated at a rate of \$85/hour, consistent with the therapist's normal rate for providing this service in the marketplace. This contracted position will provide individual counseling sessions to clients on an as-needed basis and facilitate the group healing sessions once per week for 2 hours. A total of 10 hours of service per month is estimated.

The Bilingual Shelter Manager will need a cell phone to ensure 24 hours/day communication to provide emergency services and transportation to clients. This position is funded 100% through the application, therefore 100% of this cost is budgeted.

Equipment to be rented and/or leased includes the copier and printer. The copier and printer costs are estimated based on historical costs and allocated using an FTE allocation method (see allocation breakdown in Supplies Category).

The most common language in the local service area is Spanish, followed by Mandarin Chinese and Tagalog. Spanish language interpreters in applicant's area charge approximately \$100 per hour, and Mandarin and Tagalog interpreters charge approximately \$125 per hour. We estimate the number of hours of interpretation based on previous years plus an anticipated 10% increase during the project period. (We also employ a Spanish-English bilingual Shelter Manager, who assists with Spanish language interpretation.)

Translations in our service area cost approximately \$25 per page. We plan to have the following documents translated into Spanish during the project period: intake form (3 pages), confidentiality policy (1 page), house rules (2 pages), non-discrimination notice and complaint forms (3 pages), pamphlet on domestic violence (5 pages), pamphlet on sexual assault (5

pages), Power and Control Wheel (1 page). We plan to have the following documents translated into Mandarin and Tagalog: intake form (3 pages X 2), confidentiality policy (1 page X 2), non-discrimination notice and complaint forms (3 pages X 2).

Qualified sign language interpreters charge approximately \$95 per hour, and we anticipate using interpreters approximately 20 hours per year, based on past use and allowing for a 5% increase in usage over past years. We will host 1 day-long training session each year and anticipate providing Communication Access Realtime Translation services at each session.

TOTAL PROCUREMENT CONTRACTS: \$ 63,925

I. Other Costs – List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by each type of cost and the basis of the computation. For example, provide the square footage and the cost per square foot for rent, and provide a monthly rental cost and how many months to rent.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
Bus Vouchers	\$15/client x 10/month x 36 months	\$ 5,400
Crisis Hotline	\$ 75/month x 36 months	\$ 2,700
Rent	\$1.50/sq. foot x 1,000 sq. feet x 36 months	\$54,000
Utilities	\$200/month x 36 months	\$ 7,200
Housing Assistance	\$500/family x 12 families/year x 3 years	\$18,000

Sample narrative: Bus Vouchers are estimated at a cost of \$15 per client to attend therapy or group healing sessions and we project distributing 10 per month on an as-needed basis. Vouchers are kept in a locked safe, inventoried by the Program Coordinator, and require a signature for distribution by the Shelter Manager.

Clients in remote areas often lack access to long-distance service providers, and contacting the program office can be a long-distance call for many of them. The project will maintain an 800 hotline for clients, which will be staffed daily by volunteers. The cost budgeted is for the fee associate with the use of the 800 number.

The Client Services Program rents a safe house located within the community. The house is used to provide temporary housing to clients who experience domestic violence and their minor children. The rent is consistent with the fair market rate for similar properties in the local community. This is a direct cost to the program and is used solely for the purpose of this program, therefore the cost is not allocated.

The cost of utilities (i.e., gas, electric, and water service) for the Client Services Program safe house averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy. This is a direct cost to the program and is used solely for the purpose of this program, therefore the cost is not allocated.

Funds have been budgeted to provide monthly housing assistance to at least one client who experienced domestic violence, dating violence, sexual assault, or stalking. Each client and dependents will receive up to \$500 to assist with rent and utility payments. Housing assistance will not be used to pay for delinquent or past due utility or rental costs.

Funds for Language Line Solutions (LLS) for telephonic interpreting at a rate of \$3.95 per minute are budgeted. In recent years, we have used LLS between 225 and 275 minutes per year, and we anticipate a 10% increase in usage based on recent trends.

TOTAL OTHER COSTS: **\$ 87,300**

J. Indirect Costs – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be submitted with the application. If the applicant does not have an approved rate, they may request one from their cognizant federal agency or choose to charge a de minimis rate of 10% of modified total direct costs (MTDC) in accordance with 2 C.F.R. 200.414(f). If the applicant's accounting system allows for it, costs may be allocated in the direct cost categories.

<u>Description</u>	<u>Computation</u>	<u>Cost</u>
32% of Direct Salaries (Excluding Fringe Benefits)	\$321,000 x 32%	\$102,720

TOTAL INDIRECT COSTS: **\$ 102,720**

Sample narrative: The Indirect Cost Rate Agreement was approved by the Department of Health and Human Services, the applicant's cognizant federal agency on January 1, 2023. (A copy of the fully executed, negotiated agreement that covers the current period is attached).

Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.

Applicant Entity Questionnaire

Applicant Entity Questionnaire

Note: Applicants must complete this questionnaire in JustGrants. The questions listed below are for reference only.

The Applicant Entity Questionnaire is required for every applicant for OVW funding and therefore includes questions that may not be obviously relevant or specifically focused on a particular grant program. Applicants should provide the most accurate answers and may respond “Yes” to more than one question or “No” to all questions. These questions help OVW understand the organizations that are applying for funding, but the answers do not influence funding decisions.

1. Is the applicant a **sexual assault victim service provider**, defined as a victim service provider for which the primary purpose of the organization is to provide intervention and related assistance to victims of sexual assault without regard to their age (see 34 U.S.C. 12291(a)(50) & 12511(b))?
2. Is the applicant a federally recognized tribe (see 34 U.S.C. 12291(a)(22))?
3. Is the applicant a tribal organization as defined by 34 U.S.C. 12291(a)(45)?
