Eligibility

**Eligible
Applicants:** Native American tribal governments (Federally recognized)**Additional
Information on
Eligibility:** Participation is limited to federally recognized Tribal governments listed in the current Federal Register Notice of Indian Entities Recognized and Eligible to Receive Services from the United States Bureau of Indian Affairs (Notice). This is the official listing of all federally recognized Tribes in the United States pursuant to Section 104 of the Federally Recognized Indian Tribe List Act of 1994 (Pub. L. 103-454; 108 Stat. 4791-4792). The current Notice was published in the Federal Register, 89 FR 238 (December 11, 2024). Tribal contact information is available in the BIA Tribal Leaders Directory. Recipient Tribes must meet all reporting requirements for previously awarded, active TWG Program awards before they are eligible to receive new funds. After a Tribe submits a new application, it will be notified of any outstanding reporting requirements. The Tribe will then have 30 days to submit the required reports. Tribes that have not brought past due reports up to date in this 30-day period will be found ineligible and excluded from further consideration in the FY 2025 TWG Program cycle. There is no limit to the number of applications a Tribe may submit within a single fiscal year. However, no single Tribe may be funded for multiple projects within a fiscal year if the total combined Federal request exceeds \$200,000. If multiple applications exceed this amount, only the highest-scoring application(s) will be accepted, and any other(s) will be determined to be ineligible. Tribal organizations and other entities may participate as subrecipients or contractors to federally recognized Tribal government recipients. Any entity receiving TWG Program funds as a subrecipient must comply with the applicable requirements

described in this announcement. TWG Program funds may not be used to acquire real property interests. Real property interests include, but are not limited to, fee simple, fee with exceptions to title, easements, water rights, mineral rights, and leaseholds.

Additional Information

Agency Name: Fish and Wildlife Service

Description: The Tribal Wildlife Grants Program provides technical and financial assistance to federally recognized Tribes for the development and implementation of programs that benefit fish and wildlife and their habitats. Funding may be used for conserving any plant or animal species of interest to a Tribe, including those of Native American cultural or traditional importance. The TWG Program is an adaptable resource supporting tribal conservation priorities. Species targeted in an award are not restricted to those that are hunted, fished, or gathered, listed as threatened or endangered, or identified in a conservation plan. Activities may include, but are not limited to: planning for wildlife and habitat conservation; fish and wildlife conservation and management actions; fish and wildlife related laboratory and field research; natural history studies; habitat mapping; field surveys and population monitoring; habitat protection and enhancement; conservation education. Program funds may be used for salaries, equipment, consultant services, subawards, materials, and travel costs. For more information, see the U.S. Fish and Wildlife Service's Tribal Wildlife Grants Home Page.
