## Other Program Eligibility Requirements

In addition to being an eligible entity, applicants also must meet the requirements below. All certification and other eligibility-related documents must be current and developed in accordance with this NOFO.

Certifications must take the form of a letter, on letterhead, signed, and dated by the authorized representative. Each one must be uploaded as a separate attachment under the **Additional Application Components** section in JustGrants. Failure to provide required certifications may disqualify an application. At a minimum, an applicant that fails to include the required certification letter(s) with its application must submit that certification letter prior to receiving an award.

### Delivery of Legal Assistance Certification

Pursuant to 34 U.S.C. § 12291(b)(12), to be eligible for an award, any recipient or subrecipient providing legal assistance with funds awarded under this program must submit a Delivery of Legal Assistance Certification letter as described under [Additional Application Components](#) in this NOFO. ## Types of Applications

This year, OVW will accept applications for this program from the following:

**New Applicants:** New applicants are those that have never received funding under this program, or whose previous funding under this program expired on or before July 16, 2024. New applicants will focus on capacity building early in the project period and will receive training, technical assistance, and support. New applicants may need to engage in a comprehensive assessment process that identifies the strengths and gaps of their community's responses to sexual assault and sex trafficking and develop a project implementation plan in consultation with OVW. The new award period is 36 months.

Continuation Applicants: Current recipients that have an open, active award under this program in good standing, and whose TSASP awards have 40% or less of the budget remaining as of July 10, 2025, are eligible to apply for a 36-month non-competitive continuation award.

Recipients with FY 2024 TSASP awards and those with 36-month FY 2023 awards should have sufficient funds to carry their projects through September 2026. They may be eligible to apply for continuation funding in FY 2026.

Continuation funding is not guaranteed.

## **Ineligible Entities and Disqualifying Factors**

Applications submitted by ineligible entities or do not meet all other program eligibility requirements will not be considered for funding. In addition, an application deemed deficient in one or more of the following areas may not be considered for funding:

1. [Program-specific unallowable costs](#)
2. [Risk review](#)
3. [Completeness of application contents](#)
4. [Meeting deadlines](#)

An application will be removed from consideration if the applicant does not comply fully with all applicable unique entity identifier and SAM.gov requirements (see [Submission Requirements and Deadlines](#) section for more information on these requirements).

An applicant with past performance issues, long-standing open audits, or an open criminal investigation also may not be considered for funding.

**Note:** Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from this program. See 34 U.S.C. § 12291(b)(15)(B)(ii).

### **Limit on Number of Applications**

OVW will consider only one application for this program per organization. If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

### **Cost-sharing**

This program has no matching or cost-sharing requirements.

## Program Description

---

This program is authorized by 34 U.S.C § 12511(e). For a brief description of this program, see the [Executive Summary](#).

For more information about OVW programs, including how recipients of OVW grant funding achieve program goals, see:

- OVW grant program information: [OVW Grants and Programs webpage](#).
- Data that recipients collect and report: [VAWA Measuring Effectiveness Initiative webpage](#).
- What recipients have achieved and some of the evidence-based approaches they may have used: OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

## Purpose Areas

The Tribal Sexual Assault Services Program (TSASP) has one purpose area—funds under this program must be used for the operation of sexual assault programs or projects in Indian Tribal lands and Alaska Native villages to support the establishment, maintenance, and expansion of programs and projects to assist those victimized by sexual assault.

## Priorities

Applications that fare well in merit review and substantively address one or more of the priorities listed below, to the extent consistent with the program's authorizing statute, may receive priority consideration for funding:

1. Measures to combat human trafficking and transnational crime, particularly crimes linked to illegal immigration and cartel operations, that support safety and justice for trafficking victims who have also suffered domestic violence, sexual assault, dating violence, and/or stalking; and
2. Projects to provide victim services, especially housing, and improve law enforcement response in rural and remote areas, Tribal nations, and small towns that often lack resources to effectively combat domestic violence and sexual assault.

## Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. Participate in OVW-sponsored training and technical assistance (TTA).
2. Collect and report performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative webpage](#).

3. Participate in an assessment or evaluation, if OVW conducts one that requires recipient involvement.
4. New recipients may be required to participate in technical assistance to further develop the project design and implementation plan and revised budget.
5. Provision of direct victim services to survivors of sexual assault.

### **Program-specific Unallowable Costs**

Applications proposing activities described below may have points deducted during the review process or may be removed from consideration.

#### **Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability**

OVW will not fund activities that compromise victim safety and recovery, deter healing for victims, and/or undermine offender accountability. See the [Application Companion Guide](#) for more details about these activities, including program-specific information.

#### **Out-of-Scope Activities**

The activities listed below are out of the program scope and will not be funded.

1. Research projects. Funds under this program may not be used to conduct research, defined by 28 C.F.R. § 46.102(d) as a systematic investigation designed to develop or contribute to generalizable knowledge. However, assessments conducted for internal improvement purposes only may be allowable. For information on distinguishing between research and assessments, see the [Application Companion Guide](#).
2. Promoting or facilitating the violation of federal immigration law.
3. Inculcating or promoting gender ideology as defined in Executive Order 14168, *Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government*.
4. Promoting or facilitating discriminatory programs or ideology, including illegal DEI and “diversity, equity, inclusion, and accessibility” programs that do not advance the policy of equal dignity and respect, as described in Executive Order 14173, *Ending Illegal Discrimination and Restoring Merit-Based Opportunity*. This prohibition is not intended to interfere with any of OVW’s statutory obligations, such as funding for HBCUs, culturally specific services, and disability programs.
5. Activities that frame domestic violence or sexual assault as systemic social justice issues rather than criminal offenses (e.g., prioritizing criminal justice reform or social justice theories over victim safety and offender accountability).
6. Generic community engagement or economic development without a clear link to violence prevention, victim safety, or offender accountability.
7. Programs that discourage collaboration with law enforcement or oppose or limit the role of police, prosecutors, or immigration enforcement in addressing violence against women.

8. Awareness campaigns or media that do not lead to tangible improvements in prevention, victim safety, or offender accountability.
9. Initiatives that prioritize illegal aliens over U.S. citizens and legal residents in receiving victim services and support.
10. Excessive funding for consulting fees, training, administrative costs, or other expenses not related to measurable violence prevention, victim support, and offender accountability.
11. Any activity or program that unlawfully violates an Executive Order.
12. Activities focused on prevention and public education, criminal justice-related projects, including updating legal codes or funding law enforcement, prosecution, courts, and forensic interviews.
13. Providing domestic violence or dating violence victim services unrelated to intimate partner sexual violence.
14. Funding and implementation of Sexual Assault Forensic Medical Examiner programs (accompaniment for victims during exams is allowable and within the scope of the program).
15. Sexual Assault Response Team coordination, (attending meetings is allowable and within the scope of the program).
16. Providing training to allied professionals and the community (e.g., law enforcement, child protective services, prosecution, other community-based organizations or Tribal agencies).

**Note:** Recipients should serve all eligible victims as required by statute, regulation, or award condition.

#### Other Unallowable Costs

Grant funds under this program also may not be used for the following costs:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

#### Limited Use of Funds

Recipients of an award under this program may use up to three percent of the funds to assess the need for internal improvements (e.g. convening listening sessions to identify service gaps in the community; surveying participants about the quality of the training) The OVW research decision tree in the [Application Companion Guide](#) describes how applicants can ensure that such assessments are not prohibited human subjects research.

## Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, regardless of their purpose, to ensure they are within the scope of the award and meet the requirements of the Paperwork Reduction Act (see the [Application Companion Guide](#) for more information).

## Type of Award

Awards will be made as grants.

  - d. How the project is improving services for victims.

### What Will Be Done

**New applications: 20 points**

**Continuation applications: 40 points**

Note: New applicants should complete this section to the best of their ability. If awarded, new grantees will work closely with OVW to review proposed projects and OVW will assist with developing a project implementation plan.

The application must provide a clear link between the proposed activities and the need identified in the “Purpose of the Proposal” section above. This section should not include any of the activities listed as [unallowable costs](#) in the Program Description section of this NOFO.

This section must:

1. Describe how the proposed project will address the needs identified in the Purpose of the Proposal section. Specifically, the applicant must state the project:
  - a. **Goal(s)**: What are the project goals? Each goal must be directly related to the TSASP [purpose area](#).

  - c. **Deliverable(s)**: List any deliverables that will be created for each goal, if applicable (e.g., outreach materials, victim service policies, etc.).
  - d. **Project timeline**: List by year, then month or quarter (ex: 2026, January-March).

### Who Will Implement

**New applications: 10 points**

**Continuation applications: 10 points**

This section must:

1. Identify the key people and organizations, including project partners involved in the proposed project. Provide the following:
  - a. Staff members (if known) or partner organization
  - b. Position/title
  - c. Percentage of time allocated to the project
  - d. Summary of duties/responsibilities
2. Demonstrate that the people and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities. Job descriptions of all key personnel must be attached but will not count toward the page limit.

### Budget and Associated Documentation

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#).

Applicants must submit a detailed budget and budget narrative and upload the applicable associated documentation under each heading, as described below. The budget worksheet and budget narrative will be reviewed separately from the Proposal Narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

For additional information on budget requirements and allowable costs, see the [Budget Information](#), the [Sample Budget Narrative](#) (including Excel file), and the [Creating a Budget](#) webinar on the OVW website.

### Budget Worksheet and Budget Narrative

**For new and continuation applications: 10 points**

Applicants must upload in JustGrants a detailed budget and budget narrative for all applicable cost categories. OVW strongly encourages using a spreadsheet (e.g., Excel, Numbers, etc.) for the budget worksheet. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. Budgetary requirements vary among programs. The budget should be reasonable and based on the resources needed to implement the proposed project in the applicant's specific geographic location.

### Award Period and Amounts

The award period is 36 months. Budgets, including the total "estimated funding" on the [SF-424](#), must reflect 36 months of project activity. OVW anticipates that the award period will start on October 1, 2025.

Awards under this program for FY 2025 will be made for up to \$600,000.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants before making an award or after an award is made but prior to access to funds.

### **The budget must:**

1. Present a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the Proposal Narrative.
2. Fairly and reasonably compensate all project partners for their full level of effort, unless otherwise stated in the Letter of Support (LOS).
3. Include sufficient funds to provide language access, identify other funds that the applicant has budgeted for language access for this project, or describe other resources that the applicant has secured to ensure meaningful access for persons with limited English proficiency. See the [Accessibility](#) section of this NOFO for more information.
4. Include sufficient funds to provide access for people with disabilities or who are Deaf/hard of hearing, identify other funds that the applicant has budgeted for such access for this project, or describe other resources that the applicant has secured to ensure meaningful access for such people. See the [Accessibility](#) section of this NOFO for more information.
5. Include funds to attend OVW-sponsored TTA in the amount of \$25,000 for applicants located in the 48 contiguous states and \$35,000 for applicants located in Alaska. This amount is for the entire project period and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance. Additional funds also may be budgeted to reimburse advocates' mileage costs in transporting and accompanying victims.
6. Include direct payments, if warranted, to assist sexual assault victims and their family or household members for costs directly related to the sexual assault. Where possible, OVW encourages recipients to pay vendors directly. Examples of costs that direct payments may cover include, but are not limited to:

- a. Replacement bedding, clothing, or other household items;
  - b. Securing new or temporary housing, including paying a security deposit, first month's rent, or moving expenses;
  - c. Security measures such as re-keying locks, replacing a cell phone, or purchasing a motion detector or security camera that does not require installation (see Funding Restrictions below regarding not using grant funds for minor renovations).
7. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities.
- a. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner; a contract is for the purpose of obtaining goods and services for the recipient's use.
  - b. The substance of the relationship is more important than the form of the agreement in determining whether the entity receiving federal funds is a subrecipient or a contractor.
  - c. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and oversight requirements in 2 C.F.R. §§ 200.317-200.327.
  - d. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. §§ 200.328-200.329 & 200.332, which includes oversight of subrecipient spending and overall performance to ensure that the goals of the subaward are achieved.

For more information on distinguishing between subawards and contracts, see the [Budget Information](#), the [Sample Budget Narrative](#), and the [Application Companion Guide](#).

### *Food and Beverage/Costs for Refreshments and Meals*

Recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the meeting or conference. Examples include, but are not limited to:

- 1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
- 2. Failure to serve food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
- 3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
- 4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative, including relevant details about the applicant's community, such as a rural or remote location. For

additional information on restrictions on food and beverage expenditures, see OVW Conference Costs Guidelines (posted on the [OVW website](#)).

### Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW Conference Planning](#).

### Indirect Cost Rate Agreement

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not have a current federal negotiated indirect cost rate (including provisional rate), may elect to charge a de minimis rate of up to 15% of modified total direct costs (MTDC).

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information.

### Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

### Nonprofits Only: Disclosure of Process for Setting Executive Compensation (if applicable)

Nonprofit organizations that use the Internal Revenue Service's (IRS) Safe Harbor Procedure (described below) must submit a special disclosure to OVW (required by 34 U.S.C. § 12291(b)(15)(B)(iii)). All other applicants may skip this section.

**IRS Safe Harbor Procedure:** A nonprofit organization that provides unreasonably high compensation to certain executives may subject both the organization's managers and those who receive the compensation to additional federal taxes. However, the IRS may treat executive compensation levels as reasonable if the nonprofit organization satisfies certain rules set out in IRS regulations. These rules concern the organization's process for making compensation decisions and are known as the "three-step safe-harbor procedure" to create a "rebuttable presumption" of reasonableness for compensation of an organization's executives. See 26 C.F.R. § 53.4958-6.

**The special disclosure must** describe the process the applicant uses to determine the compensation of its officers, directors, trustees, and key employees. At a minimum it must describe (terms explained in IRS regulations are in italics):

1. the composition of the body that reviews and approves *compensation* arrangements for officers, directors, trustees, and key employees (covered individuals);
2. the methods and practices used by the organization to ensure that no individual with a *conflict of interest* participates in such review and approval;
3. the *appropriate data as to comparability* (obtained in advance) that the body uses to review and approve compensation arrangements for covered individuals; and
4. the records the applicant maintains as concurrent and adequate *documentation* of the body's decisions related to compensation, including records of deliberations and of the basis for decisions.

The disclosure must be uploaded as an attachment to the application in JustGrants, titled "Disclosure of Process Related to Executive Compensation." A sample disclosure is available on the [OVW website](#).

**Note:** OVW is required by law to make the applicant's disclosure available for public inspection, if requested. In addition, if funded, the applicant must update its disclosure in certain circumstances (e.g., if it changes the way it determines compensation).

## **Supporting Documents**

### **Letter(s) of Support (ONLY Tribal Nonprofit Organizations, 0 points)**

For an applicant applying as a Tribal organization or Tribal nonprofit organization, applicants must submit a letter of support (LOS) from each of the Tribes to be served through the proposed project. For purposes of this application a LOS is a document from federally recognized Tribe(s), demonstrating support for the applicant organization's proposed project. The LOS **must** be dated and signed by the Authorized Representative of the Tribe during the development of the application.

The LOS must:

1. Address whether the Tribe is familiar with the types of services provided by the applicant AND whether these services are available and provided to Tribal members;
2. Describe whether the Tribe has previously worked or partnered with the applicant organization, and, if so, under what circumstances; and
3. Clearly explain why the Tribe supports the applicant's proposed project.

For a sample LOS, see [OVW Resources for Applicants](#).

## **Additional Application Components**

The following documents will not be scored but must be uploaded and attached to the application in JustGrants. Failure to do so may result in the application being removed from consideration.

### Certification Regarding Out-of-Scope Activities

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that grant funds will not be used for the following out-of-scope activities:

1. Promoting or facilitating the violation of federal immigration law.
2. Inculcating or promoting gender ideology as defined in Executive Order 14168, *Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government*.
3. Promoting or facilitating discriminatory programs or ideology, including illegal DEI and "diversity, equity, inclusion, and accessibility" programs that do not advance the policy of equal dignity and respect, as described in Executive Order 14173, *Ending Illegal Discrimination and Restoring Merit-Based Opportunity*. This prohibition is not intended to interfere with any of OVW's statutory obligations, such as funding for HBCUs, culturally specific services, and disability programs.
4. Activities that frame domestic violence or sexual assault as systemic social justice issues rather than criminal offenses (e.g., prioritizing criminal justice reform or social justice theories over victim safety and offender accountability).
5. Generic community engagement or economic development without a clear link to violence prevention, victim safety, or offender accountability.
6. Programs that discourage collaboration with law enforcement or oppose or limit the role of police, prosecutors, or immigration enforcement in addressing violence against women.
7. Awareness campaigns or media that do not lead to tangible improvements in prevention, victim safety, or offender accountability.
8. Initiatives that prioritize illegal aliens over U.S. citizens and legal residents in receiving victim services and support.
9. Excessive funding for consulting fees, training, administrative costs, or other expenses not related to measurable victim support.
10. Any activity or program that unlawfully violates an Executive Order.
11. All other activities listed under the [Out-of-Scope Activities](#) section.

**Note:** Nothing in this certification prohibits recipients from serving all eligible victims as required by statute, regulation, or award condition.

### Letter of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample [Letter of Nonsupplanting](#) is available on the OVW website.

### Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under the [Eligible Applicants](#) section, an entity that is eligible for this program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to attach a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

### Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that recipients and subrecipients must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

## Disclosures and Assurances

All applicants must review, complete, and submit all disclosures, assurances, and certifications in JustGrants as described below.

### Disclosure of Lobbying Activities (if applicable)

Applicants are required to complete and submit a lobbying disclosure form (Standard Form/SF-LLL) **IF** they have paid or will pay any person to lobby in connection with the award for which they are applying **AND** their application is for more than \$100,000. This disclosure requirement is not applicable to such payments by an Indian Tribe, Tribal organization, or any other Indian organization that are permitted by other federal law. For this requirement, lobbying means influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress. (See 31 U.S.C. § 1352; 28 C.F.R. part 69.)

Applicants that are required to submit the SF-LLL must download the form from [https://apply07.grants.gov/apply/forms/sample/SFLLL\\_2\\_0-V2.0.pdf](https://apply07.grants.gov/apply/forms/sample/SFLLL_2_0-V2.0.pdf), complete it, and upload it with their application when prompted to do so in JustGrants.

### Summary of Other Federal Funding

Applicants must disclose whether they have any of the following: 1) an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this funding opportunity closes; 2) a subaward under an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this funding opportunity closes; 3) a pending OVW application as either the lead applicant/potential recipient or as a partner/potential subrecipient; 4) a federal award to do the same or similar work; or 5) a pending federal application to do the same or similar work.

Applicants must provide this information by completing the Summary of Other Federal Funding form in the Disclosures and Assurances section of JustGrants during the application submission process.

## DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants, a copy of which is available [here](#).

## DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants, a copy of which is available [here](#).

## Address to Request Application Package

The complete application package (this NOFO, including links to required forms) is available on Grants.gov and on the [OVW website](#). Applicants wishing to request a paper copy of these materials should contact OVW at 202-307-6026 or at [OVW.Tribal.SASP@usdoj.gov](mailto:OVW.Tribal.SASP@usdoj.gov).

## Prior to Application Submission

### Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time must register with the following systems:

- SAM.gov: Registration with [SAM.gov](#) includes receiving a UEI and takes an average of **2 to 3 weeks**.
- Grants.gov: Registration with [Grants.gov](#) takes an average of **1 week**.
- JustGrants: Registration with JustGrants needs to be completed **ONLY** after successful submission of [Step 1](#) of the application as described below under How to Apply.

**Note:** Registration time frames are estimates. Applicants experiencing registration challenges should contact the system's [help desk](#) and refer to the [OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes](#) section below for guidance on how to proceed.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

**All applicants must maintain active registration in SAM.gov with current information whenever they have a federal award or an application under consideration by a federal agency.** It is the applicant's responsibility to ensure that they are registered with SAM.gov, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process or ensure that all accounts are active and up to date, by **September 2, 2025. Failure to do so may result in missing the application deadline and therefore not being considered for funding.**

## How to Apply

### Step 1:

Submit the SF-424, which is generated when the applicant begins the submission process in Grants.gov. To view the form before completing it in Grants.gov, applicants should click the Package tab under the funding opportunity for which they are applying and select Preview. Preview then provides links to the form.

For Type of Applicant (box 9), do not select Other. The amount of federal funding requested in the “Estimated Funding” section of this form (box 18a) should match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as “**Authorized Representative**” (box 21) must have the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

**Intergovernmental Review (SF-424 Question 19):** This funding opportunity **is not** subject to Intergovernmental Review under Executive Order (E.O.) 12372. In completing the SF-424, an applicant is to answer question 19 by selecting the following response: “Program is not covered by E.O. 12372.”

### Step 2:

Submit the full application, including attachments, in JustGrants at <https://justicegrants.usdoj.gov/>. Applicants begin Step 2 of the application submission process by reviewing the Standard Applicant Information in JustGrants, making edits as needed, confirming the Authorized Representative, verifying the legal name and address, and entering the ZIP code(s) for the areas affected by the project. OVW encourages applicants to review the [JustGrants](#) website for more information, resources, and training.

**Tip:** JustGrants functions better using a PC with Chrome or Edge web browser.

**Note that the Grants.gov and JustGrants deadlines are typically only a few days apart.**

## Submission Dates and Times

- Deadline to submit form SF-424 in Grants.gov: 11:59 pm ET on September 23, 2025
- Deadline to submit the full application in JustGrants: 8:59 pm ET on September 25, 2025

Applicants must make every effort to submit their application electronically in Grants.gov and JustGrants by the deadlines above.

Applicants experiencing technical difficulties should refer to the [OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes](#).

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the [OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster](#) below.

**Application Tip:** OVW strongly encourages all applicants to begin the submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the application deadline and therefore not being considered for funding.

## **Application Submission Checklist**

Applicants must submit all required application items. Prior to peer review, OVW will not contact applicants for missing items. Applicants applying to more than one OVW program are responsible for ensuring that only documents pertinent to this funding opportunity are included with this application. OVW will not redirect documents submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

### OVW Policy for Applicants Experiencing Technical Difficulties

Technical difficulties are issues that are beyond the applicant's control. OVW can confirm when each registration and/or submission action began.

#### Technical difficulties with SAM.gov or Grants.gov

1. Contact [SAM.gov or Grants.gov support](#) as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Before the Grants.gov deadline, notify the [OVW contact](#) by email, stating the applicant is experiencing technical difficulties with SAM.gov or Grants.gov. The applicant should provide regular updates to the OVW contact.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify the [OVW contact](#) by email before the [Grants.gov deadline](#).
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant **must** email the complete application (SF-424, Proposal Narrative, Budget and Budget Narrative, Letter(s) of Support (if applicable)) and all documentation confirming the technical difficulty to the [OVW contact](#) by the [JustGrants deadline](#).

#### Technical difficulties while applying in JustGrants

1. Contact OVW JustGrants Support at [OVW.JustGrantsSupport@usdoj.gov](mailto:OVW.JustGrantsSupport@usdoj.gov) or 866-655-4482 as soon as the applicant is aware of a problem. OVW JustGrants Support is a separate Help Desk from OJP and COPS and is dedicated to OVW applicants.
2. Maintain documentation of all communication with OVW JustGrants Support.
3. Work with OVW JustGrants Support to resolve the technical difficulty.
4. Email the [OVW contact](#) before the [JustGrants deadline](#). If an applicant must submit their application by email due to a technical difficulty, they must do so by the JustGrants deadline, but **no earlier than 4 hours prior to the deadline**. The email must include the following:

- A detailed description of the technical difficulty.
- The contact information (name, telephone, and email) for the person making the request.
- The applicant's UEI number.
- JustGrants application numbers and User Support tracking numbers.
- The complete application (SF-424, Proposal Narrative, Budget and Budget Narrative, [Letter(s) of Support (if applicable) and other required documents).

OVW does not guarantee that applications submitted by email will be considered for funding, even if the email is received before the JustGrants deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants deadline. OVW may then ask applicants to coordinate with OVW to submit applications in Grants.gov and JustGrants.

### OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-made Disaster

Cases of severe inclement weather or natural or man-made disaster are the only circumstances under which OVW may accept applications after the deadline. In such circumstances:

1. Email the [OVW contact](#) listed in this NOFO as soon as the applicant is aware of severe weather or disaster that may prevent the applicant from submitting the application on time. The email should describe the weather event or disaster, including when it occurred or is likely to occur, the impacted area, and the impact on the applicant and/or partners' ability to ensure the application is submitted before the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, then attach the application to the email.
2. After following step 1, contact OVW within 48 hours after the deadline or as soon as communications are restored.

**Note: OVW may not be able to accommodate all requests.**

Within 30 days of receiving a request for late submission, OVW will notify the applicant of a decision to approve or deny it.

## Application Review Information

---

### Responsiveness Review

Criteria that make an application or project ineligible are listed in the [Application Contents](#) and [Eligibility](#) sections of this NOFO. Additional information about circumstances that may result in removal from consideration is provided below under [Review and Selection Process](#) and [Risk Review](#).

## Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Applications will also be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Scoring details can be found in the [Application Contents](#) section of this NOFO.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

## Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

### Peer Review

OVW will subject all eligible, complete, and timely applications to a [peer review process](#) that is based on the criteria outlined in this NOFO. OVW may use internal reviewers, external reviewers, or a combination of both.

OVW peer reviewers may include victim advocates, judges, prosecutors, law enforcement officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with people with disabilities or older adults, and providing services to victims, including transitional housing and services provided by community organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority are current practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by people with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers. All reviewers are required to adhere to OVW's peer review conflict of interest policy, which is designed to identify and resolve any issues that may call into question a reviewer's impartiality or objectivity regarding an application.

### Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 10 points).
2. Out-of-scope and unallowable activities (deduct up to 10 points).
3. Past performance (deduct up to 25 points).

#### 4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration regardless of the application's peer review score.**

#### Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards under this program will be reviewed for past performance and risk, based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.
7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.
9. Timely resolution of issues necessary to close out prior awards.
10. Timely resolution of issues identified during financial monitoring.
11. Timely response to OVW requests.
12. Development of deliverables that support the project goals and objectives and are of acceptable quality.
13. Implementation of the project as designed without unjustified modification.
14. Timely submission of federal financial reports (FFR).
15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.

Absent explicit statutory authorization or written delegation of authority to the contrary, all award decisions will be made by the OVW Director, who also may consider factors including but not limited to: geographic diversity, statutory considerations, applicable priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

## **Risk Review**

Prior to making an award, OVW must evaluate the risk posed by applicants as described in 2 C.F.R. § 200.206(b), using the applicant's responses to the questions listed in [Appendix A](#). OVW also must review and consider integrity and performance information about applicants that is available in SAM.gov. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW considers the applicant's comments as well as other information available in SAM.gov in making its judgment about the risk posed by making an award to the applicant.

### **High-Risk Recipients**

Based on DOJ's assessment of each recipient's current or past funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a recipient may be designated "high-risk." Awards to high-risk recipients may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk recipients with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

## **Award Notices**

---

OVW notifies applicants through JustGrants (not Grants.gov) when they receive an award. Successful applicants then log into JustGrants to review and accept the award. The Authorized Representative must acknowledge that they have read and understood all sections of the award instrument and they must submit the required declaration and certification to accept the award. These steps must be completed electronically in JustGrants.

By the anticipated decision notification date in the [Key Dates](#) section of this NOFO, unsuccessful applicants will receive a letter addressed to their Authorized Representative with information on how to receive feedback on their application.

### **Availability of Funds**

All awards are subject to the availability of appropriated funds as well as any modifications or additional requirements imposed by law. There is no guarantee that funds will be available in the future. Depending on availability of funding and an application's merit, OVW may fund an application not selected under this funding opportunity in a future fiscal year or under another OVW program.

## **Post-Award Requirements and Administration**

---

### **Administrative, National Policy, and Other Legal Requirements**

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information

pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Application Companion Guide](#) entitled “Requirements for All OVW Applicants and Recipients.”

[Terms and conditions](#) for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

### Civil Rights and Accessibility

Recipients must comply with applicable federal civil rights laws and nondiscrimination provisions. Taken together, these federal laws prohibit recipients from discriminating either in *employment* (subject to an exemption for certain faith-based organizations) or in the *delivery of services or benefits* based on race, color, national origin, sex, religion, or disability, and in the delivery of services or benefits based on age. In addition, VAWA, as amended, includes a nondiscrimination provision that covers any program or activity funded in whole or in part by OVW. 34 U.S.C. § 12291(b)(13)(A).

### Sex-specific Programming

Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program (e.g., in the case of women’s safety), so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. *Id.* § 12291(b)(13)(B). More information on these obligations is available in the [Application Companion Guide](#).

Compliance with federal civil rights laws includes taking reasonable steps to ensure that persons with limited English proficiency (LEP individuals) have meaningful access to recipients’ programs and activities and to ensure that their programs and activities are readily accessible to people with disabilities, as well as people who are Deaf or hard of hearing. **Serving victims effectively and supporting their safety and recovery requires programs to be accessible to people with disabilities and those who are Deaf or hard of hearing, to provide language access to LEP individuals, to ensure that any sex-segregated or sex-specific services are comparable, and generally to serve all survivors free from discrimination.**

## Post-Award Reporting Requirements

OVW recipients must submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Performance report forms will be provided to all award recipients. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post-award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Application Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

## Other Information

---

### Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, easily understood, and not unnecessarily burdensome. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

**Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.**

## **Appendix A: Pre-Award Risk Assessment**

**Note:** Applicants must complete this questionnaire in JustGrants. The questions listed below are for reference only. Each applicant must respond to each question. Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed in the questionnaire. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal

Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the names(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.
