### 1. NOFO Summary

The Continuum of Care Builds (CoC Builds) program under this Notice of Funding Opportunity (NOFO) provides \$100,000,000 for competitive grants for the new construction, acquisition, or rehabilitation (capital costs) of new permanent supportive housing (PSH) units. Through this NOFO, HUD encourages CoCs to leverage funds provided for capital costs of

new PSH units with other funding sources to maximize the amount of housing that can be directed to meet the needs of homeless individuals and families. PSH is defined at [24 CFR 578.3](#) as permanent housing in which supportive services are provided to assist homeless persons with a disability to live independently. No more than 20 percent of each award may be used for other eligible CoC Program activities (Section IV.B.1.b) associated with the PSH project and no more than 10 percent of an award may be used for project administration.

This NOFO solicits applications for CoC Builds. Review the entire NOFO to understand the application requirements in full. HUD will not fund incomplete or ineligible applications.

## 2. Funding Details

### Type of Funding Instrument

G (Grant)

Grant terms may be 2, 3, 4 or 5 years. Projects selected for conditional award must be able to:

- a. provide proof of site control ([24 CFR 578.25](#)) at the time of project application;
- b. demonstrate, prior to grant agreement execution, that the project is financially feasible ([24 CFR 578.21](#); see Section III.G of this NOFO for more information); and
- c. execute the grant agreement with HUD within the time frame permitted.

Additionally, projects selected for conditional award must:

- d. have a completed environmental review before awarded funds can be drawn for project activities;
- e. complete a subsidy layering review (SLR) in accordance with [24 CFR 578.29](#) and Section III.G of this NOFO prior to grant execution; and
- f. meet the timeliness standards outlined in [24 CFR 578.85](#) for new construction or rehabilitation activities.

Project applicants should select the grant term based on the type of capital costs project you are submitting and the realistic time frame for completion. Generally, rehabilitation and acquisition timeframes are less than new construction.

See [24 CFR 578.85](#) for timeliness requirements related to new construction and rehabilitation projects.

The non-capital costs associated with PSH projects awarded under this NOFO may be eligible for future renewal under the CoC program, subject to the same terms and conditions as other renewal applicants.

### Available Funds

Funding of approximately **\$100,000,000** is available through this NOFO.

Additional funds may become available for award. Use of these funds is subject to statutory constraints. All awards are subject to the selection process contained in this NOFO.

Of this \$100,000,000, not less than \$35,000,000 is available only for CoCs that are located in

states and territories with populations of fewer than 2.5 million people.

However, if HUD does not receive the indicated application requests from CoCs in states and territories with populations of fewer than 2.5 million people, any remaining amount may be awarded to qualified applicants for projects in any state.

### Estimated Number of Awards

8 awards from [available funding](#)

The maximum award amount under this CoC Builds NOFO is based on the Final Pro Rata Need (FPRN) Report, indicating each CoC's FPRN, which is the higher of the CoC's Preliminary Pro Rata Need (PPRN) or Annual Renewal Demand. The maximum award amount for a single project may not exceed the maximum amount listed in the Maximum Amount for a Single Project column of the following chart. The CoC Builds FPRN Report is located on HUD's website.

FPRN Amount	Maximum Amount for a Single Project
\$40,000,000 and above	\$12,000,000
\$10,000,000 to \$39,999,999	\$11,000,000
\$0 to \$9,999,999	\$9,000,000
CoCs that are the only CoC within their State or Territory	\$12,000,000

Maximum Award and Fair Market Rent (FMR) Adjustments. The process for determining the maximum award amount above was based in part on the standard CoC formula language in [24 CFR 578.17\(b\)](#).

Minimum Award Amount: \$1,000,000

Maximum Award Amount: \$12,000,000

## II. ELIGIBILITY

### A. Eligible Applicants

If your organization is not an eligible applicant, your application won't be reviewed or scored, and you won't receive funding from HUD.

#### 1. Eligible Entity Types:

00 (State governments)

01 (County governments)

02 (City or township governments)

04 (Special district governments)

06 (Public and State controlled institutions of higher education)

12 (Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education)

25 (Others (see text field entitled "Additional Information on Eligibility" for clarification))

#### Additional Information on Eligibility

You cannot apply as an individual.

[Faith-based organizations](#) may apply just like any other organization. [HUD does not have any policies or practices that unfairly target these institutions.](#)

A [faith-based organization](#) may apply on the same basis as any other organization, subject to the requirements in 24 CFR 5.109, and receive the full protections for religion in Federal law, including the Free Speech and Free Exercise Clauses of the Constitution, the Religious Freedom Restoration Act (42 U.S.C. § 2000bb-1), Title VII of the Civil Rights Act (42 U.S.C. §§ 2000e-1(a), 2000e-2(e), and the Americans with Disabilities Act (42 U.S.C. § 12113(d)). [HUD does not engage in any unlawful and improper conduct, policies, or practices that target faith-based organizations.](#)

An organization may seek a religious accommodation from any requirements of this program or other HUD requirement that substantially burden its religious exercise under the Religious Freedom Restoration Act or other applicable law, consistent with 24 CFR 5.109(c). If such an accommodation is requested, HUD will not deny the organization unless it determines that doing so is necessary to further a compelling governmental interest and is the least restrictive means of achieving that interest, consistent with applicable law.

Consistent with the above legal protections, faith-based organizations may also hire, fire, and make other employment decisions on the basis of their sincerely held religious beliefs, including requiring employees to adhere to religious tenets, practices, and standards of

conduct, without jeopardizing their eligibility to receive HUD funds, consistent with applicable law.

A faith-based organization may not use direct financial assistance from HUD to support or engage in any explicitly religious activities except where consistent with the Free Exercise Clause and Establishment Clause of the First Amendment, the Religious Freedom Restoration Act, and any other legal protections for religious exercise. Such an organization also may not, in providing services funded by HUD, or in their outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

## 2. Restrictions

### a. Statutory and Regulatory Requirements

You must meet the current [General Statutory and Regulatory Eligibility Requirements](#). If you do not meet these requirements, your application won't be scored, and you won't receive funding from HUD. This is a threshold requirement for all HUD funding.

1. Application Process. Project applicants must complete the project application in *e-snaps*. Project application(s) must then be reviewed and selected by the CoC for submission under this NOFO. Collaborative Applicants are responsible for completing the Priority Listing; ensuring the selected project application(s) is included for submission. Project applications may include multiple project sites and multiple subrecipients. However, only one application per CoC may be submitted, except for CoCs that are able to submit two project applications because one project proposes new PSH units located on Tribal reservations, trust lands, or in Tribal projects located in IHBG formula areas. Responses to merit-based rating factors in this NOFO will also be submitted through the project applications in *e-snaps*.

2. Indian Tribes and Tribally Designated Housing Entities (TDHE). The Consolidated Appropriations Act, 2021 (Public Law 116-260, approved December 27, 2020) amended title IV to add section 435 of the Act to allow Indian Tribes and TDHEs to be Collaborative Applicants, eligible entities, or subrecipients of the CoC Program in addition to amending title IV section 401 to add the terms "Formula Area" and "Indian Tribe." These amendments mean that not only may Tribes and TDHEs apply for grants through other CoCs, but that formula areas, as that term is defined in the IHBG program at 24 CFR 1000.302, are eligible to be added to the geographic areas of existing CoCs or may be included in newly formed CoCs through the CoC registration process (see Notice [CPD-26-03](#)) or may be temporarily added through the process outlined in Section II.A.2.a.5. Any applicant that is not a Tribe or TDHE proposing to site a project on a Tribal reservation or trust land, or proposing to carry out a Tribal project located in an IHBG formula area must include a Tribal resolution from the Tribe authorizing the applicant to do so or a letter from an official or principal of the Indian Tribe or TDHE who is authorized to act on behalf of the Indian Tribe or TDHE. Tribes do not need to include a Tribal resolution to site a project on their own reservation or trust land.

3. Collaborative Applicants. HUD will only accept CoC Builds project applications from CoCs that have a valid *e-snaps* registration through the FY 2025 CoC Program Registration process. If the Collaborative Applicant changed after the FY 2025 CoC Program Registration process closed, see Section II.D of Notice [CPD-26-03](#), Continuum of Care Program

Registration for the process you must follow to correct the CoC's designated Collaborative Applicant.

4. Parties that are interested in forming a new CoC, including Indian Tribes that are interested in forming a new CoC should contact the Office of Special Needs Assistance Programs via [snapsinfo@hud.gov](mailto:snapsinfo@hud.gov) within 20 days of NOFO publication.

5. Temporarily Add to CoC Geography and Tribal Reservations, Trust Lands, and Tribal projects located in IHBG formula areas. In general, HUD will only consider projects that propose to locate PSH units in geographic areas included in their FY 2025 CoC Program Registration. However, HUD will make an exception for Tribal reservations and trust lands and permit CoCs to temporarily include projects for new PSH units on Tribal Reservations and trust lands not currently a part of their geographic area if the Collaborative Applicant is a Tribe or TDHE or if the CoC adds the Tribal Reservations and trust lands to the geographic areas covered by their CoC with the Tribe's express consent. To apply for a project on a Tribal Reservation or trust land or for a Tribal project located in an IHBG formula area not currently included in the CoCs geographic area, the Collaborative Applicant must add the formula area to the COCs geographic area by sending an email to HUD at [cocbuilds@hud.gov](mailto:cocbuilds@hud.gov) with the following information:

- The name of the CoC.
- The name of the Tribe(s) assigned to the formula area(s) the Collaborative Applicant is seeking to add; and
- If the Collaborative Applicant is adding the formula area on behalf of a CoC that is not an Indian Tribe or TDHE directly selecting their own formula area, a tribal resolution from the applicable Indian Tribe authorizing the CoC to select the trust land or reservation or a letter from an official or principal of the Indian Tribe or TDHE who is authorized to act on behalf of the Indian Tribe or TDHE. Indian Tribes and TDHEs are not required to include a tribal resolution to select their own trust land or reservation.
- This message must be submitted to HUD on or before the application deadline. The formula area must be either contiguous to the CoCs existing geographic area or the formula area must overlap with the CoCs existing geographic area. For the non-capital costs of these PSH projects to be eligible for renewal under the CoC program, the CoC must complete the CoC registration process (see Notice [CPD-26-03](#)) to add the Tribal Reservations and trust lands to the geographic areas covered by their CoC. Note: HUD will not update a CoCs PPRN based on the inclusion of the temporary new formula area(s) to determine the maximum award amount established in Section I.A.4.h of this NOFO and the temporary addition to the CoC's geography will not be considered by HUD under the CoC Program Competition.

\*Please note, if your CoC submitted a request to temporarily add reservation or trust land under a previous CoC Builds NOFO; you must resubmit the request under this NOFO and include the Tribal resolution and American Indian and Alaska Natives (AIAN) codes.

6. Eligible Project Applicants Eligible project applicants for the CoC Program Competition are found at [24 CFR 578.15](#) and include nonprofit organizations, states, local governments, instrumentalities of state and local governments, Indian Tribes and Tribally Designated

Housing Entities (TDHEs), as defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103) ; and public housing agencies, as such term is defined in 24 CFR 5.100, are eligible without limitation or exclusion.

For-profit entities are ineligible to apply for grants and are prohibited from being subrecipients of CoC Program grant funds.

Individuals, foreign entities, and sole proprietorship organizations are not eligible to compete for or receive awards made under this announcement.

## b. Resolution of Civil Rights Matters

If you have any outstanding or unresolved judgments for violating civil rights laws, you must settle them before you apply. If you don't, settle the civil rights law violations before you apply, your application won't be scored, and you won't receive funding from HUD. This is a threshold requirement for all HUD funding.

## B. Eligible Applications

1. An application from an [eligible entity](#) is considered for funding if it meets basic [threshold requirements](#) and passes [merit review](#).
2. Your application must support the [goals](#) of this NOFO.
3. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate illegal racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation.

**CoC Review of Project Applications.** CoCs are required to review proposed CoC Builds applications locally and if more than one application is received, the CoC must determine which application it will submit to HUD. CoCs are required to design a collaborative process consistent with the timeframes associated with this NOFO. CoCs are permitted to submit a second application if the new PSH units are constructed, rehabilitated, or acquired on Tribal reservations or trust lands.

HUD encourages CoCs to use scoring criteria outlined in Section V.B.1 of this NOFO to ensure it submits the most viable application(s) to HUD for review and scoring.

**Certification of Consistency with the Consolidated Plan.** This program requires a Certification of Consistency with the Consolidated Plan under 24 CFR 91.2. This certification means the proposed activities in the application are consistent with the jurisdiction's strategic plan, and the location of the proposed activities is consistent with the geographic areas specified in the Consolidated Plan.

Applicants must submit a certification by the jurisdiction in which the proposed project will be located so that the applicant's project application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F.

Form HUD-2991 must be completed and dated between June 22, 2026 and July 23, 2026.

Additionally, applicants that propose to locate a project on a Tribal reservation or trust land or propose to carry out a Tribal project located in an IHBG formula area must include a Tribal

resolution from the Tribe authorizing the applicant to do so or a letter from an official or principal of the Indian Tribe or TDHE who is authorized to act on behalf of the Indian Tribe or TDHE. Indian Tribes do not need to include a tribal resolution to site a project on their own reservation or trust land. A tribal resolution is the formal way the tribal government expresses its legislative will in accordance with its organic documents. In the absence of such organic documents, a written expression adopted pursuant to tribal practices will be acceptable.

Project applications submitted with project budgets that do not include funding requests for new units of permanent housing through new construction, acquisition, or rehabilitation are ineligible and will not be considered for funding

### C. Cost Sharing or Matching

This Program requires [cost sharing or matching](#), as described below.

[24 CFR 578.73](#) provides the information regarding match requirements. Project applicants that intend to use program income as a match must provide an estimate of how much program income will be used for the match.

# III. PROGRAM DESCRIPTION

## III. Program Description

### A. Purpose

### B. Goals and Objectives

### D. Unallowable Costs

### E. Indirect Costs

## III. PROGRAM DESCRIPTION

### A. Purpose

CoC Builds provides funding for one-time awards under the CoC program for new construction, acquisition, or rehabilitation of new PSH for homeless persons with a disability. Not more than 20 percent of each award made under this NOFO may be used for other CoC eligible activities associated with the award and not more than 10 percent of each award may be used for project administration.

### B. Goals and Objectives

HUD has the following goals for this competition:

- *Increasing Supportive Housing for People with Disabilities.* HUD is seeking applications for PSH projects that are dedicated to serving individuals with a disability, particularly elderly individuals (over age 62). Unlike Transitional Housing projects designed to facilitate moving on to self-sufficiency, HUD encourages PSH resources to be reserved and prioritized for individuals likely to have indefinite support needs who the CoC determines are unlikely to regain self-sufficiency. Given the significant supply of existing PSH across the nation and the underutilization of interim and Transitional Housing solutions; HUD is seeking PSH projects that meet targeted needs in communities, unmet by existing PSH.
- *Partnering with Housing, Health, and Social Service Organizations.* HUD encourages CoCs to apply for PSH projects that coordinate with housing, healthcare, and social service organizations (e.g. primary healthcare, substance-use disorder treatment, mental health treatment, and other services) within the PSH project.
- *Engaging Participants in Services and Community.* HUD is seeking PSH projects that engage participants in services designed to assist them in living independently (i.e., case management, life skills, on-site work or volunteer opportunities, etc.). Projects should facilitate community building among participants.

### C. Authority

CoC Builds is part of the CoC Program that is authorized by Subtitle C of Title IV of the McKinney-Vento Homeless Assistance Act, (42 U.S.C. 11381–11389) (the Act), and the CoC Program rule found in 24 CFR part 578 (the Rule). The CoC Builds funds for this NOFO were provided by the Consolidated Appropriations Act, 2024 (Public Law 118-42, approved March 9, 2024).

### D. Unallowable Costs

While the CoC Program allows for additional costs, the following costs are unallowable in this CoC Builds NOFO:

- Leasing for units or structures;
- Tenant-based and sponsor-based rental assistance;
- CoC planning; and

- Unified Funding Agency (UFA) costs.

## E. Indirect Costs

If you expect to charge [indirect costs](#) to the award, submit the Indirect Cost Information for Award Applicant/Recipient form (HUD-426) with your application.

The HUD-426 form is built into the *e-snaps* Project Applicant Profile. This screen will allow the project applicant to document the use of indirect costs. This information will also be pulled into the project application.

## F. Program History

This NOFO is competing \$100,000,000 in FY 2024 funds with updated rating factors and policy priorities. Previously, on July 19, 2024, HUD published a CoC Builds NOFO that competed FY 2023 and FY 2024 funds together. HUD then decided to compete the FY 2023 and FY 2024 funds in separate NOFOs. See FR-6901-N-25A (May 16, 2025) (rescinding the July 19, 2024 NOFO and competing only the FY 2023 funds) (superseded by FR-6902-N-25A (Sept. 5, 2025) (enjoined by National Alliance to End Homelessness, et al. v. Turner, et al., 1:25-cv-00447 (D.R.I. Mar. 31, 2026))). This NOFO competes the remaining FY 2024 funds.

## G. Other Information

Eligible program participants are homeless individuals and families as outlined in 24 CFR 578.37(a)(1)(i), where at least one individual in the household has a disability. This includes individuals and families who meet the definition of homeless individual with a disability (42 U.S.C. 11360(10)). You must comply with the requirements of the Build America, Buy America (BABA) Act, Sections 70901-52 of Public Law No. 117-58, 41 U.S.C. 8301 note, and all applicable rules and notices, as may be amended, if applicable to the Grantee's infrastructure project. Applicants are encouraged to consult with the NOFO point of contact to confirm additional requirements or waivers specific to each grant. See Build America, Buy America (BABA) Act, Sections 70901-52 of Pub. L. No. 117-58, 41 U.S.C. 8301. For additional resources, please see <https://babawaiver.hud.gov/s/>.

New units of PSH constructed or rehabilitated with funds under this NOFO are subject to [24 CFR 578.75\(a\)](#) and must meet State or local building codes, and if there are no State or local building codes then they must meet the International Residential Code or International Building Code. For new units of PSH that are not receiving funds for project-based rental assistance, the requirements at [24 CFR 578.75\(b\)](#) are not applicable. Consistent with Section III.D. of this NOFO, tenant-based and sponsor-based rental assistance are not eligible costs.

On March 13, 2026, President Trump signed Executive Order 14394, Removing Regulatory Barriers to Affordable Home Construction. The Secretary of Housing and Urban Development, in coordination with the Assistant to the President for Domestic Policy, developed a series of regulatory best practices for state and local governments to implement that will ease existing barriers to housing construction and affordability. HUD encourages applicants to learn more about these best practices here: [State-and-Local-Best-Practices-for-Home-Construction.pdf](#).

Under the CoC Interim Rule at [24 CFR 578.75](#), housing for which project-based rental assistance payments are made with Continuum of Care program funds, must meet the

applicable standards at 24 CFR 982.401 (HQS), and starting on October 1, 2026, 24 CFR 5.703 (NSPIRE). Both HQS and NSPIRE require a bathroom and a kitchen in the unit. HUD will consider requests to waive this regulatory requirement for good cause, to facilitate projects proposing a housing model that does not meet this standard, such as Single Rooms Occupancy units (SROs).

The CoC Interim Rule requires that applicants demonstrate, prior to grant agreement execution, that the project is financially feasible ([24 CFR 578.21\(c\)](#)). Additionally, program regulations require that a Subsidy Layering Review (SLR) be conducted, under 24 CFR 578.29, to ensure that the proposed project is not receiving excessive public assistance. Applicants will be able to meet this requirement by submitting an SLR and financial feasibility analysis conducted by a Housing Credit Agency (i.e., a state housing finance agency or other state housing agency that meets the definition of "housing credit agency" under Section 42 of the internal revenue code of 1986), or through another program administered by the Secretary. The SLR must include consideration of the Continuum of Care assistance being applied for under this NOFO.

HUD may adjust proposed projects, or decide not to fund an application, based on the results of these reviews. Additionally, HUD may reduce any grant amounts not yet drawn as a result of the SLR. Applicants must submit any additional information required by HUD to conduct a financial feasibility review or SLR within 21 days of award announcement, or other timeline established by HUD and meet any additional requirements established by HUD for completion of the SLR and financial feasibility review.

The majority of the required forms and certifications indicated above are built into *e-snaps*. You will not attach the forms, as the information required for each form must be completed in the *e-snaps* application screens. The Certification for Opportunity Zone Preference Points Form (HUD-2996), if applicable, must be attached to the project application in *e-snaps*. Additionally, all applications must include an attached Certification of Consistency with the Consolidated Plan (HUD-2991), Code of Conduct, and non-profit documentation (if applicable).

You must also include in your application evidence of site control ([24 CFR 578.25](#)), which must be in place at the time of application. Evidence includes a deed or lease for new construction or rehabilitation, or a purchase agreement for acquisition.

The financial feasibility review must demonstrate that there is sufficient funding for the project to be sustainable. HUD may adjust proposed budgets, or decide not to fund an application, based on the financial feasibility review.

## B. Budget

You must submit a budget with your application to support your project narrative.

At a minimum, your budget must indicate direct and any indirect costs.

The project application in *e-snaps* includes detailed screens for the budget line items available under this NOFO. Project applicants must complete all applicable application budget screens for their proposed project. There is a screen included in *e-snaps* via the

Project Applicant Profile, which captures the use of an indirect cost rate, if needed.

Project applicants will select the appropriate budget screen(s) based on requested activities.

**1. Project Applications.** Project Applications will include the following detailed budget screens, and project applicants will select the applicable budget(s) for their funding request:

a. Capital Costs:

- New Construction ([24 CFR 578.47](#));
- Acquisition ([24 CFR 578.43](#)); and
- Rehabilitation ([24 CFR 578.45](#)).

b. Other Eligible CoC Program Costs which can be no more than 20 percent of the total request, where project applicants will select the applicable budget(s) for their non-capital costs:

- Supportive Services ([24 CFR 578.53](#));

If a project application's budget exceeds the cost limits noted above, HUD will reduce the costs to the eligible amount which will result in a reduction in the total amount of funds requested. See 24 CFR 578.87(c) for restrictions on combining funds.

**2. VAWA Costs Information.** Section 605(a)(2) of VAWA 2022 amended section 423(a) of the McKinney-Vento Homeless Assistance Act to add the following eligible activity to the CoC program: "Facilitating and coordinating activities to ensure compliance with the emergency transfer plan requirement in [34 U.S.C. 12491(e)] and monitoring compliance with the confidentiality protections in [34 U.S.C. 12491(c)(4)]."

If your project is selected for conditional award, the conditional recipient will work with HUD to complete the technical submission process within *e-snaps*. During this process the conditional recipient will address any issues or conditions identified during the application review process by HUD and finalize budget information. This may include obtaining additional information needed to move to the grant agreement phase.

Additionally, if the conditional recipient will use in-kind services match contributions ([24 CFR 578.73\(c\)](#)) provided by a third party, the recipient must submit documentation, e.g., memorandum of understanding; between the recipient, or subrecipient, and the third party that will provide the services.

## 1. Technical Application Errors

HUD will contact you to fix a technical error with your timely application after the due date. Technical errors, if corrected, do not affect (positive or negative) your merit rating under this NOFO. Examples of technical errors include, but are not limited to: inconsistencies in funding requests; a missing or incomplete form or certification; failure to submit an otherwise sufficient application under the correct Assistance Listings number or Funding Opportunity Number in Grants.gov; improper signature on a form or certification; and missing or inappropriate eligibility documentation.

HUD will send notice to the [authorized organization representative](#) to fix a technical error. You must respond timely and appropriately to HUD's notice (see [submission requirements](#)).

Your application is not eligible for funding if you fail to fix the error to HUD's satisfaction by the due date in HUD's notice. HUD will not review information submitted after the due date in HUD's notice.

## V. APPLICATION REVIEW INFORMATION

### A. Threshold Review

**When you apply:** Your application is reviewed to make sure it meets the threshold requirements of this NOFO. If your application has a [technical error](#), HUD will allow you to [correct it](#). If you fail to meet **any** of the threshold requirements, your application is **not** eligible for HUD funding. If you do meet the threshold requirements, your application moves to [Merit Review](#) (the next step).

#### 1. Timely Application Submission

Late applications are not evaluated and not eligible for funding. See deadlines in [Section VI](#).

#### 2. Complete Application

If your application is timely, HUD will confirm completeness. Your application is considered for funding if it is complete and responsive to the requirements in this NOFO. If your application is incomplete, HUD will ask you to fix any [technical errors](#). Otherwise, incomplete and nonresponsive applications are not considered for funding.

#### 3. Eligible Applicant

Upon receipt, HUD will confirm whether you are an [eligible applicant](#). Applications from ineligible applicants do not proceed to [merit review](#) and are not eligible for HUD funding.

Your application must include at least one capital costs budget line: new construction, rehabilitation, or acquisition. The funding under this NOFO is primarily for the creation of new units of PSH.

In addition, the applicant must certify affirmatively to the following:

The project applicant will not engage in illegal racial discrimination. This is consistent with the requirements of 2 CFR 200.300(a).

This is consistent with the objectives outlined in Section VII.A.4 and is consistent with the requirements of 2 CFR 200.300(a).

This certification is not a requirement that program participants must be sober in order to receive assistance, participate in treatment in order to receive assistance, or be evicted or exited from assistance for a first-time violation of a drug-related program policy or lease requirement.

### B. Merit Review

If your application meets the threshold requirements, a panel will review and score its merits. The panel may include HUD employees and non-employees. They will evaluate your application based on the following criteria. The results of the evaluation are shared with senior HUD officials who make the [final decisions about funding](#) consistent with this NOFO.

### Opportunity Zones

You may receive up to two (2) points, if your proposed activities are within an [Opportunity Zone](#). To receive points, you must complete and submit form HUD-2996, Certification for Opportunity Zone Preference Points. If you expect to use less than 50% of the award in Opportunity Zones, you won't receive preference points. Exceptions may be made if your application justifies the lower percentage or demonstrates a significant impact within those zones.

### Advancing Recovery by Prohibiting Illicit Drug Enablement

Apart from the required selection criteria, you may receive up to ten (10) points, if you can provide the policy or statement the CoC has in place to ensure that the projects submitted by

The budget information will be reviewed to ensure:

- The requested costs are eligible under the CoC Program and this NOFO.
- The total amount of funding is within the amount of funding available to the CoC as described in Section I.A.2 of this NOFO.
- Any funds requested for other eligible CoC Program costs indicated in Section IV.B.1.b of this NOFO are no more than 20 percent of the total funding requested.

- History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of previous Federal awards, and, if applicable, the extent to which any previously awarded amounts will be expended prior to future awards. HUD will not penalize a renewal applicant who sufficiently complied with the terms and conditions in prior NOFOs that are in direct conflict with those contained herein.
- Reports from past audits, including those performed under 2 CFR part 200, subpart F—Audit Requirements
- History of finishing activities on time and using any promised matching or leveraged funds
- Debarments or suspensions
- Misuse of federal funds for purposes outside of the program

HUD in its discretion may use the results of the risk review as a sufficient and independent basis to make adverse funding decisions, including rejecting an award, applying special conditions on an award, or reducing the amount of an award.

## D. Selection Process

When making award funding decisions, HUD will consider:

- All else being equal, preference for applicants with lower indirect cost rates.
- Applicants with demonstrated success in implementing Gold Standard Science (applicable to research awards).
- Applicants with potential to produce immediate results and potential for longer-term, breakthrough results, based on the goals of this NOFO (applicable to research awards).

To the extent allowed by law, HUD may exercise its discretion in deciding whether and how to issue an award based on the above criteria, including decisions to:

- Fund applications in whole or in part.
- Impose special conditions on an award.
- Fund applications at a lower amount than requested.
- Choose to fund no applications under this NOFO.
- Withdraw an award offer and make an offer of funding to another eligible application, if terms and conditions are not finalized or met timely.
- Use additional funds made available after NOFO publication to either fully fund an

application or fund additional applications.

- Correct HUD review and selection errors. If HUD commits an error that causes an applicant not to be selected, HUD may make an award to that applicant when and if funding is available.
- Release another NOFO, if funding is available and if HUD does not receive applications of merit.

HUD will conditionally select project applications based on application score using the following process:

HUD will determine whether the application meets the threshold requirements:

1. For applications that are determined to be eligible and meet threshold requirements, HUD will first select the highest scoring application that will be located on Tribal reservations, trust lands, or in Tribal projects located in IHBG formula areas;
2. HUD will then select the highest scoring remaining eligible applications from states or territories with fewer than 2,500,000 people up to \$35,000,000, which may include an application located on a Tribal reservations, trust lands, or in Tribal projects located in IHBG formula areas that were selected per the previous paragraph if that application was from a state or territory with fewer than 2,500,000 people;
3. HUD will then select the highest scoring remaining eligible applications until the total amount of funding for awards for applications is up to \$100,000,000.

HUD may reduce scores based on the past performance review, if specified under V.B. Rating Factors. Whenever possible, HUD will obtain and review past performance information. If this review results in an adverse finding related to integrity of performance, HUD reserves the right to take any of the remedies provided in the Pre-Selection Review of Performance section of the Eligibility Requirements for Applicants of HUD Financial Assistance Programs.

**Geographic Diversity.** HUD has determined that geographic diversity is an appropriate consideration in selecting projects under this NOFO. HUD believes that geographic diversity can be achieved best by awarding grants in each of HUD's ten regions. To this end, in instances where any of the ten regions do not have at least one funded project, HUD reserves the right to fund eligible project(s) with the highest total score in that region.

**Funding Diversity.** HUD reserves the right to reduce the amount of a grant, if necessary, to ensure no more than 20 percent of assistance made available under this NOFO will be awarded to projects located within any one state. Additionally, HUD reserves the right to select up to four projects where PSH units will be located on Tribal reservations, trust lands, or in Tribal projects located in IHBG formula areas.

**Tie Breaking Rules.** In the case of a tie, HUD will fund the project with the highest score on individual Rating Factor questions; beginning with Rating Factor A.i and continuing until a determination is reached. If HUD exercises a right it has reserved under this NOFO, that right will be exercised uniformly across all applications received in response to this NOFO.

## E. Award Notices

If your application is successful, HUD will email an award notice to the authorized official representative from the SF-424. HUD will also notify unsuccessful applicants.

The award notice communicates the amount of the award, important dates, and the terms and conditions you need to follow. The notice may also include HUD-imposed award conditions as provided under [2 CFR 200.208](#).

You agree to the award terms and conditions by either drawing funds from HUD's payment system or signing the agreement with HUD. If you do not agree to the award terms and conditions, HUD may select another eligible applicant.

Under 2 CFR 200.458 pre-award costs are allowable with written approval from HUD if such costs: a) are consistent with 2 CFR 200.458; and b) would be allowable as a post-award cost; and c) do not exceed 10 percent of the total funds obligated to this award. However, HUD will not consider eligibility for pre-award costs until after the date of the HUD selection notice. Additionally, the incurrence of pre-award costs in anticipation of an award imposes no obligation on HUD either to make the award, or to increase the amount of the approved budget, if the award is made for less than the amount anticipated and is inadequate to cover the pre-award costs incurred.

For selected projects, HUD will require recordation of a HUD-approved use and repayment covenant before funds can be drawn down (the form can be obtained from the local HUD CPD field office) for all grants of funds for new construction, acquisition, and rehabilitation ([24 CFR 578.81](#)). HUD Field Office Counsel must approve the use and repayment covenants in advance of their being recorded, and proof of recording must be submitted to HUD Field Office Counsel before HUD will release grant funds, other than acquisition funds.

If the award includes funds for acquisition, HUD may allow recipients to draw down acquisition funds before recording the Declaration of Restrictive Covenant if the HUD Field Office confirms that the escrow agent has received the Declaration of Restrictive Covenant and the recording instructions. The recipient or subrecipient may not draw down any funds other than acquisition funds until HUD Field Counsel has confirmed the Declaration of Restrictive Covenants has been recorded.

TABLE OF CONTENTS

## VI. SUBMISSION REQUIREMENTS AND DEADLINES

You must apply electronically, unless you qualify to submit a [paper application](#). See [Find the Application Package](#) to make sure you have everything you need to apply online.

Make sure you are current with [SAM.gov](#) and UEI requirements before applying for the award. See the [Before You Begin](#) section of this NOFO.

### A. Deadlines

#### 1. Application submission deadline:

The application deadline is 08:00:00 PM Eastern Time on:

07/23/2026

HUD must receive your application by the deadline. Applications received after the deadline are late. Late applications are not eligible for HUD funding.

If HUD receives more than one application from you, HUD will review only the last submission.

HUD may extend an application due date based on emergency situations such as Presidentially-declared natural disasters. An improper or expired registration and password issues are not causes to allow HUD to accept applications after the deadline date.

As this NOFO uses *e-snaps* for the application process, not Grants.gov, the application deadline is 8:00 PM ET on July 23, 2026. HUD will not consider any extensions under this NOFO.

Because applications are submitted via *e-snaps* - there is no grace period. Applications must be submitted by 8:00 PM ET on July 23, 2026.

### B. Submission Methods

#### 1. Electronic Submission

The official documents HUD uses to solicit applications for this NOFO are posted on [Grants.gov](#); however, you must register and submit your application through [esnaps.hud.gov](#). HUD does not accept applications or supportive documents via fax.

#### 1. Electronic Submission

Applicants must register and submit project applications through [esnaps.hud.gov](#). HUD does not accept applications or supportive documents via fax.

**Need Help?** See the [Contact and Support](#) section of this NOFO.

#### 2. Electronic Submission Application Waiver

You may request a waiver from the requirement to submit your application electronically. The request must show good cause and detail why you are technologically unable to submit

electronically. An example of good cause may include: a valid power or internet service disruption in the area of your business office. Lack of [SAM.gov](https://www.sam.gov) registration is not good cause.

Use the information in the [Contact and Support](#) section of this NOFO to submit a written request to HUD. You must **submit your waiver request at least 15 calendar days before the application deadline.**

## C. Other Submission Information

### 1. Intergovernmental Review

This NOFO is not subject to Executive Order [12372](#). No action is needed.

### 2. Technical Application Errors

HUD will contact you to fix a [technical error](#) with your timely application after the due date. Use the following submission requirements to respond to HUD's notice.

#### a. Fix Errors in Electronic Applications

To fix an error in response to a HUD notice, you must email the corrections to HUD at [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).

HUD allows 7 calendar days from the date of the HUD notice to fix an error. If the due date to fix an error falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters office in Washington, DC is closed, then the due date is the next business day.

HUD does not allow corrections to the application under this NOFO.

#### b. Fix Errors in Paper Applications

You must fix an error in your paper application, in accordance with HUD's notice. If your paper application includes an incorrect UEI, HUD will request you supply the correct UEI.

## D. False Statements

By submitting an application, you acknowledge your understanding that providing false or misleading information on your application, or during any part of the performance phase of an award, can lead to serious consequences. Those consequences include but are not limited to: fines, repayment, restitution, prison time, termination of any HUD award, and being banned from receiving any future HUD award and doing business with the federal government (18 USC 1001, 18 USC 1012, 18 USC 1010, 18 USC 1014, 18 USC 287, 31 USC 3729 et seq., 31 USC 3801-3812, FAR Part 9.4, 2 CFR Part 180, other remedies in your HUD award).

In addition, if any part or provision of the award agreement or terms of this NOFO are enjoined or held to be void or unenforceable in any jurisdiction, they shall be ineffective as to such jurisdiction and only to the extent of such prohibition or enjoinder and shall not invalidate or affect the legality or enforceability of the remaining provisions and applications of

the Agreement and Notice. In the event the enjoinder of such provisions is stayed, dissolved, or reversed, the full terms of the award agreement and NOFO, including such provisions, will automatically become effective. This clause is self-executing and will become effective, binding, and enforceable automatically upon issuance of this NOFO.

1. Awards made under this NOFO will not be used to engage in illegal racial discrimination including racial preferences.
2. Awards made under this NOFO will not be distributed in a way that violates or otherwise is used to interfere with constitutional protections guaranteed for speech and religious beliefs and the free exercise of religion.
3. Awards made under this NOFO will not be used to fund any project, service provider, or organization that operates illegal drug injection sites or "safe consumption sites" in violation of 21 U.S.C. § 856, knowingly permit the use or distribution of illicit drugs on property under their control in violation of 21 U.S.C. 856(a)(2), or knowingly distribute drug paraphernalia in violation of 21 USC 863. This is not a requirement that program participants must be sober in order to receive assistance, participate in treatment in order to receive assistance, or be evicted or exited from assistance for a first-time violation of a drug-related program policy or lease requirement.
4. Pursuant to 2 CFR 200.332(b)(2), all agreements or contracts made with subrecipients under this NOFO must contain the same terms and conditions as those in the grant agreement issued by HUD. Any additional or conflicting terms and conditions must be approved by HUD.

## B. Environmental Requirements

### 1. Environmental Review

You must follow these environmental review requirements, including regulations at:

[24 CFR part 50](#)

[24 CFR part 58](#)

Notwithstanding [24 CFR 578.31](#) and [24 CFR 578.99\(a\)](#) of the Rule, and in accordance with Section 100261(3) of MAP-21 (Pub. L. 112-141, 126 Stat. 405), activities under this NOFO are subject to environmental review by a responsible entity under HUD regulations at 24 CFR part 58 or by HUD under 24 CFR part 50.

1. Two types of projects are Categorically Excluded from review under the National Environmental Policy Act and not subject to the laws and authorities listed under 24 CFR 58.5 (CENST): All scattered-site projects where program participants choose their own unit and are not restricted to units within a pre-determined specific project site or sites are categorized in 24 CFR 58.35(b)(1) as CENST. This includes both tenant-based rental assistance and tenant-based leasing projects where program participants choose their own unit. An Exempt/CENST environmental review determination addressing the laws and authorities at 24 CFR 58.6 is only required for each project, not every unit.
2. For activities under a grant to a recipient other than a state or unit of general local

government that generally would be subject to review under 24 CFR part 58, HUD may make a finding in accordance with 24 CFR 58.11(d) and may itself perform the environmental review under the provisions of 24 CFR part 50.

3. Irrespective of whether the responsible entity in accordance with 24 CFR part 58 (or HUD in accordance with 24 CFR part 50) performs the environmental review, the recipient must supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any required environmental review. The recipient also must carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternative property.

4. The recipient, its project partners, and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this NOFO, or commit or expend HUD or non-HUD funds for such eligible activities under this NOFO, until the responsible entity (as defined by 24 CFR 58.2(a)(7)) has completed the environmental review procedures required by 24 CFR part 58 and the environmental certification and Request for Release of Funds (RROF) have been approved or HUD has performed an environmental review under 24 CFR part 50 and the recipient has received HUD approval of the project. HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required), or HUD has completed the environmental review under 24 CFR part 50 and notified the recipient of its approval of the project.

## Acquisition and Relocation Requirements

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) and its implementing regulations, implemented through the CoC program via 24 CFR 578.83, apply to any acquisition, rehabilitation, or demolition undertaken as part of any project funded under this NOFO. Grantees are thus required to plan for relocation and displacement, provide proper notification and all applicable relocation assistance to residents and owners, comply with acquisition requirements, and keep adequate records of acquisition and relocation activities. Relocation assistance can prove costly, so it's important for grantees to minimize displacement and proactively plan for relocation costs. Grantees are encouraged to contact their HUD Regional Relocation Specialist with any questions or concerns pertaining to acquisition and relocation compliance and best practices.

## 2. NOFO Impact Determination Related to the Environment

This NOFO has no significant impact related to the environment. HUD has made a Finding of No Significant Impact (FONSI) as required by HUD regulations at [24 CFR part 50](#), which implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 USC § 4332(2)(c)). To learn more about this FONSI, go to [HUD's Funding Opportunities](#) web page.

## 3. Lead-Based Paint Requirements

You must follow the lead-based paint rules below if you fund any work on pre-1978 housing. This includes buying, leasing, support services, operating, or work that disturbs painted surfaces.

- [HUD's rules](#) (Lead Disclosure Rule; and Lead Safe Housing Rule).
- EPA's rules ([Renovation, Repair and Painting Rule](#), and [Lead Abatement, Inspection and Risk Assessment Rule](#)).

You must discuss the [Lead Disclosure Rule](#) if you fund education or counseling on buying or renting housing that may have been built before 1978. You must also discuss the Lead Safe Housing Rule if the education or counseling focuses on buying or renting HUD-assisted pre-1978 housing.

### C. Remedies for Noncompliance

HUD may terminate all or a part of your award as described under 2 CFR 200.340 through 200.343 pursuant to the terms and conditions of your award, including, to the extent authorized by law:

- if an award no longer effectuates the program goals or agency priorities; or
- in the case of a partial termination, if HUD determines that the remaining portion of the award will not accomplish the purposes for which the HUD award was made.

HUD may also impose specific conditions on your award or take other remedies as described by 2 CFR 200.339 through 200.343, if you do not comply with your award terms and conditions.

For more information on CoC Program sanctions and remedies for noncompliance, see [24 CFR 578.107](#).

### D. Reporting

HUD requires recipients to submit performance, financial, and program reports as outlined below. You must comply with these reporting requirements to remain eligible for HUD funding. See [Section VII.C](#), of this NOFO.

Further, the Recipient hereby acknowledges that HUD is in the process of implementing new grants management and reporting tools for all records pertinent to the Federal award. Recipient agrees to report on grant performance and financial activities (including vendor and cash disbursement supporting details for the Recipient and its Subrecipients) using these new tools when they are released and to satisfy occasional requests for records pertinent to the federal award, consistent with the requirements for recordkeeping, access to records, and reporting laid out in 2 CFR part 200, which may be amended from time to time. HUD will work with the Recipient to support its transition to the new reporting tools. HUD reserves the right to exercise all of its available rights and remedies for any noncompliance with these grants management and financial reporting requirements, to include, without limitation, requiring additional or more detailed financial reports, suspension of disbursements, and all other legally available remedies, to the furthest extent permitted by law.

### 1. Program Specific Reporting Requirements.

a. In accordance with [24 CFR 578.103](#), recipients must maintain records within the time frame required, submit any reports, that HUD may require. Recipients may report the data as part of their Annual Performance Report (APR) submission to HUD. Additionally, recipients that expend \$1,000,000 or more in 1 year in Federal awards must have a single audit or program-specific audit for that year in accordance with 2 CFR part 200, subpart F.

b. Section 3 Reporting Regulations. Recipients are required to report their Section 3 activities per 24 CFR 75.25 if funds were awarded for housing rehabilitation, housing construction, and other public construction. See HUD's Section 3 website for additional information including annual reporting requirements.

c. Award notices may also include requirements for sub-award reporting in compliance with the requirements of the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282) (FFATA) and Section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417), referred to as "Section 872." See the General Section for further information.

2. Administrative and Other Program Requirements. Federal agencies are required to measure the performance of their programs. HUD captures this information from monitoring visits and APRs.

3. Timeliness Standards. All conditional funds awarded under this NOFO must be obligated by HUD by September 30, 2026. Once obligated, these funds will remain available for expenditure until September 30, 2031.

HUD reserves the right to require an earlier expenditure deadline under a grant agreement.

---

The applicant is expected to initiate the approved project promptly in accordance with the requirements of this Section of the NOFO. Projects, and associated grant operations, may not extend beyond the availability of funds. Applicants must plan accordingly and only submit applications that can start operations in a timely manner with sufficient time to complete the post award process within the awarded grant term. Additionally, HUD will act if the recipient fails to satisfy the timeliness standards found in [24 CFR 578.85](#).

- Denied or Decreased Funding. A process for eligible applicants that are denied funds by HUD or that requested more funds than HUD awarded to them.
- Consolidated Plan Certification. A process for eligible applicants whose jurisdiction refused to provide a Certification of Consistency with the Consolidated Plan (form HUD-2990).
- Competing CoCs. A process when more than one CoC selects the same geographic area, for eligible applicants of lower-scoring CoCs, to appeal to HUD's decision to fund the competing CoC. Should two or more CoCs select the same geographic codes associated with formula areas during the CoC Program Registration process, HUD will use the competing CoC process provided by [24 CFR 578.35\(d\)](#).

Appeals must be submitted via email to [snapsappeals@hud.gov](mailto:snapsappeals@hud.gov). The subject line of your email must include the CoC Number, Applicant Name, Appeal Notice, and type of appeal (i.e., Denied, Decreased, Consolidated Plan Certification). An example Subject Line is: AA-500 – Appeal Notice – Consolidated Plan Certification. HUD will not accept or consider appeals outside of those listed below, nor will it consider appeals that do not include the requirements listed in this Section.

HUD will respond to all appeals via email and will not consider any requests to reconsider funding except for the types of appeals outlined below.

**a. Solo Applicant.** Per the Act, "A solo applicant may submit an application to the Secretary for a grant under subsection (a) and be awarded such grant on the same basis as such grants are awarded to other applicants based on the criteria described in section 427, but only if the Secretary determines that the solo applicant has attempted to participate in the continuum of care process but was not permitted to reasonably participate. The Secretary may award such grants directly to such applicants in a manner determined to be appropriate by the Secretary."

To apply as a solo applicant, the project applicant must submit a Solo Applicant Project Application in *e-snaps* by the application submission deadline of July 23, 2026, by 8:00 PM Eastern Time. Additionally, the solo applicant, Collaborative Applicant, and HUD must take the following steps (See [24 CFR 578.35](#) for more information):

1. Written Notice of Intent to Appeal. The solo applicant must submit a written notice of intent to appeal, with a copy to the CoC, with their funding application.
2. No later than 30 days after the date that HUD announces the awards, the solo applicant shall submit in writing, with a copy to the Collaborative Applicant, all relevant evidence supporting its claim. The submission shall be emailed to [snapsappeals@hud.gov](mailto:snapsappeals@hud.gov).
3. The CoC has 30 days from the date of its receipt of the solo applicant's evidence to respond to HUD in writing, with a copy to the solo applicant. The submission must be emailed to [snapsappeals@hud.gov](mailto:snapsappeals@hud.gov).
4. HUD will notify the solo applicant and the CoC of its decision within 60 days of receipt of the CoC's response.
5. If HUD finds that the solo applicant was not permitted to participate in the Continuum of Care planning process in a reasonable manner, then HUD may award a grant to the solo applicant when funds next become available and may direct the Continuum of Care to take remedial steps to ensure reasonable participation in the future. HUD may also reduce the award to the Continuum's applicant(s).

**b. Denied or Decreased Funding.** Eligible applicants that applied to HUD in response to this NOFO, that were either not awarded funds by HUD, or that requested more funds than HUD awarded, may appeal HUD's decision within 45 days after the final funding announcement. HUD will only consider funding or additional funding based on the CoC's maximum amount available. To appeal HUD's decision, you must submit a written appeal to HUD, with a copy to the authorized representative from the CoC's designated Collaborative Applicant, that must include evidence demonstrating HUD error and follow the instructions for submitting an appeal.

1. For applicants that were fully denied funding for a grant, you must provide evidence that demonstrates HUD error in not awarding the grant. Your documentation must include:
  - (a) evidence from the application supporting your claim that the application met project eligibility and project quality; and
  - (b) evidence that you believe HUD failed to follow its selection priorities set forth in this NOFO that resulted in the project not receiving funding.
2. If your application was denied funding due to the application being decreased to such a level that the project was no longer feasible, documentation submitted must include:
  - (a) evidence from the project application supporting your claim that the project application met project eligibility and project quality thresholds set forth in the NOFO; and
  - (b) evidence that you believe HUD failed to follow its selection priorities set forth in this NOFO that resulted in the application not receiving funding.
3. If your application was denied funding due to the application score not being high enough due to HUD error, you may appeal the application score and request funding

for the project. The documentation submitted must include evidence of HUD error when calculating the application score.

4. Where HUD determines that a HUD error occurred, and you should have been awarded funding or additional funding, HUD will provide funding from the next available funds and make necessary adjustments by amending the award. HUD will reverse a decision only when you can show that HUD error caused the denial or decrease.

**c. Consolidated Plan Certification.** An applicant may appeal to HUD a jurisdiction's refusal to provide a certification of consistency with the Consolidated Plan.

1. Written Appeal. With the application that is submitted by the application submission deadline, you must submit a written appeal that is attached to the application and email a copy of the appeal to the jurisdiction that denied the Certification of Consistency with the Consolidations Plan and send a copy to the authorized representative from the CoC's designated Collaborative Applicant. The written appeal must include the following information:

(a) a copy of your request to the jurisdiction for the Certification of Consistency with the Consolidated Plan; and

(b) a copy of the jurisdiction's response stating the reason(s) the proposed project is not consistent with the jurisdiction's Consolidated Plan in accordance with 24 CFR 91.510(c); and a statement of the reasons why the applicant believes its project is consistent with the jurisdiction's Consolidated Plan.

2. Jurisdiction's Response. The jurisdiction will have 10 days after the receipt of your written appeal to submit a written response to HUD. The response must be sent by email to [snapsappeals@hud.gov](mailto:snapsappeals@hud.gov) on the jurisdiction's letterhead, with a copy to you. The response must include the following information:

(a) an explanation of the reason(s) originally given for refusing to provide the Certification with the Consolidated Plan; and

(b) written rebuttal to any claims made by you in the written appeal.

3. HUD Decision and Notification of Decision.

(a) HUD will review the appeal submissions and provide written notification, by email, of its decision to you and the jurisdiction within 45 days of the date of receipt of the jurisdiction's response. In making its decision, HUD will consider whether you submitted the request to the appropriate certifying jurisdiction and the reasonableness of the jurisdiction's refusal to provide the certification.

(b) If HUD finds the certifying jurisdiction's refusal to provide the Certification of Consistency with the Consolidated Plan reasonable, HUD will automatically reject the application. If HUD finds the certifying jurisdiction's refusal to provide a Certification of Consistency with the Consolidated Plan unreasonable, HUD will consider the application for funding in accordance with the review standards set forth in this NOFO.

(c) If the jurisdiction failed to provide written reasons for refusal, including the

reason(s) why the project is inconsistent with the jurisdiction's Consolidated Plan in its initial response to your request for a certification, HUD will find in your favor without further inquiry or response from the political jurisdiction.

(d) HUD will provide written notification of its decision with 45 days of the date of HUD's receipt of the jurisdiction's response. If the jurisdiction failed to provide a written response, HUD will provide written notification of its decision within 55 days of the date of HUD's receipt of your response.

Although not reflected in the regulation, section 605 of the Violence Against Women Reauthorization Act of 2022 amended Section 103(b) of the McKinney-Vento Homeless Assistance Act and requires HUD to consider certain individuals and families as homeless. This amendment took effect on October 1, 2022. **b. CoC Builds NOFO Concepts.** The following terms are not found in [24 CFR 578.3](#) but are used in other areas of the Rule or are used in this NOFO to define concepts that pertain specifically to this NOFO.

1. Adaptive Reuse. Refers to the process of reusing an existing building for a purpose other than which it was originally built or designed for. It is also known as recycling and conversion. Adaptive reuse is an effective strategy for optimizing the operational and commercial performance of built assets. Where possible, consider existing vacant structures that were initially designed for use other than housing (e.g., used as office space) if requesting funds for rehabilitation or acquisition where the structure can be cost-effectively restructured to create new PH-PSH units for homeless individuals and families.

2. Annual Renewal Demand (ARD) ([24 CFR 578.17\(b\)\(2\)](#)). The total amount of all the CoC's projects that were eligible for renewal in the FY 2025 CoC Program Competition, before any required adjustments to funding for rental assistance, and operating Budget Line Items (BLIs) based on FMR changes.

3. Consolidated Plan Certification. The standard form HUD-2991, Certification of Consistency with the Consolidated Plan in which a state or local official certifies the

proposed project, and activities are consistent with the jurisdiction's Consolidated Plan and, if the project applicant is state or unit of local government, that the jurisdiction is following its Consolidated Plan per the requirement of 24 CFR part 91.

4. Final Pro Rata Need. ([24 CFR 578.17\(b\)\(3\)](#)). The higher of Preliminary Pro Rata Need (PPRN) or ARD for the CoC is the FPRN, which determines the amount of CoC Builds funds a project can apply for through this NOFO.

5. Formula. Defined in [24 CFR 578.17\(a\)](#).

6. Formula Area. Defined in the Indian Housing Block Grant Program at 24 CFR 1000.302.

7. Indian Tribe. A federally recognized Tribe or a State recognized Tribe as defined in Section 4 of NAHASDA (25 U.S.C. 4103).

8. Low-income Housing Tax Credit. Provides a tax incentive to construct or rehabilitate affordable rental housing for low-income households.

9. Reservation. For purposes of this NOFO, reservations are a type of formula area as specifically delineated under HUD's IHBG program at 24 CFR 1000.302.

10. Rural Area. For this competition, a rural area is a county which:

(a) has no part of it within an area designated as a standard metropolitan statistical area by the office of Management and Budget;

(b) is within an area designated as a metropolitan statistical area or considered as part of a metropolitan statistical area and at least 75 percent of its population is local on U.S. Census blocks classified as non-urban; or

(c) is located in a state that has a population density of less than 30 persons per square mile (as reported in the most recent decennial census), and of which at least 1.25 percent of the total acreage of such State is under Federal jurisdiction, provided that no metropolitan city in such State is the sole beneficiary of the grant amounts awarded under this NOFO. A metropolitan city means a city that was classified as a metropolitan city under section 102(a) of the Housing and Community Development Act of 1974 (42.U.S.C. 5302(a)) for the fiscal year immediately preceding the fiscal year for which Emergency Solutions Grants program funds are made available.

11. Tribal Project. A Tribal project is a project in which funds will be used for PSH units designed to benefit Tribal communities or Tribal members.

12. Tribally Designated Housing Entity. For purposes of this NOFO, this term has the same meaning as in Section 4 of NAHASDA (25 U.S.C. 4103).

13. Trust land. For purposes of this NOFO, trust lands are a type of formula area as delineated under HUD's IHBG program at 24 CFR 1000.302.

**c. CoC Geographic Area.** [24 CFR 578.5](#) requires representatives from relevant organizations within a geographic area to establish a CoC to carry out the duties within the geographic area. The boundaries of identified CoC geographic areas cannot overlap, and any overlapping geographies are considered Competing CoCs. HUD follows the process at [24](#)

[CFR 578.35\(d\)](#) to determine which CoC HUD will recognize in the case of CoC geographic areas that overlap. For the CoC Builds competition, there are no Competing CoCs.

**d. Centralized or Coordinated Assessment System.** In general, [24 CFR 578.23\(c\)\(9\) and \(11\)](#) require all CoC program recipients and subrecipients to use the centralized or coordinated assessment system (coordinated entry) established by CoCs. The definition of Centralized or Coordinated Assessment is found at [24 CFR 578.3](#). [24 CFR 578.7](#) details the responsibilities of the CoC to establish and operate this required system. In addition to the definition and responsibilities established in the Rule, HUD posted on its website, [CPD-17-01](#): Notice Establishing Additional Requirements for a Continuum of Care Centralized or Coordinated Assessment System, establishing additional requirements related to the development and use of a centralized or coordinated entry assessment system. These systems help communities assess the needs of program participants and effectively match homeless individuals and families with the most appropriate resources available to address their supportive service and housing needs. CoCs must operate the system with CoC Program funds, other funds, or a combination of the two. Section [24 CFR 578.23\(c\)\(9\)](#) of the CoC Program Rule exempts a victim service provider from using the CoC's centralized or coordinated assessment system if victim service providers use a centralized or coordinated assessment system that otherwise meets HUD's requirements.

**e. CoC Program Components.** [24 CFR 578.37](#) states CoC funds may be used to pay for the eligible costs listed in [24 CFR 578.39](#) through [24 CFR 578.63](#) when used to establish and operate projects under five components: Permanent Housing – Permanent Supportive Housing (PH-PSH) or Rapid Rehousing (PH-RRH); Transitional Housing (TH); Supportive Services Only (SSO); Homeless Management Information System (HMIS); and in some cases, homelessness prevention.

Only designated high performing communities (HPCs) may carry out homelessness prevention activities through the CoC Program. No CoCs have applied for or been designated as a HPC, thus none of the funds in this NOFO can be used for homelessness prevention.

For this NOFO, the following will be considered for funding:

- New PH-PSH which must include a capital costs budget for new construction, acquisition, or rehabilitation; and
- The application may also request no more than 20 percent of an award for CoC Program eligible activities and costs associated with such new PH-PSH projects (see Section IV.B.1 of this NOFO), and no more than 10 percent for administrative costs.

**f. Collaborative Applicant.** HUD will only review CoC Builds project applications included in the Priority Listing, submitted by the CoC-designated Collaborative Applicant. Each CoC-designated Collaborative Applicant may only submit one CoC Builds application. However, if a CoC is working with a Tribe or TDHE to provide units of PSH on Tribal reservations or trust land, two applications may be submitted by the CoC-designated Collaborative Applicant, one for the CoC's geographic area not including the Tribal reservations or trust lands and one where the units will be located on Tribal reservations, trust lands, or in Tribal projects located in IHBG formula areas. Project applicants must complete the project application in *e-snaps*. Project application(s) must then be reviewed and selected by the CoC for submission under this NOFO. Collaborative Applicants are responsible for completing the Priority Listing;

---

ensuring the selected project application(s) is included for submission.

**g. Coordination with Housing and Healthcare.** The Consolidated Appropriations Act, 2024 that authorized these funds directs HUD to provide incentives to establish PSH projects that coordinate with housing providers, healthcare organizations, and social service providers. Rating Factor F. Supportive Services and Healthcare Coordination provides more information on these incentives.
