---------------	----------------

Name:

Description: The purpose of the Landscape Scale Restoration competitive grant program is to encourage collaborative, science-based restoration of priority rural forest landscapes. This program supports high impact projects that lead to measurable outcomes on the landscape, leverage public and private resources, and further priorities identified in science-based restoration strategies.

This funding opportunity is for Federally recognized Tribes, Alaska Native Corporations/Villages, and Tribal organizations as defined in 25 USC 5304. For projects where the applicant is a nonprofit (not a Tribal organization), university, State agency, town, or county, view the funding opportunities for [Northeast and Midwest](#), [South](#), and [West](#).
