## Additional Information

**Agency Name:** Bureau of Justice Assistance

**Description:** With this solicitation, BJA seeks to support state, local, and tribal governments, as well as community-based nonprofit organizations, to support cross-system collaboration between criminal and juvenile justice agencies, mental health and substance use agencies, and community-based organizations that provide reentry services, and community-based behavioral health providers to improve clinical stabilization pretrial, during confinement, and support continuity of care and recovery during the transition to the community through clinical and other evidence-based activities or services for individuals with serious mental illness, substance use disorders, and co-occurring disorders. The goal of these efforts is to minimize potential for experiencing crisis and improve recovery outcomes for people with serious mental illness, substance use disorders, and co-occurring disorders who are currently involved with

the criminal or juvenile justice systems or reentering the community from these systems.
