# Additional Information

**Agency Name:** Health Resources and Services Administration

**Description:** The purpose of Women's Initiative for Screening and Health (WISH) is to improve women's health across the lifespan by increasing access to and availability of preventive health services. Through a multidisciplinary coalition of healthcare providers, academic institutions, and patient-centered organizations, WISH drives a comprehensive strategy to: (1) review and recommend evidence-based updates to the HRSA-supported women's preventive service guidelines (Guidelines), (2) raise awareness and knowledge of the (Guidelines), and (3) increase adoption and use of the Guidelines in clinical practice.
