1. INTRODUCTION

1.1. PURPOSE AND BACKGROUND

The Washington Department of Commerce, hereafter called "COMMERCE," is initiating this Request for Proposals (RFP) from qualified and interested organizations to provide reentry services for people returning from correctional facilities. This effort is part of the Community Reinvestment Program (CRP), which supports economic development, legal assistance, violence prevention, and reentry services. The focus on the reentry services grants is to facilitate successful transitions for persons formerly incarcerated in an adult correctional facility or juvenile residential facility in Washington.

COMMERCE intends to award Multiple contracts to provide the services described in this RFP.

1.2. OBJECTIVES AND SCOPE OF WORK

The objective of this RFP is to fund community-based organizations to deliver comprehensive reentry services that reduce recidivism and improve participant outcomes, aligning with the broader vision to enhance reintegration and statewide systems. Services should be culturally relevant, trauma-informed, and consider incorporating peer leaders with lived experience to support participants.

Scope of Work

Proposals that include a plan to provide multiple aspects of the following types of services and support are strongly encouraged to apply:

- **Pre- and Post-Release Navigation:** Provide support for housing, identification, healthcare enrollment, education/employment planning, and benefit access. Develop individualized reentry plans, especially for those exiting correctional facilities.
- **Specialized Support for Complex Needs:** Offer behavioral health peer navigation, trauma-informed services, reentry housing, and support for co-occurring disorders, following best practices for culturally and linguistically appropriate services.
- **Employment and Training Access:** Provide pre-apprenticeships, licensing assistance, and peer-supported career pathways to boost employment opportunities.
- **Cross-System Coordination and Data Sharing:** Foster collaboration through Memorandum of Understandings (MOUs) for shared care planning and data exchange among jails, corrections, managed care organizations, housing, and workforce entities.
- **Healing-Centered Practices:** Include restorative justice circles, family reunification support, and trauma-informed case management rooted in culturally specific traditions and peer engagement.

Proposals may include plans for transportation, communication, basic needs, and other support for currently and formerly incarcerated people in Washington State.

Proposers are not required to use Medicaid billing, Certified Peer Counselor (CPC) credentials or meet specific regulatory standards. These are goals for the contract period to help providers build their capacity over time.

The scope includes delivering these services across the following regions as identified by the map below.

For funding amounts for each region, refer to section 1.4 FUNDING.

1.3. MINIMUM QUALIFICATIONS

3.4. MANAGEMENT PROPOSAL

A. Project Management (SCORED)

1. **Project Team Structure and Internal Controls:** Provide a description of the proposed project team structure and internal controls to be used during the course of the project, including any subcontractors. Proposers are reminded to select subcontractors only after reviewing all relevant requirements. Provide an organizational chart indicating lines of authority for personnel involved in performance of this potential contract and relationships of these staff to other programs or functions of the organization(s). This chart must also show lines of authority to the next senior level of management. Include who will have prime responsibility and final authority for the work.
2. **Staff Qualifications and Experience:** Identify staff, and any proposed subcontractors who will be assigned to the potential contract, indicating the responsibilities and qualifications of such personnel, and include the amount of time each will be assigned to the project. Provide resumes for the named staff, which include information on the individual's particular skills related to this project, education, experience, significant accomplishments, and any other pertinent information. Staff identified in the Proposal must perform the assigned work. Any staff substitution must have prior approval from COMMERCE.

B. Experience of the Proposer (SCORED)

1. Indicate the demonstrated experience the Proposer has with initiatives that serve individuals impacted by incarceration. If the Proposer does not have the specified experience, explain whether the Proposer plans to seek a subcontractor with that experience or other mitigation strategies. Response should include, but is not limited to, the following areas:
 - a. Conducting collaborative resource connection and reentry-related program development.
 - b. Building strong, trusted relationships and activities to support community-based services for youth and/or adults reentering the community post-incarceration.
 - c. Providing services to justice-impacted individuals regardless of conviction type, extensive needs, ability to maintain complete abstinence, and population accessibility.
 - d. Recruiting people with lived experience with incarceration into program roles, management roles, and advisory roles within the organization.
 - e. Providing resources and opportunities within reentry systems that are free from stigma, racial bias, and all forms of discriminatory practices and ideologies.

2. Indicate any other relevant experience that shows the qualifications of the Proposer, and any proposed subcontractors for the performance of the potential contract.
3. Include a list of contracts the Proposer has had during the last five years that relate to the Proposer's ability to perform the services needed under this RFP.
 - a. List contract reference numbers
 - b. Period of performance
 - c. Contact persons
 - d. Telephone numbers
 - e. E-mail addresses

C. Related Information (MANDATORY)

1. If the Proposer or any known subcontractor contracted with the state of Washington during the past 24 months, indicate the name of the agency, the contract number and project description and/or other information available to identify the contract.
2. If the Proposer's staff or subcontractor's staff was an employee of the state of Washington during the past 24 months, or is currently a Washington State employee, identify the individual by name, the agency previously or currently employed by, job title or position held and separation date.
3. If the Proposer has had a contract terminated for default in the last five years, describe such incident. Termination for default is defined as notice to stop performance due to the Proposer's non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the Proposer, or (b) litigated and such litigation determined that the Proposer was in default.
4. Submit full details of the terms for default including the other party's name, address, and phone number. Present the Proposer's position on the matter. COMMERCE will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience. If no such termination for default has been experienced by the Proposer in the past five years, so indicate.

D. References Exhibit E (MANDATORY)

Fully fill out the References section within Exhibit E. This is done by listing names, addresses, telephone numbers, and e-mail addresses of three (3) business references for the Proposer and three (3) business references for the lead staff person for whom work has been accomplished and briefly describe the type of service provided. Do not include current COMMERCE staff as references. By submitting a Proposal, the Proposer and any partners or agents authorize COMMERCE to contact these references and any others who, from COMMERCE'S perspective, may have pertinent information. COMMERCE may or may not contact references in its sole discretion.

E. By and For Organizational Information Form Exhibit G (MANDATORY)

Commerce is required to distribute CRP grant funding in collaboration with by-and-for organizations. All applicants must complete and submit the form, including all related attachments, to attest that they meet the criteria as a by-and-for organization.

F. OMWBE and WDVA Certification (OPTIONAL AND NOT SCORED)

Include proof of certification issued by the Washington Office of Minority and Women's Business Enterprises (OMWBE) or Washington Department of Veteran Affairs (WDVA) if certified small, minority-, women-, or veteran-owned business(es) will be participating on this project in any capacity. For more information please see Sections 1.5 and 2.9, and visit: www.omwbe.wa.gov or www.wdva.wa.gov.

3.5. COST PROPOSAL

The total amount proposed for a selected region must not exceed the amount specified in Section 1.4 to be considered responsive to this RFP.

Proposals are to submit a fully detailed budget using the template provided within Exhibit F of this RFP, including personnel costs and any expenses necessary to accomplish the tasks and to produce the deliverables within the proposed project. Applicants must provide a detailed narrative for each identified expense, explaining how the cost was calculated and why the expenses are necessary to successfully complete the project.

The evaluation process is designed to award this procurement not necessarily to the Proposer of least cost, but rather to the Proposer whose Proposal best meets the requirements of this RFP.

Identification of Costs (Mandatory)

For each selected region separately, identify all costs in U.S. dollars including expenses to be charged for performing the services necessary to accomplish the objectives of the contract. The Proposer is to fill out and submit a Budget Template (Exhibit F) for each selected region. The Budget template must have a fully detailed narrative and calculation for all costs that are identified as necessary to complete the tasks and to produce the deliverables under the contract. Proposers are required to collect and pay Washington state sales and use taxes if applicable.

Costs for work to be completed by subcontractors are to be broken out separately.

4. EVALUATION AND CONTRACT AWARD

4.1. EVALUATION PROCEDURE

Responsive Proposals will be evaluated strictly in accordance with the requirements stated in this RFP and any addenda issued. The evaluation of Proposals will be accomplished by one or more evaluation team(s) designated by COMMERCE, which will determine the ranking of the proposals.

COMMERCE, in its sole discretion, may elect to invite top-scoring Proposers as finalists for a virtual presentation or interview.

The RFP Coordinator may contact the Proposer for clarification of any portion of their Proposal. Proposers are not permitted to submit, resubmit, correct, or change any materials of any kind after the date and time stated in Section 2.6 SUBMISSION OF PROPOSALS.

COMMERCE reserves the right to award the contract(s) to the Proposer(s) whose Proposal is deemed to be in the best interest of COMMERCE and the state of

Washington. See also Section 1.5 MANDATORY AWARD TO SMALL OR VETERAN-OWNED BUSINESS.

4.3. VIRTUAL PRESENTATIONS MAY BE REQUIRED

After evaluating the written proposals COMMERCE may elect to schedule virtual presentations or interviews of top-scoring Proposers. If so, COMMERCE will contact the top-scoring Proposers from the written evaluation to schedule a date and time to meet on a platform such as Zoom or Microsoft Teams. Any commitments made by the Proposer during a virtual presentation or interview will be considered binding.

The scores from the written evaluation and the virtual presentation combined together will determine the Apparent Successful Contractor.

4.4. NOTIFICATION TO RESPONDENTS

COMMERCE will notify the Apparent Successful Contractor(s) of their selection in writing upon completion of the evaluation process. Proposers who were not selected for further negotiation or award will be notified separately. Notification may also be made to the COMMERCE public website, Washington Electronic Business Solution (WEBS), or other publicly accessible locations.

4.5. DEBRIEFING OF UNSUCCESSFUL PROPOSER

Any Proposer who has submitted a Proposal and received notice that they were not selected for contract negotiation may request a debriefing. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Unsuccessful Proposer Notification is e-mailed to the Proposer. The debriefing must be scheduled within three (3) business days of the request.

Discussion at the debriefing conference is strictly limited to the following:

- Evaluation and scoring of that Proposer's Proposal;
- Any written comments from evaluators related to that Proposer;
- Review of Proposer's final score in comparison with the other final scores without identifying the other Proposers or reviewing their Proposals.

Comparisons between Proposals or evaluations of the other Proposals is not allowed. COMMERCE will not discuss any items other than the three bullet points above. Debriefing conferences may be conducted on the telephone or by other electronic means and will be scheduled for a maximum of thirty (30) minutes. COMMERCE reserves the right to end a debriefing for any reason.

4.6. PROTEST PROCEDURE

Protests may be filed only by Proposers who submitted a response to this RFP and who have participated in a debriefing conference. Upon completing the debriefing conference,

the Proposer is allowed five (5) business days to file a protest with the RFP Coordinator. Protests must be received by the RFP Coordinator no later than 5:00pm Pacific time on the fifth business day following the debriefing. Protests must be submitted by email. Proposers may choose to copy COMMERCE'S Central Contracts Office at comcustserv@commerce.wa.gov. Do not copy any other COMMERCE staff.

Proposers protesting this RFP shall follow the procedures described below. Protests that do not follow these procedures will not be considered. This protest procedure constitutes the sole administrative remedy available to Proposers under this RFP.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized agent. The protest must state the RFP number, the grounds for the protest from the list below with specific facts, and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, or conflict of interest on the part of an evaluator;
- Errors in computing the score;
- Non-compliance with procedures described in this RFP or COMMERCE policy.

Protests not based on procedural matters will not be considered. Protests will be dismissed as without merit if they address issues such as an evaluator's professional judgment on the quality of a proposal, or COMMERCE'S assessment of its own and/or other agencies' needs or requirements.

Scores received are not a valid basis of protest and will be dismissed as without merit unless included with facts supporting bias, discrimination, or conflict of interest on the part of an evaluator.

Upon receipt of a protest, a protest review will be held by COMMERCE. COMMERCE'S Chief Contracts Officer, or other employee delegated by the Director who was not involved in the award process, will consider the record along with all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may directly impact the actual interest of another Proposer, such Proposer may be given an opportunity to submit its views and any relevant information on the protest.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold COMMERCE’S action; or
- Find only technical or harmless errors in COMMERCE’S process and determine COMMERCE to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide COMMERCE options which may include:
 - Correct the error(s) and re-evaluate all proposals, or
 - Cancel this RFP and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If COMMERCE does not find merit in the protest, COMMERCE may enter into a contract with the Apparent Successful Contractor(s). If the protest is determined to have merit, one of the options above will be taken.
