Description

[↓ Jump to all documents](#)

The Rural Communities Opioid Response Program (RCORP)–Impact funds rural communities to drive measurable improvements in access to integrated, coordinated treatment and recovery services for substance use disorder (SUD), including opioid use disorder (OUD). Its long-term aim is to reduce morbidity and mortality associated with SUD and enable sustained recovery and well-being. The program supports: New or expanded evidence-based SUD prevention, treatment, and recovery services in rural areas; Coordination across health and supportive social services to enable sustained, long-term recovery; A larger,...
