Native American tribal organizations (other than Federally recognized tribal

governments)

Native American tribal governments (Federally recognized)

Additional (Other - Urban Indian organizations - Urban Indian organization as defined by

**Information on** 25 U.S.C. 1603(29), that is currently administering a contract or receiving an

award pursuant to 25 U.S.C. 1653. The term "Urban Indian organization"

means a nonprofit corporate body situated in an urban center, governed by

an urban Indian controlled board of directors, and providing for the

maximum participation of all interested Indian groups and individuals, which body is capable of legally cooperating with other public and private entities

for the purpose of performing the activities described in 25 U.S.C. 1653(a).

You must provide proof of nonprofit status. See attachments.)

#### **Additional Information**

**Agency Name:** Indian Health Service

**Eligibility:** 

**Description:** 

The purpose of this program is to support communities to directly increase the diagnoses, treatment, and prevention of HIV, HCV, and syphilis. Successful applicants will work toward a re-duction of new HIV infections and relevant co-morbidities, specifically syphilis and HCV infections; improve HIV/HCV/syphilis-related health outcomes; and reduce HIV/HCV/syphilis-related health disparities among the AI/AN population. In four separate but related parts, this initiative aims to implement effective and innovative strategies, interventions, approaches, and services to reduce new HIV/HCV/syphilis infections among AI/AN communities in the U.S. This initiative's overarching goals are to: (1) Reduce new HIV, HCV, and syphilis infections to less than 3,000 per year by 2030; and (2) achieve a 90 percent reduction in new HCV infections and a 65 percent reduction in mortality, compared to a 2015 baseline.
