rmation on methamphetamine, and/or prescription drug use/misuse by local youth. **Eligibility:** They must be a nonprofit (as defined by the IRS as a 501(c) organization);

They must be a nonprofit (as defined by the IRS as a 501(c) organization); or an entity that the Administrator determines to be appropriate; or part of, or is associated with an established legally recognized domestic, public or private nonprofit organizations. For example, state and local governments, federally recognized tribes, state-recognized tribes, urban Indian organizations (as

defined in Pub. L. No. 94-437), public or private universities and colleges, professional associations, voluntary organizations, self-help groups, consumer and provider services-oriented constituency groups, community-and faith-based organizations, and tribal organizations. (Pub. L. No. 114-198 Sec 103). In addition, applicants must document rates of misuse of opioids or use of methamphetamines that are higher than the national average over a sustained period. The statutory authority for this program (Section 103 of the Comprehensive Addiction and Recovery Act) limits eligibility to domestic public and private nonprofit entities that are current or former Drug-Free Communities (DFC) Support Program recipients. The intent of the CARA Support Program is to fund coalition activities in the United States and does not authorize the funding of organizations or activities outside the United States. A CARA legal applicant (an organization applying on behalf of a coalition, the coalition, or the applicant coalition) must reside within the United States and/or the U.S. territories.

Additional Information

Agency Name: Centers for Disease Control - NCIPC

Description: The Drug-Free Communities (DFC) Support Program was created by the Drug-

Free Communities Act of 1997 (Public Law 105-20). The Executive Office of the President, Office of National Drug Control Policy (ONDCP), and the Department of Health and Human Services (HHS), Centers for Disease Control and Prevention (CDC), National Center for Injury Prevention and Control (NCIPC) are accepting applications for Fiscal Year (FY) 2026 Comprehensive Addiction and Recovery Act (CARA) Community-based Coalition Enhancement Grants to Address Local Drug Crises Grants (CARA Local Drug Crises Grants) as an enhancement to current or formerly funded Drug-Free Communities (DFC) Support Program recipients. The purpose of this program is to prevent and reduce the use of opioids and methamphetamines and the misuse of prescription drugs among youth ages 12-18 in communities throughout the United States.
