The purpose of the Culturally Specific Services for Domestic Violence and Sexual Assault program is to provide culturally specific services for survivors of domestic violence and sexual assault. Objectives include services for survivors of sexual assault and domestic violence to address emergent needs resulting from a public health emergency and other public health concerns and support for organizations to promote strategic partnership development and collaboration in responding to the impact of public health concerns on survivors of sexual assault and domestic violence.

Optional activities include providing legal advocacy, job training and employment services, and identifying secure and safe affordable temporary or permanent housing.
